SUVPS	4-5
Model Lineup	6-7
Product Presentation	8-16
Delivery Checklist	17

With almost 70 years in production, Jeep® Wrangler's freedom and adventure capabilities are still unrivalled. No surprise, really. The 2012 Wrangler offers multiple configuration options via three trim levels, soft tops and hardtops, removable full- and half-framed doors and a folding windshield. And it delivers best-in-class ground clearance plus a whole host of other performance and safety features that make on- and off-road challenges quite possible.

The 2012 Jeep® Wrangler delivers significant performance enhancements via the all-new 3.6L Pentastar™ VVT V6 engine. It delivers a 40-percent increase in horsepower and a 10-percent increase in torque delivering 285 hp and 260 lb-ft of torque, respectfully. It also boasts a 10-percent improvement in fuel economy delivering an EnerGuide Rating estimated 12.7 L/100 km (22) city/9.3 L/100 km (34) highway mpg on 2-door models, 12.7 L/100 km (22) city/9.3 L/100 km (30) highway mpg on models with a manual transmission and 12.6 L/100 km (27) city/9.5 L/100 km (30) highway mpg on models with an automatic. An improvement that's thanks, in part, to the 5-speed WA580 transmission or newly modified 6-speed NSG370 transmission.

The 2012 Jeep® Wrangler – New Heart, Same Soul!

Key Reasons To Buy

- New level of capability with proven Pentastar™ VVT V6
- One-of-a-kind iconic design & open-air freedom
- Best-in-class capability
- "4x4 of the Decade" – *Four Wheeler* magazine (Rubicon)
- "Instant Classic Under \$30,000" – Edmunds' Inside Line 2010 Readers' Most Wanted Award
- "Best New Car for Off-Roaders" – Cars.com
- "Ward's 10 Best Engines" - 3.6L Pentastar™ VVT V6 – *Ward's Automotive*
- Legendary 4x4 capability
- Only true 4x4 off-road convertible
- Trail Rated®

Assembly Location

- Toledo, Ohio

Market Exclusives/Recognition

- Best New Car for Off-Roaders – cars.com
- 4x4 Vehicle of the Decade – *Four Wheeler* Magazine
- Wrangler Unlimited is the only four-door 4x4 convertible with innovative hard- and soft-top features
- Up to 60 Wrangler (128 on Wrangler Unlimited) vehicle configurations with Sunrider® Soft Top, Freedom Top®, body colour Freedom Hard Top three-piece modular hardtop, removable full-framed and half-framed doors and folding windshield
- Wrangler is the only vehicle in its class to offer removable multipiece floor carpeting and floor drain plugs for easier cleaning
- Jeep® Wrangler (two-door) has the shortest turning diameter in its class
- Jeep® Wrangler and Wrangler Unlimited have best-in-class ground clearance
- Jeep® Wrangler and Wrangler Unlimited have both best-in-class approach and departure angles
- Jeep® Wrangler (two-door) has best-in-class manoeuvrability
- Rubicon has the lowest "crawl ratio" of any vehicle in its class
- Jeep® Wrangler Unlimited has best-in-class front seat interior volume
- Jeep® Wrangler Unlimited has best-in-class cargo capacity based on 2011 small sport utility vehicle segmentation

2012 Jeep® Wrangler – What's New

The 2012 Jeep® Wrangler has a new heart and same spiritual soul as evidenced by significant performance enhancements encased within a tried and true rugged exterior. 2012 models offer a unique lineup of new paint colours and the responsive new Pentastar™ engine delivering a 40-percent increase in horsepower and a 10-percent increase in torque. Here's something else buyers will bow to: an EnerGuide Rating estimated 12.7 L/100 km (22) city/9.3 L/100 km (30) highway mpg for 2-door models and 13.4 L/100 km (21) city/9.6 L/100 km (29) highway mpg for 4-door models with manual transmission — thanks in part to the 5-speed W5A580 transmission or newly modified 6-speed NSG370 transmission.

