

Automotive Service Technician

Lester Glenn Auto Glenn one of the largest private dealership groups in the country is looking for motivated, people friendly and goal oriented Automotive Service Technician for our Chevy Dealership location.

We are looking for experienced and motivated **Chevy Certified Tech** to be responsible for the actual service and/or repair of vehicles assigned to them by service management or their designated representatives. Our Chevy location is a Union shop.

Responsibilities:

Include but are not limited to:

- Perform work specified on maintenance and repair orders with efficiency and in accordance with dealership standards
- Diagnose and repair vehicle automotive systems including engine, transmission, electrical, steering, suspension, braking, air conditioning, etc. to specification
- Perform Routine inspections , system diagnostics, full automotive troubleshooting and testing
- Explain mechanical diagnoses and required repairs in a non-technical manner to service advisors and customers
- Inspect and test new vehicles and recording findings so that necessary repairs can be made and provide labor and time estimates for additional automotive repairs

Requirements:

Include but are not limited to:

- Previous experience as an automotive technician (ASE certification preferred)
- Minimum 3-5 years experience
- **Chevy (Certified Techs), experience Required**
- Solid mechanical skills
- Team oriented, flexible and focused on maintaining a high level of customer service
- Working knowledge of shop equipment such as wheel and tire equipment, alignment system, diagnostic equipment, AC equipment, etc.)
- Valid driver's license, clean driving record

All applicants must pass pre-employment testing to include: background checks, MVR, and drug testing in order to qualify for employment.

Compensation and Benefits:

In addition to competitive pay and a Union Shop, we also offer our team members Group Health Insurance, Dental, paid vacation, professional work environment, with job training and advancement opportunities, etc.
