With its athletic appearance and agile, compact footprint, your new Range Rover Evoque redefines SUV capability. Take its individuality to even greater heights by customizing your Evoque with Land Rover accessories. Designed to complement your personal tastes and lifestyle pursuits, these rigorously tested accessories are available for purchase at any stage of your vehicle ownership. Engineered to the same exacting standards as your Evoque, they add a personal touch of style, functionality or protection. Peruse this brochure to learn more about Evoque accessories or ask your Land Rover Retailer for details.

Range Rover Bike featured on the front cover is a concept only.
Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so does the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner’s lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rovers. Here’s why:

**PREDICTIVE ANALYSIS**
Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

**VIRTUAL ENGINEERING**
Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle’s lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

**ENVIRONMENTAL**
Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

**DURABILITY**
All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

**RIG TESTING**
Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

**WARRANTY**
The genuine Land Rover vehicle accessory warranty commences on the date of purchase of the accessory and is covered for 12 months’ unlimited mileage or the balance of the new vehicle/emissions warranty, whichever is greater.
Add a striking personal touch to your new Evoque with stunning alloy wheels. Choose from a trio of attractive designs as well as available wheel nuts, valve stem caps, and more — all meticulously engineered and tested to rigorous Land Rover standards.
17-inch Evoque Wheel (Rim only)
LR024426

Style 7 Shadow Chrome Wheel (Rim only)
LR024426

Snow Traction System
Enhance your driving capabilities when dealing with snowy or icy roads. Requires 17" Evoque Wheel (LR024421).
LR005169

17-inch Evoque Wheel (Rim only)
For use with Snow Traction System.
LR024421

Emergency Snow Traction Aid (snow socks)
VPLVW0073

Black Wheel Nuts
Accentuate the Evoque’s available Gloss Black Finish Wheels with these handsome Black Wheel Nuts (set of 20).
VPLVW0070

Locking Wheel Nut Kit
Brandishing a beautiful chrome or black finish, this Locking Wheel Nut Kit helps deter wheel theft.
Chrome Finish (pictured here) — LR008794
Black Finish (not shown) — VPLVW0072
Valve Stem Caps
Put the finishing touch on your Evoque’s wheels with these eye-catching valve stem caps (set of 4).
Union Jack Logo — LR027664
Black Union Jack Logo — LR027666
Full-color Land Rover logo — LR027560
Range Rover Logo — LR027663
N₂ (Nitrogen Branded) — VPLFY0071

Please note: When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with your Land Rover Retailer for further details.
INTERIOR

Sporting rich leathers, soft-touch materials and chrome accent pieces, your Evoque’s passenger compartment exudes sophistication and attention to detail. To help protect that interior and keep items secure, Land Rover offers a generous inventory of accessories, including loadspace protectors, cargo luggage retention kits and waterproof seat covers.

**Coat Hanger**
Made from rounded chrome metal, this Land Rover-branded hanger easily attaches to the back of the front-seat headrest so you can keep your clothes looking sharp. VPLVS0167

**Loadspace Aperture Net**
Conveniently retain items in your Evoque loadspace with this flexible net. VPLVS0172

**Seat Back Storage**
Conveniently store small items and keep them within easy reach for your rear-seat passengers. Standard — VPLVS0181
Premium — VPLVS0182
Loadspace Luggage Floor Rails
Note: Requires Luggage Retention Kit (VPLVS0125). VPLVS0102

Rigid Loadspace Protector
Offers easy access to tie-down points where fitted. Not compatible with the Full Height Cargo Barrier. (Requires “D” ring removal from luggage rails.) VPLVS0089

Small Umbrella Holder
Designed to handle a wide range of compact umbrellas, this product fits discretely in the front of the passenger seat frame. VPLVS0186

Loadspace Rubber Mat
Protects floor from dirt. Waterproof with retaining lip and non-slip surface. Compatible with Cargo Barrier. (Requires “D” ring removal from luggage rails.) VPLVS0091
Social Seating
Fold-out seating for outdoor use. Stows neatly away in the loadspace.
Weight capacity: 573 lbs. (Available 2012)
VPLVS0101