- 3.6L Pentastar™ VVT V6
- 5-speed automatic transmission (Available)
- Modular body colour Jeep® Freedom Top® hardtop on Rubicon (Available)
- Body colour fender flares on Rubicon (Available)
- Max Tow Group
- Mopar® Leather Group (Available on Sahara)

SUVPS

SAFETY/SECURITY

- Electronic Stability Control with Electronic Roll Mitigation, All-Speed Traction Control, Brake Lock Differentials, Brake Assist, Hill Start Assist and available Trailer Sway Control
- Four-wheel disc antilock brakes
- Tire Pressure Monitoring Warning Lamp
- Available supplemental front seat-mounted side air bags
- Sentry Key® anti-theft engine immobilizer
- Advanced multistage front air bags
- Body-on-frame construction helps contribute to occupant protection
- Height-adjustable front shoulder belt with travelling inboard buckles
- Rear-seat child seat anchor system (LATCH)
- Passenger buckle switch to alert driver if someone is not buckled

UTILITY

- Numerous available vehicle configurations provided by Sunrider® Soft Top, Freedom Top® modular hardtop, removable full- and half-doors and folding windshield
- Up to 1,588-kg (3,500-lb) towing capacity (Unlimited models) and standard tow hooks for all models
- Under-floor storage in the cargo area secured with lockable swing gate
- Removable carpeting and drain plugs for ease of cleaning
- Steering wheel-mounted audio controls on every Wrangler
- Available Connectivity Group includes Electronic Vehicle Information Centre (EVIC), Uconnect™ Voice Command and a leather-wrapped steering wheel
- Available GPS navigation with points of interest and Uconnect™ Voice Command with Bluetooth® Phone
- Available premium sound system with 7-speaker ∞Infinity® speakers (including subwoofer) and 368-watt amplifier
- 6-speaker audio system
- Available sound bar with two integrated water-resistant speakers
- All sound systems feature MP3 compatibility
- Body, chassis and interior are designed for ease of customization
- Unlimited is a full-time, everyday vehicle with 4 doors and 5-passenger seating
- Available side steps
- Rock Rails (standard only on Rubicon models)
- Available skid plates protect the fuel tank, automatic transmission oil pan and transfer case
- Lockable centre console with added storage in main bin
- Interior storage includes netted pockets in front/rear doors and more centre console storage
- Fold-and-tumble rear seat (Wrangler) or 60/40-split, folding rear seat (Wrangler Unlimited)
- Reversible load floor mat with Jeep® logo
- 115V in-console power inverter (Sahara and Rubicon)
- 116-inch wheelbase (Unlimited)

VALUE

- Rugged durability
- Available Media Centre radios provide the flexibility to play a variety of media, including CDs, DVDs, USB drives, MP3/WMA files and SIRIUS® Satellite Radio
- Rubicon models offer “right-out-of-the-box” off-road customization backed by a factory warranty and all Wrangler models are designed to be easily upfitted
- Wrangler Unlimited is the only 4x4 four-door convertible in the market. And, all Wrangler models feature innovative hardtop and soft-top features and multiple open-air driving configurations:
 - Removable full-framed doors and fold-down windshield
 - Available half-framed removable doors for Sport and Rubicon models
 - Available Freedom Top® Hardtop — three-piece hardtop allows sun-exposure control by separating into easy-to-store pieces
 - Available body colour hardtop — matches body colour, Sahara and Rubicon models only
 - Sunrider® Soft Top — convenient cable release quickly lets the sunshine in without having to fold back the entire top
- Halogen headlamps and integrated fog lamps
- Available integrated automatic headlamps
- Available heated power mirrors
- Available remote start system
- Features enhanced electrical and body-sealing plus high air intake for optimum water-fording capability
- Available rear wiper/washer and defroster (on models equipped with hardtop)
- Available automatic temperature control
- Available cloth or leather-faced heated front row seats
- Speed control on every Wrangler
- Green band on tachometer offers driver a range for optimal fuel economy
- Available power windows and door locks on removable full-frame doors

