

Rental flexibility. Subaru capability.

Things you need to know about your Just Drive Rental:

1. In the event of an accident, your full coverage insurance will be responsible for handling any claims associated with the rental vehicle, including any deductible, while it is under your rental agreement.
2. You are leaving with a full tank of gas and if the vehicle is returned with less than a full tank of gas, you will be charged a flat \$60 refueling fee.
3. You will be charged for any repair costs to the vehicle that exceed \$100. You will be responsible to pay the full retail cost of any repairs.
4. If the vehicle is returned with interior odor or ANY evidence of smoking, a flat fee of \$599 will be charged.
5. The first 2,000 miles driven are free, any additional miles will be charged at \$0.35 per mile.
6. Any damages to Subaru Accessories that are added to the vehicle, will be charged to your account at full retail value.
7. Upon your return, your vehicle will be brought to the service drive "rental return" lane and you will go through a check-in inspection with the Just Drive Agent. If you are dropping off after hours, the vehicle will be parked in customer parking and keys will be left in the drop box.
8. Any late returns not communicated in advance will result in being charged for any additional days necessary, in accordance with your rental rates.
9. While in possession of the vehicle, you are responsible for paying any toll, parking, or violation fees that you encounter.
10. **All rental fees are charged up front, and by signing below we are authorized to make any additional charges to the credit card on file in accordance with the rules listed above.**
