TOYOTA MOBILITY

Assistance Program

Up to \$1000 Cash Assistance, Information and Financing Support

Toyota Mobility Assistance

Provides cash reimbursement of up to \$1000 of the cost of any aftermarket adaptive equipment, for drivers and/or passengers, when installed on any eligible purchased or leased* new Toyota or Scion vehicles. Refer to the reimbursement application form for detailed requirements. Download from www.toyota.com/mobility.

**subject to written lessor approval of adaptive equipment installation*

Comprehensive Mobility Resource Information

Available on www.toyota.com/mobility and www.scion.com/mobility, or by request from the Toyota Customer Experience Center. Includes listings of driver assessment specialists and mobility equipment installers, by state.

Toyota Financial Services* Mobility Financing

Upon credit approval, through Toyota Financial Services and participating Toyota dealers. Provides flexible, extended-term financing for persons with physical disabilities, or their families, for purchasing a new Toyota or Scion vehicle with the installed adaptive equipment (including installation costs). Please contact your local participating Toyota dealer for details.

**Toyota Financial Services is a service mark used by Toyota Motor Credit Corporation.*

Complete program details and comprehensive resource information can be found at www.toyota.com/mobility or www.scion.com/mobility, Toyota dealers, Mobility Equipment dealers, or upon request from the **Toyota Customer Experience Center at 800-331-4331**.

**The Bruno Lift-Up™ Power
Mobility Seat for Sienna
Easy on the Caregiver**