SUVPS

PERFORMANCE

- New 3.6L Pentastar™ engine replaces 3.8L V6 engine and delivers a 40-percent improvement in horsepower and a 10-percent improvement in torque
- 3.6L Pentastar™ engine delivers 285 hp/260 lb-ft of torque, EnerGuide Rating:
 - 12.7 L/100 km (22) city; 9.3L/100 km (30) highway mpg for 2-door models (MTX)
 - 12.6 L/100 km (22) city; 9.5 L/100 km (30) highway for 2-door models (ATX)
 - 13.4 L/100 km (21) city; 9.6 L/100 km (29) highway mpg for 4-door models (MTX)
 - 13.2 L/100 km (21) city; 10.0 L/100 km (28) highway mpg for 4-door models (ATX)
- Engine also includes several new features including accessory drive, non-A/C bracket and pull, alternator mounting bracket, water pump, thermostat housing, upper and lower intake manifold with acoustic foam, front cover, upper and lower oil pan, oil level indicator and tube and engine cover
- W5A580 5-speed automatic transmission with 175k torque converter replaces the 42RLE 4-speed automatic transmission
- W5A580 5-speed automatic transmission features new auto transmission fill tube and indicator in addition to EGS53 auto transmission controller and new A580 bracket
- Modified NSG370 6-speed manual transmission features new clutch housing, new clutch assembly and new flywheel
- Best-in-class approach, departure angles and ground clearance
- Available Trac-Lok® limited-slip rear differential or Tru-Lok® electronic remote locking rear differential
- Standard Hill Descent Control
- Available Trailer Tow Package (all models except Rubicon Unlimited) includes Trailer Sway Damping, Class II hitch receiver and trailer tow with 4-pin connector wiring
- The safety and convenience of 4x4, standard on every Wrangler
- Trail Rated® 4x4 capability
- Rubicon models include enhanced heavy-duty front and rear Next Generation Dana 44 heavy-duty solid axles with Tru-Lok® electronic remote-locking front and rear differentials, a Rock-Trac® transfer case with 4:1 low gear ratio, an electronic front sway-bar disconnect, 10 inches of ground clearance, and 32-inch BFGoodrich® tires for exceptional off-road performance
- Up to 1,588 kg (3,500 lb) of towing capacity
- Tow hooks are standard on all models
- Five-link front and rear suspension
- Available performance suspension (standard on Rubicon)
- Available heavy-duty suspension (standard on Sahara)
- Available Generation II Command-Trac™ (NV241) transfer case is tough and durable while remaining smooth and quiet
- Electronic Throttle Control (ETC) helps prevent “pedal bobble” which can occur in 4WD-low mode

- ESC system has three modes: Full-On, Partial-On (which shuts off traction control) and Full-Off (ideal for off-road driving)
- Rock-Trac® transfer case allows the vehicle to crawl at low speed for greater control (standard on Rubicon only)
- Available front sway bar disconnect, allows the front suspension to travel up to 25-percent farther (standard only on Rubicon)
- Body-on-frame construction adds strength, stiffness, durability and improved ride quality
- Half-metal doors help protect body during off-road experiences
- Fuel Saver Indicator on instrument cluster with automatic transmission informs driver if they are driving in a fuel-efficient manner

STYLING

- Classic Jeep® brand DNA with its seven-slot grille, round headlamps and trapezoidal wheel openings
- Available body colour hardtop (2-door/Sahara 4-door)
- Comfortable sculpted and supportive front seats with available two-tone leather-faced seats (Sahara and Rubicon)
- Available body colour fender flares
- Available Dual Top Group for all models except for entry-level Sport includes soft-top and Freedom Top®
- Seven available models:
 1. Rubicon
 2. Rubicon Unlimited
 3. Sahara
 4. Sahara Unlimited
 5. Sport
 6. Sport B
 7. Sport Unlimited
- Soft-touch interior including instrument panel and armrests
- Available deep-tinted rear and rear quarter windows
- Available black spatter coat hardtop (Sport and Rubicon)
- Wheel lineup:
 - 18-inch Gladiator cast aluminum painted satin silver wheels — Standard on Sahara models
 - 18-inch 7-spoke polished aluminum wheel — Available on Sahara
 - 17-inch Moab cast aluminum painted satin carbon wheels — Standard on Rubicon models
 - 17-inch Moab cast aluminum painted sparkle silver wheels — Available on Sport and Sport Unlimited
 - 16-inch slot spoke-styled steel-painted argent wheels — Standard on all Sport models

