### Assembly Location

- Belvidere, Illinois

Customers who seek legendary Jeep® off-road capability, the luxurious lines of Jeep® Grand Cherokee and the affordability of the Patriot find their place in the 2012 Jeep® Compass.

Compass delivers on- and off-road performance with 4x4 capability and the coveted Trail Rated® badge on models equipped with Freedom Drive II® Off-Road Group. And because Compass is green to its soul, it delivers outstanding fuel efficiency — 9.1(31) city/6.8(42) highway L/100 km on 2WD Sport and Latitude models with manual transmissions.

Even more importantly, Compass cares as much about its occupants — and their budget — as it does the environment, with over 30 available safety features, all with a price point starting at under \$20,000.

## Key Reasons To Buy

- One of the most affordable SUVs in Canada
- Best-in-class 4x4 fuel economy
- Most capable SUV in its class with Freedom Drive II®
- Classic Jeep® Styling
- Best-in-class rear seat legroom (up to four inches more than a midsize SUV [Escape])
- Fuel economy of a compact car – up to 42 mpg (6.8L/100KM)
- Priced like a compact car

## 2012 Jeep® Compass – What's New

The Jeep® Compass returns in 2012 with enhanced colour options and the same efficient-performance mind-set. Its Grand Cherokee-motivated styling and several standard features offer customers a luxury-inspired vehicle starting at under \$20,000.

### Product Presentation

During the Product Presentation, you work as an advisor by matching vehicle features to a customer’s SUVPS buying motivations. Focus the conversation on the key features that will influence your particular customer’s purchase decision. For each feature, remember to emphasize the benefits to the customer — the reasons why Compass is their best purchase choice. Some features may be optional or not available on some models. Consult the Features, Options & Package Groups charts or the Code Guide to determine the availability of specific Compass features.