Flexible Loadspace Protector
Heavy-duty fabric protects loadspace up to window height. Includes protective gloves.
VPLVS0090

Loadspace Rail Security Box (not pictured)
This car-safe box is made of steel with an anti-drill lock. Foam blocks inside the box allow you to shape the interior as needed. Requires Loadspace Luggage Rails (VPLVS0102) to fit to the trunk rails.
VPLVS0183

Cargo Barrier — Full Height
Helps separate cargo and animals from the passenger compartment. A small hatch enables you to carry longer items. Compatible with Rigid Loadspace Protector (Half Height only) and Loadspace Rubber Mat.

Full-Height Barrier for 5-door Evoque (through August 2013) — VPLVS0220
Full-Height Barrier for 5-door Evoque (August 2013 onward) — VPLVS0082

Full-Height Barrier for 3-door Evoque (through August 2013) — VPLVS0221
Full-Height Barrier for 3-door Evoque (August 2013 onward) — VPLVS0081

Half-Height Cargo Barrier (not pictured)

Half-Height Barrier for 5-door Evoque (through August 2013) — VPLVS0218
Half-Height Barrier for 5-door Evoque (August 2013 onward) — VPLVS0145

Half-Height Barrier for 3-door Evoque (through August 2013) — VPLVS0219
Half-Height Barrier for 3-door Evoque (August 2013 onward) — VPLVS0144

Rear Bumper Load Protector
Help shield your rear bumper when loading items.
VPLVS0179
Rubber Mat Set
Shield the floor of your Evoque from water, mud and other debris with durable rubber mats. (Set of 4 mats)
For 2011-12 vehicles — VPLVS0124PVJ
For 2013 vehicles onward — LR045097

Windshield Interior Sunshade
Keep your vehicle’s passenger compartment cooler while protecting it from UV sunray exposure with this lightweight Windshield Interior Sunshade.
VPLVS0163

Illuminated Tread Plates
Illuminated Range Rover tread plates welcome drivers and passengers into the car when either door is opened. (Fits only Pure and Prestige; is standard fit for Dynamic.)

Luna — VPLVS0185LAA
Cherry — VPLVS0185CJB
iPad® Holder
Mount your iPad to this Land Rover-branded holder that attaches to the Evoque headrest posts and features a quick-release design. Your iPad can be displayed in either a portrait or landscape format, and the holder allows easy access to all ports and controls.

Style 1 (fits iPad® 1) — VPLVS0164
Style 2 (fits iPad® 2 onward) — VPLVS0165

Rechargeable Flashlight
This handy flashlight can help you deal with unexpected situations. VPLVS0174

Center Armrest Chiller & Warmer
This rear center armrest can also keep your drinks cool and your food warm. Ideal for long journeys, it features a 3.9-gallon capacity, heats up to 149°F and cools down to -4°F. VPLVS0176
Anodized Aluminum Pad Shifter
Enhance the appearance of your vehicle’s interior with this bright aluminum or vibrant red anodized paddle shifter, made from forged aluminum. The anodized finish ensures an exceptional resistance to wear.

Red — VPLVS0187CAY
Silver — VPLVS0187MMU

Drive Select Rotary Shifter Upgrade
Add a sporty finishing touch to your Evoque interior with a stylish rotary shifter.
Red Finish — VPLVS0180
Silver Finish — VPLSS0142
Drive Select Leather Top Cover [required for installation] — VPLSS0143PVJ

Collapsible Cargo Carrier
Keep items from shifting during transport with this Collapsible Cargo Carrier, which includes dividers to separate your items for an extra measure of convenience.
EEA500050PVJ

Drive Select Leather Top Cover
(required for installation) — VPLSS0143PVJ
EXTERIOR

With its bold, athletic styling, the Evoque strikes a commanding pose. To help keep your SUV looking its best, Land Rover offers a selection of accessories, including mudflaps, protection tubes and car covers. You also can choose a stylish license plate frame — from a variety of looks and finishes — to add your personal touch.