2012 JEEP® WRANGLER

Model Lineup

SPORT B

Selected Standard Equipment:

- 3.6L Pentastar™ VVT V6
- 6-speed manual
- Trail Rated®
- Command-Trac™ Transfer Case
- Premium cloth seating
- Steering wheel with audio and cruise control
- 16-inch styled steel wheels
- Electronic Stability Control with Hill Start Assist, All-Speed Traction Control and Electronic Roll Mitigation
- Removable doors, fold down windshield, and overhead sound bar
- Dana® 44 rear axle, Dana 30 front axle
- Multistage front air bags
- 3.21 rear axle ratio
- Sunrider® Soft Top
- Fog lamps
- 2 front and 1 rear tow hooks
- Media Centre 130 with six speakers and auxiliary input jack
- Four-wheel disc antilock brakes
- Fold-n-tumble removable rear seat
- Accent-colour fender flares
- Easy wash-out interior including removable carpet with drain plugs
- Fuel tank skid plate
- Full-size spare tire
- Rear compartment covered storage

AVAILABLE OPTIONS

- NEW 5-speed automatic (all models)
- NEW 18-inch aluminum wheels (Sahara)
- NEW 3.73 rear axle (Sport, Sahara)
- NEW Body colour fender flares (Rubicon)
- NEW Modular body colour Jeep® Freedom Top® hardtop (Sahara, Rubicon)
- NEW Mopar® Leather Group (Sahara)
- NEW Katzkin™ deluxe leather two-tone seats (Rubicon)
- 4.10 rear axle (Rubicon with 5-speed automatic)
- 17-inch aluminum wheels (Sport B)
- 32-inch Tire and Wheel Group (Sport S)
- Six ∞ Infinity® speakers (Sport S)
- Air conditioning (Sport B, Sport S)
- Antispin differential rear axle (Sport S, Sahara)
- Black Appearance Group (Sport)
- Connectivity Group (all models)
- Dual Top Group (Sport S, Sahara, Rubicon)
- Heated front seats (Sahara, Rubicon)
- Half-metal doors (Sport S, Rubicon)
- Mopar® Chrome Edition Group (Sport, Sahara)
- Mopar® Premium Chrome Group (Sport, Sahara)
- Power Convenience Group (Sport S)
- Remote start (Sahara, Rubicon)
- SIRIUS® Satellite Radio Group (all models)
- Front seat side air bags (Sport S, Sahara, Rubicon)
- Trailer Tow Group (all models)
- Tubular side steps (Sport)
- Automatic Temperature Control (Sahara, Rubicon)
- Media Centre 730N with enhanced navigation (Sahara, Rubicon)

SEGMENT EXCLUSIVES

- Removable doors
- Fold-down windshield
- Removable carpet
- Drain plugs
- Overhead sound bar
- Jeep® Freedom Top® hardtop
- Sunrider® Soft Top

2012 JEEP® WRANGLER

Model Lineup

SPORT S

UNLIMITED SPORT S

Differences/upgrades vs. Sport B:

- 17-inch aluminum wheels
- Chrome leather-wrapped shift knob
- Deep-tinted sunscreen glass
- Split-folding rear seat (Unlimited)
- No-charge air conditioning (2-door)
- No-charge SIRIUS® Satellite Radio including one-year subscription (2-door)

SAHARA

UNLIMITED SAHARA

Differences/upgrades vs. Sport S:

