LOCAL WISH FACTS

OUR MISSION

Together, we create life-changing wishes with children battling critical illnesses

Make-A-Wish serves children diagnosed with a critical illness, meaning many of our kids aren't terminal

There are 355 children currently waiting for their wish to be granted in Central California

More than 9,000 wishes have been granted throughout the 45 counties we serve in California and Nevada

75% of our wish kids overcome their critical illness to lead healthy lives

A child can be referred to Make-A-Wish by a medical professional, parent or guardian or by the child themselves

To qualify for a wish, a child must be 2.5 to 18 years-old and be diagnosed with a critical illness

The average cost of a wish to be granted is \$10,000

We have nearly 50 active volunteers in Central California who help to grant wishes

Only 7% of the money raised is spent on management and general costs

The Central California New Car Dealer Association and their 25 dealers are giving back by supporting local children who battle a critical illness. Join us in creating hope for children in your community. Your donation will go directly to supporting the cost of local child's wish.
