Windshield Surface Protection

You don't need anything blocking your view of the road!

Carefree Windshield Surface Protection improves your windshield clarity and helps protect against damage caused by road hazards.

Did you know your car's windshield is a safety device?

In addition to protecting vehicle occupants from the elements, a properly maintained windshield can help reduce crash injuries and could even save your life.

Windshield Surface Protection

- Protect your vehicle's windshield from everyday road hazards with a durable, invisible, water-repellant coating.
- If the windshield is damaged by a covered road hazard, the program provides for repairs of minor chips, stars, or nicks to the windshield glass caused by propelled rocks, stones, or other debris.
- Replacement for damage beyond repair and recalibration of Advanced Driver Assistance System (ADAS).

Rental, Rideshare, Transportation Benefit

- Reimbursement for rideshare, taxi, train or bus fare, car service, or rental vehicle while the covered vehicle is undergoing repairs.