- Black Jeep® Freedom Top® 3-piece modular hardtop
- Automatic headlamps
- Air conditioning
- Power locks and windows
- 18-inch aluminum wheels
- Tubular side steps
- Six ∞ Infinity® speakers with 368-watt amplifier
- Power, heated exterior mirrors
- Heavy-duty suspension with gas charged shocks
- Body colour fender flares and bright bumper overlays
- Bright interior accents
- 115V auxiliary power outlet

RUBICON

UNLIMITED RUBICON

Differences/upgrades vs. Sahara:

- Tru-Lok® front and rear axles
- 4.10 rear axle
- 4:1 Rock-Trac® heavy-duty transfer case
- Electronic sway-bar disconnect
- 17-inch aluminum wheels
- 32-inch tall BFGoodrich® tires
- Dana 44 front axle
- Performance suspension with gas charged shocks
- Rock rails

2012 FUEL ECONOMY

Fuel Economy - L/100 KM (MPG)	City	Highway
3.6L Pentastar™ with 5-speed automatic 2-door	12.6(27)	9.5(30)
3.6L Pentastar™ with 6-speed manual 2-door	12.7(22)	9.3(30)
3.6L Pentastar™ with 5-speed automatic 4-door	13.2(21)	10.0(28)
3.6L Pentastar™ with 6-speed manual 4-door	13.4(21)	9.6(29)

Product Presentation

During the Product Presentation, you work as an advisor by matching vehicle features to a customer's SUVPS buying motivations. Focus the conversation on the key features that will influence your particular customer's purchase decision. For each feature, remember to emphasize the benefits to the customer — the reasons why Jeep® Wrangler or Wrangler Unlimited is their best purchase choice. Some features may be optional or not available on some models. Consult the Features, Options & Package Groups charts or the Code Guide to determine the availability of specific Jeep® Wrangler or Wrangler Unlimited features.

FRONT

JEEP® WRANGLER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
BODY-ON-FRAME CONSTRUCTION	
<ul style="list-style-type: none"> • Vehicle body is mounted onto a fully boxed frame • The preferred construction method of heavier duty vehicles • Hydroformed front frame rails 	<ul style="list-style-type: none"> • Isolates the body from the chassis for improved ride quality • Durability and towing capacity • The front rail tips help protect the passenger compartment by absorbing impact energy in the event of a collision
AVAILABLE AUTOMATIC HEADLAMPS	
<ul style="list-style-type: none"> • An automatic control which enables the headlamps to illuminate as natural light conditions diminish and to switch off as daylight increases • Once enabled, no further action is required of the driver 	<ul style="list-style-type: none"> • Set-it-and-forget-it convenience
INTEGRATED FOG LAMPS	
<ul style="list-style-type: none"> • Are typically used at low speed to increase the illumination directed toward the road surface • Provide a wide beam of light with a sharp cutoff 	<ul style="list-style-type: none"> • Provide increased road surface illumination and cut down on glare in low visibility conditions, such as fog or snow
EASE OF CUSTOMIZATION	
<ul style="list-style-type: none"> • Body, chassis and interior uniquely designed for mechanical simplicity • Extensive aftermarket accessories available 	<ul style="list-style-type: none"> • Offers an easy means of modifying Wrangler
3-YEAR/60,000-KILOMETRE BASIC LIMITED WARRANTY	
<ul style="list-style-type: none"> • Includes Roadside Assistance • Covers the complete vehicle against defects in factory-supplied materials and workmanship • Excludes tires, wiper blades, clutch discs or module clutch assembly, brake linings, brake rotors, pads, windshield, rear window, wheel alignment, wheel balancing and normal maintenance items • Stays with the vehicle and transfers automatically to subsequent owners at no cost during the warranty period 	<ul style="list-style-type: none"> • Provides total peace-of-mind confidence
5-YEAR/100,000-KILOMETRE POWERTRAIN LIMITED WARRANTY	
<ul style="list-style-type: none"> • Includes subsequent owner coverage transfer at no cost, towing, and elimination of the 5-year powertrain inspection requirement 	<ul style="list-style-type: none"> • Delivers excellent coverage for a positive ownership experience
CORROSION PROTECTION WARRANTY	
<ul style="list-style-type: none"> • 3 years unlimited metrage, 5/160,000 outer body panels against holes 	<ul style="list-style-type: none"> • Emphasizes product quality and durability

