

# Carefree Appearance Protection™

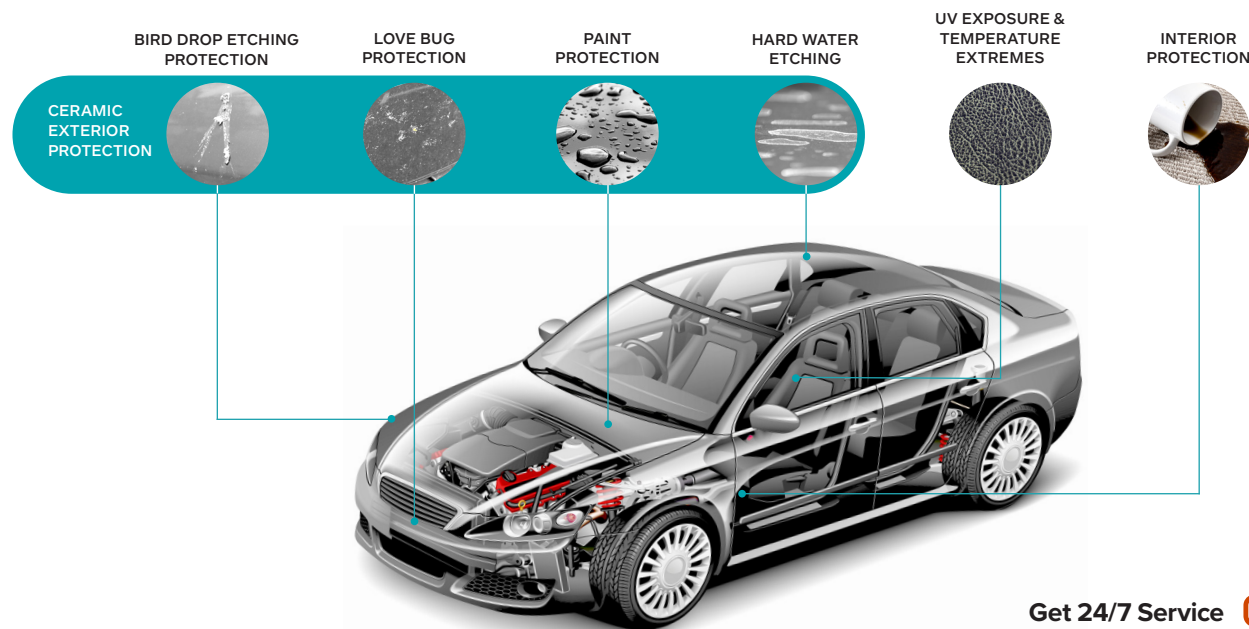

Carefree Appearance Protection product is a ceramic surface protection applied to your vehicle's original factory painted exterior surfaces. It has been specifically designed using reactive compounds to give a durable and high gloss weather resistant protection from all types of environmental conditions, including:

- Oxidation & Fading
- Hard Water Etching
- Love Bug Damage

Carefree Appearance Protection product creates a durable, invisible coating that protects your vehicle's interior from all types of conditions, including:

- Food or Drink spills
- Water & Oil-Based Spills
- UV Exposure & Temperature extremes
