

THE SUBARU LOVE PROMISE

I believe in being more than a
Subaru retailer.

I believe in being part of my
community.

In setting an example.

In building lifelong relationships.

And in ensuring the love is felt not
just by our customers, but by all.

Not because it's good for business.

Because it's the right thing to do.

What To Expect Next...

- Documents needed to assist with the registration of your purchased vehicle will be available for pick up or certified mail within 2 weeks.
- Any issues that prevent processing of any form of payment, loan contract, trade title, or trade payoffs may delay these documents. We will of course notify you in the event any possible delays prevent you being able to register your vehicle within the 30 days the state allows before charging a \$25 fee.
- If you leased your vehicle: - Please forward an insurance card reflecting the new purchase ASAP. We will get the plates for you and will notify as soon as we acquire them. Your personal property tax is assessed no differently than a financed or cash transaction, however the bill will come to you from the lease company rather than the county.