Product Presentation

FRONT

JEEP® WRANGLER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
RUGGED DURABILITY	
<ul style="list-style-type: none"> • Durability-tested 240,000 customer-equivalent kilometres • Advanced rectangular-shaped tubular-frame design is lightweight with exceptional strength • Heavy-duty steel crossmembers give additional support 	<ul style="list-style-type: none"> • Helps maintain rigidity on all types of terrain for driving confidence and vehicle control
ONLY 4X4 FOUR-DOOR CONVERTIBLE WITH HARD- AND SOFT-TOPS	
<ul style="list-style-type: none"> • Unlimited offers available Freedom Top® 3-piece modular hardtop with removable panels and versatile Sunrider® Soft Top 	<ul style="list-style-type: none"> • Provides open-air flexibility for active and adventurous lifestyles
RUBICON MODELS OFFER “RIGHT-OUT-OF-THE-BOX” OFF-ROAD CUSTOMIZATION BACKED BY A FACTORY WARRANTY	
<ul style="list-style-type: none"> • Rubicon and Rubicon Unlimited are pre-engineered and factory-equipped for off-roading 	<ul style="list-style-type: none"> • Rubicon models are ready for extreme off-road adventures “right-out-of-the-box”
EXCEPTIONAL OFF-ROAD PERFORMANCE (RUBICON)	
<ul style="list-style-type: none"> • Rubicon models include enhanced heavy-duty front and rear Next Generation Dana® 44 axles with Tru-Lok® electronic remote-locking front and rear differentials, Rock-Trac® transfer case with 4:1 low range, electronic sway-bar disconnect and 32-inch BFGoodrich® Mud-Terrain tires • Robust, durable two-speed part-time four-wheel-drive transfer case that’s designed to withstand the extreme rigors of off-road driving • Features a 4:1 low-range gear ratio • Electronically controlled lockers lock the front and rear differentials 	<ul style="list-style-type: none"> • Rubicon provides exceptional off-road performance regardless of terrain, weather, and obstacles along the road • Delivers sure-handling when negotiating steep inclines, hilly surfaces, and rock-laden trails during wet or dry conditions • Provides precision and control during extreme off-road manoeuvres using Rock-Trac® “crawl speed” • Crawl speed enhances ascending and descending inclines, crawling over objects, and slow-speed turning • Adds durability and improves axle strength for off-road driving • Provides power to all tires equally when engaged. If three tires are without traction, the single tire with traction can move the vehicle
FIVE-LINK FRONT AND REAR SUSPENSION	
<ul style="list-style-type: none"> • Includes live solid axles with four locating arms, coil springs, track and stabilizer bar, and heavy-duty monotube shock absorbers 	<ul style="list-style-type: none"> • Provides the perfect combination for off-highway use, due to its excellent ground clearance, and for on-road driving, due to its more comfortable ride characteristics
BEST-IN-CLASS GROUND CLEARANCE AND APPROACH AND DEPARTURE ANGLES	
<ul style="list-style-type: none"> • Wrangler has best-in-class ground clearance and approach and departure angles for difficult off-road manoeuvres 	<ul style="list-style-type: none"> • Provide superb performance over a wide range of difficult off-road driving conditions, including rock-crawling, while reducing the potential for underbody damage
GENERATION II COMMAND-TRAC™ (NV241) TRANSFER CASE	
<ul style="list-style-type: none"> • Two-speed transfer case offers part-time, shift-on-the-fly 4x4 capability on Sport and Sahara models 	<ul style="list-style-type: none"> • Provides smooth, quiet operation and enhanced reliability with manual operation
CLASSIC JEEP, BRAND DNA	
<ul style="list-style-type: none"> • Design features seven-slot grille, round headlamps and trapezoidal wheel openings 	<ul style="list-style-type: none"> • Retains classic Jeep® brand styling that embodies almost 70 years of 4x4 leadership

