LEXUS UTILITY VEHICLES

2020

URBAN STAY

Driving a Lexus is a breathtaking adventure made all the more thrilling when your vehicle is enhanced with the **Lexus Accessory Line**.

Each finely crafted item is meticulously designed for functionality, style and elegance and comes with up to a 48-month/50,000-mile warranty<sup>9</sup> honored at all Lexus dealerships nationwide.<sup>10</sup>

So visit **[lexus.com/accessories](https://lexus.com/accessories)** and turn an already exquisite automobile into something truly amazing.

# SHIELD

You're driving one of the most prestigious vehicles on the road. And that head-turning prowess needs some protecting – from scuffs, scratches, debris and break-ins. That's why your Lexus deserves protective accessories precision fabricated with high-tech engineering to afford you classic styling and enhanced performance.

**IMPORTANT INFORMATION** Vehicles shown with options. 1. Carpet and all-weather floor liners/mats are model specific with model names. Floor liners/mats are designed for use in a specific model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner/mat must be secured with its fasteners. Do not install a floor liner/mat on top of an existing floor liner/mat. 2. Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any weight ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method. 3. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. 4. Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. 5. Genuine Lexus Paint Protection Film by 3M<sup>TM</sup> is designed for specific sections of the hood and front fenders. It can also be applied to select portions of the front bumper for an additional charge. Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. Please see dealer for details. 6. Roof rack cross bars are not recommended for luggage. See *Owner's Manual* for load-rating and additional details. 7. Headphones are for passenger use only. Do not use while operating vehicle. 8. 18-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon driving conditions. 9. For accessories purchased at the time of the new vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles, from the vehicle's in-service date, which is the same coverage as the new vehicle Basic Warranty. For accessories purchased after the new vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. 10. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. 11. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo.

This brochure is based upon information available at time of printing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.