Front Mudflaps
Help reduce road spray and protect your Evoque’s paint finish with these custom-designed mudflaps.
Pure and Prestige models — VPLVP0065

These stunning high-grade Carbon Fiber Mirror Covers (sold in sets of two) accentuate the distinctive Evoque profile.
VPLVB0111

Carbon Fiber Side Vents
These side power vents (sold as a four-piece set) are made of a high-grade material and add a performance-inspired styling upgrade.
VPLVB0112
CARRYING AND TOWING

Whether you’re preparing for a two-week outdoor excursion or an afternoon of fun, Range Rover offers a range of accessories to accommodate your gear. From roof rails and luggage boxes to bike racks and towing equipment, there’s plenty to complement your pursuits.

Ski Bag
Conveniently carry up to two pairs of ski and poles (up to 70 inches in length) in a Land Rover-branded ski/snowboard bag. Made from durable polyester, this waterproof bag also includes a removable shoulder strap.
VPLGS0166

Roof Box Lifting Aid (not pictured)
Garage ceiling-mounted pulley system
VPLVR0096
Roof-Mounted Bike Carrier*
Securely transport your bike on the roof of your Evoque with this durable, lockable carrier that conveniently requires no disassembly of the bike.
Note: Featured Range Rover Bike is a concept only.
VPLFR0091

Bungee Cargo Net
Secure your goods with this durable cargo net that works especially well with the Land Rover Luggage Carrier (LR006848). Its flexible design enables you to tie down different-sized belongings.
LR005083
**Roof Rails***
Load capacity: 165 lbs †
Vehicle height when fitted:
Range Rover Evoque: 64.5”
Range Rover Evoque Coupe: 63.3”
Fits panoramic and nonpanoramic roofs.
Silver Finish (shown above) — VPLVR0085
Black Finish (shown at right) — VPLVR0086

**Roof Trim Finisher Kit**
For panoramic roofs:
Silver Finish — VPLVR0089
Black Finish — VPLVR0090
For nonpanoramic roofs:
Silver Finish — VPLVR0088
Black Finish — VPLVR0087

**Crossbars — Silver Finish***
These adjustable position crossbars feature an aerodynamic profile designed to minimize drag and noise and are lockable for security. (Roof Rails not included.)
Load capacity: 165 lbs †
Vehicle height when fitted:
Range Rover Evoque: 67.7”
Range Rover Evoque Coupe: 66.8”
VPLVR0073

**Luggage Carrier**
Load capacity: 165 lbs †
LR006848
*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.
†Maximum payload capacity minus the weight of the roof-mounted accessory.
**Required for Roof Rails fitted to panoramic glass roof vehicle.
**Tow Hitch Receiver**
Help tow your boat, trailer, etc., with this sturdy Tow Hitch Receiver. Its towing capacities are 1,653 lbs. for an unbraked trailer and 3,500 lbs. for a trailer with over-run brakes.
For 2012 vehicles — VPLVT0067
For 2013 vehicles onward — VPLVT0103

**Towing Mirror Extension**
Extend the view of your side mirrors when towing with these premium towing mirrors, supplied in a Land Rover-branded bag. (Not pictured.)
VPLVT0080

**Towing Electrics**
Provide power and light for your trailer through your Evoque.
VPLHT0062
(Note: This accessory is not suitable for Caravans, Trailers or Lighting Boards fitted with rear-mounted LED Lamp Kits.)
TOURING

For protection, maintenance or convenience, Touring accessories assist you during your ownership.

Rear Seat Entertainment Extra Headphones
Expand entertainment capabilities for your rear seat passengers.
LR037701

Bulb Kit
This handy kit of replacement bulbs helps keep you and your Evoque prepared for the unexpected.
VPLHV0060

Electric Cool Bag
Powered by a 12-volt auxiliary socket. Thermostatically controlled temperature. With an easy-clean interior surface, it measures 14” tall x 14” long x 8½” wide. Volume: 14 quarts.
VUP100140L

Car Cover
Protect your Range Rover from the elements with a durable Car Cover that fends off rain, snow, dust and other elements. Stores easily.
VPLV0112

TOURING
Our plan for a sustainable future.