Product Presentation

FRONT

JEEP® WRANGLER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
NEW 3.6L PENTASTAR™ V6 ENGINE	
<ul style="list-style-type: none"> • Produces 285 hp and 260 lb-ft of torque • Standard on all models 	<ul style="list-style-type: none"> • Delivers 40-percent improvement in horsepower and 10-percent improvement in torque • Offers the most horsepower ever in a Wrangler for excellent acceleration and performance
NEWLY MODIFIED 6-SPEED MANUAL TRANSMISSION	
<ul style="list-style-type: none"> • Features new clutch housing, new clutch assembly and new flywheel 	<ul style="list-style-type: none"> • Provides outstanding performance with added fuel efficiency • Offers smooth shifting for an improved driving experience and sense of control • Allows the vehicle to be started only when the driver applies the clutch pedal
NEW 5-SPEED AUTOMATIC TRANSMISSION	
<ul style="list-style-type: none"> • Includes a new automatic transmission fill tube and indicator • Adds EGS53 automatic transmission controller • Adds A580 bracket 	<ul style="list-style-type: none"> • Provides the ease and convenience of an automatic transmission with low-gear performance, flexibility and pulling power • Requires brake pedal application in order to shift out of Park

DRIVER SIDE

JEEP® WRANGLER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
ELECTRONIC STABILITY CONTROL (ESC)	
<ul style="list-style-type: none"> • Compares the driver's intended course with the vehicle's actual course and then compensates for differences • Senses when a vehicle is starting to spin (oversteer) or plow (understeer) • Helps to correct the vehicle's course by automatically adjusting the throttle and applying the brakes at individual wheels 	<ul style="list-style-type: none"> • Automatically helps/assists driver in maintaining control of vehicles during extreme steering manoeuvres • Provides added driving confidence, particularly in rain and snow
ELECTRONIC ROLL MITIGATION (ERM)	
<ul style="list-style-type: none"> • Monitors the driver's steering wheel input and the speed of the vehicle to sense the potential for wheel lift • Detects when the sudden buildup of lateral force during a severe turn or evasive manoeuvre can cause the vehicle to start to tip • Applies the brakes with a high burst of pressure to cause the outside tire to slip and the vehicle's weight to transfer back over the inside tires and helps keep all four tires solidly on the ground • A component of the ABS/ESC system 	<ul style="list-style-type: none"> • Provides an enhancement to the Electronic Stability Control to help reduce the likelihood of a vehicle side rollover • Reduces the chance of a rollover in sudden manoeuvres and evasive events • Provides additional security and confidence by keeping all four tires solidly on the ground • Especially useful in vehicles with a higher centre of mass
ALL-SPEED TRACTION CONTROL	
<ul style="list-style-type: none"> • Monitors the amount of wheelspin of each of the driven wheels • Applies brake pressure to the slipping wheel(s) and reduces engine power to provide enhanced acceleration and stability • Controls the wheelspin across a driven axle (similar to a limited-slip differential) • If one wheel on a driven axle is spinning faster than the other, the system will apply the brake and slow down that wheel • Allows more engine torque to be successfully applied to the wheel if it is not spinning 	<ul style="list-style-type: none"> • Helps reduce wheel slip as the vehicle is accelerating • Provides increased driving confidence on all road surfaces, but especially on sand and gravel, as well as wet and snowy roads

Product Presentation

DRIVER SIDE

JEEP® WRANGLER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
BRAKE LOCK DIFFERENTIALS (BLD)	
<ul style="list-style-type: none"> • A feature of brake traction control that controls wheel speed side to side across a driven axle • Using the vehicle's wheel speed sensors, BLD knows when one wheel on a driven axle is turning and the other is not • It will apply brake pressure to the wheel that is turning. The applied brake pressure increases the torque required to turn the wheel in the air and this allows more torque to go to the wheel on the ground • Brake Lock Differential looks at individual driven axles and tries to keep the wheels turning at the same speed 	<ul style="list-style-type: none"> • Provide improved off-road performance
BRAKE ASSIST	
<ul style="list-style-type: none"> • Overcomes the tendency of not applying the brakes hard enough in an emergency braking situation by using the ESC system to instantly apply the maximum available brake pressure • A component of the ABS/ESC system 	<ul style="list-style-type: none"> • Helps vehicle stop sooner in emergency situations by reacting faster than the driver is able to in applying maximum brake pedal pressure • Helps provide the shortest possible stopping distance in emergency braking situations
HILL START ASSIST	
<ul style="list-style-type: none"> • Enhancement to ESC • Automatically maintains brake pressure when driver releases the brake pedal while driving uphill • Prevents vehicle rollback on a steep grade when the driver is transitioning from the brake to the accelerator • Especially beneficial on vehicles with manual transmissions 	<ul style="list-style-type: none"> • Allows the driver time to transition from brake to throttle to achieve smooth launch on grade • Contributes to ease of use and safety by preventing vehicle rollback on steep grades
HILL DESCENT CONTROL	
<ul style="list-style-type: none"> • Grade-sensing capability is another enhancement to ESC • Operates when transfer case is in four-wheel-drive LO • Automatically modulates the brakes to help maintain a safe and controlled vehicle speed of less than 8 km (5 mph) to assist in steep and slippery descents 	<ul style="list-style-type: none"> • Provides off-road safety and control for added driving confidence • Supports added safety and security by allowing the driver to focus on steering as it brakes automatically to provide controlled steep descent
AVAILABLE TRAILER SWAY CONTROL	
<ul style="list-style-type: none"> • Enhancement to ESC • The ESC yaw sensor recognizes when there are alternating forces on the vehicle that aren't caused by steering input • The sway could be caused by strong wind gusts or an improperly loaded trailer • Trailer Sway Control activates stabilizing effects by using brake pressure on alternating wheels to help stabilize the vehicle's path and, if necessary, adjusts the electronic throttle to help bring the vehicle and trailer under control 	<ul style="list-style-type: none"> • Reduces trailer sway and provides improved trailer stability • Contributes to increased towing safety, driver assurance and confidence
FULL-TIME, EVERYDAY VEHICLE	
<ul style="list-style-type: none"> • Unlimited 4-door model designed to be a first vehicle of choice 	<ul style="list-style-type: none"> • Offers room for five, power, comfort and convenience, storage and safety

Product Presentation

DRIVER SIDE

JEEP® WRANGLER FEATURES/FUNCTIONS	CUSTOMER BENEFIT
AVAILABLE SIDE STEPS	
<ul style="list-style-type: none"> • Driver and passenger side-mounted steps can be easily removed for off-road driving 	<ul style="list-style-type: none"> • Make entering and exiting the vehicle easier
AVAILABLE REMOTE START SYSTEM	
<ul style="list-style-type: none"> • Conveniently starts engine from outside the vehicle by using the remote keyless entry fob • Operates when vehicle is locked and transmission is in Park • Includes a back-up safety feature that turns off the vehicle's ignition after a predetermined period of time not available with manual transmission m/h auto transmission 	<ul style="list-style-type: none"> • Offers the convenience of starting the engine from outside the vehicle • Maintains security by requiring vehicle to be locked and windows raised • Will warm or cool the interior prior to passengers entering the vehicle (if the HVAC controls were left on at last engine shutdown)
NUMEROUS AVAILABLE VEHICLE CONFIGURATIONS	
<ul style="list-style-type: none"> • Sunrider® Soft Top, Freedom Top® modular hardtop, body colour Freedom® Hard Top (Sahara only) removable full - and half-framed doors and folding windshield 	<ul style="list-style-type: none"> • Offer up to 60 vehicle configurations on Wrangler and up to 128 vehicle configurations on Wrangler Unlimited
116-INCH WHEELBASE (UNLIMITED)