We take our responsibility to our planet very seriously, with an integrated and innovative approach for a more sustainable business and lower carbon world. As a company, we are committed to:

Reducing dependency on fossil fuels and the production of man-made CO₂ emissions

Using fewer resources and creating less waste

Enthusing our employees and stakeholders for sustainable business development
At Land Rover, we do this by investing in four key areas:

**e_TERRAIN® TECHNOLOGIES. EFFICIENT POWER SYSTEMS, LIGHTWEIGHT STRUCTURES, REDUCED EMISSIONS**

A joint $1.3 billion investment into new technologies designed to reduce CO₂ emissions and improve fuel consumption. We are targeting a 25 percent reduction in joint fleet average tailpipe CO₂ emissions by 2015 as part of our carbon management plan. The all-new Range Rover Evoque and LR2 vehicles include innovative stop-start technology (on the diesel manual gearbox) and Intelligent Power Systems Management (IPSM) with regenerative braking, just two examples of e_TERRAIN® TECHNOLOGIES that reduce our vehicles’ carbon footprint. What’s more, Land Rover’s Adaptive Dynamics System constantly monitors vehicle performance, to enhance driving and emissions efficiencies.

**SUSTAINABLE MANUFACTURING. USING FEWER RESOURCES AND CREATING LESS WASTE**

World-class manufacturing facilities, certified to ISO14001 since 1998. As a company, we are targeting a 25 percent reduction in operating CO₂ emissions by 2012, 25 percent in waste-to-landfill and 10 percent in water consumption, based on 2007 levels. Our activities include factory energy efficiencies, cutting transport miles and the carbon offset of all CO₂ emissions from manufacturing assembly. But it doesn’t stop there. Every new vehicle is designed to be 85 percent recyclable and reusable as well as 95 percent recoverable and reusable, with 10 percent specifically for energy recovery.

**CO₂ OFFSETTING. INVESTING IN RENEWABLE ENERGY, TECHNOLOGY CHANGE AND ENERGY EFFICIENCY PROJECTS**

For every ton of CO₂ emitted during the manufacturing assembly of our vehicles, Land Rover invests in carbon-reduction projects that reduce an equivalent ton of CO₂ elsewhere. In addition, we enable our customers to offset their first 45,000 miles (72,000 km) of driving in their new vehicles. We do this in the UK as well as countries in Europe, the Middle East and Asia. Independently administered by ClimateCare and Forum for the Future, CO₂ offsetting allows us to take action now, to reduce our impact on the environment, as part of our integrated carbon-management plan.

**CONSERVATION AND HUMANITARIAN PARTNERSHIPS. WORKING PARTNERSHIPS FOR CONSERVATION AND SOCIETY’S GAIN**

Our vehicles are designed for purpose, so they are used by conservation and humanitarian organizations worldwide. Working with our five Global Conservation partners and the International Federation of Red Cross and Red Crescent Societies (IFRC), Land Rover is proud to support the important work of the Royal Geographical Society (with IBG), The Born Free Foundation, Earthwatch Institute, Biosphere Expeditions and the China Exploration and Research Society.

**FACT**
We will use lifecycle assessment to understand the environmental impact of our vehicles, including the use of e_TERRAIN® TECHNOLOGIES, beginning with Range Rover Evoque.

**FACT**
Turning waste food into energy in a trial at Land Rover headquarters has diverted 43 tons of waste from landfills and saved 3.7 tons of CO₂ emissions.

**FACT**
We plan to offset approximately 3,000,000 tons of CO₂ emissions by 2012.

**FACT**
In 2010, Land Rover launched a new three-year global initiative with the IFRC titled “Reaching Vulnerable People Around the World.” Land Rover has supported the IFRC’s life-saving work since 2007 and to date has given more than $6.5 million in vital funding and vehicle support to help vulnerable people around the world.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. Although Land Rover takes the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice.

Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market. Please consult your Land Rover Retailer, who will be pleased to advise you on current specifications. Distributors and Retailers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.

Genuine Land Rover KIT assures confidence

Land Rover would like to remind you that accessories that are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.

Please recycle this brochure after use.
