**What Is Covered?** Any repair or replacement to engine, transmission/transaxle, front wheel drive, rear wheel drive.

POWERTRAIN COMPONENT LIST:

**ENGINE** • Automatic Timer • Camshaft – Distributor drive gear • Camshaft housing • Camshaft housing gasket • Camshaft timing gear or sprocket • Chain tensioner assembly • Compression spring and/or retainer and/or oil seal and/or retainer lock • Connecting rod assembly and/or solid bushing • Connecting rod bearing • Crankcase subassembly • Crankshaft and/or crankshaft bearing • Crankshaft front oil seal • Crankshaft gear or sprocket • Crankshaft pulley • Crankshaft rear oil seal and/or retainer (ATM) • Crankshaft rear oil seal and/or retainer (MTM) • Cylinder block • Cylinder head cover assembly • Cylinder head cover gasket • Cylinder head gasket • Cylinder head subassembly • Cylinder liner and/or shim • Drive plate subassembly (ATM) • Electric fuel pump assembly • Electronic control computer • Engine front mounting bracket and/or insulator • Engine oil pump assembly (OH) • Flywheel subassembly and/or hexagon bolt • Fuel feed pump • Fuel pump assembly and/or gasket • Injection pump assembly – Delivery valve and/or gasket – Injection pump camshaft – Injection pump camshaft bearing – Pneumatic governor diaphragm – Other internal parts • Oil filter bracket subassembly • Oil pan gasket • Oil pan subassembly • Piston ring set • Piston subassembly with pin • Pump drive shaft • Short block • Supercharger • Timing belt • Timing belt idler • Timing chain • Timing gear case assembly • Timing gear cover assembly • Transmission input shaft bearing (pilot bearing) • Turbocharger assembly • Valve lash adjuster • Valve lifter • Valve pushrod • Valve rocker shaft and/or arm and/or support • Valves and/or bushings • Valve adjusting screw • Valve rocker arm bushing • Water outlet and/or gasket • Water pump assembly and/or gasket • Water pump rotor kit and/or seal set • Water pump bearing

**MANUAL AND AUTOMATIC TRANSMISSION/TRANSAXLE** • Automatic transmission assembly – Governor assembly – O-ring (for front oil pump) – Oil seal (for front oil pump) – Oil seal (for manual valve lever shaft) – Torque converter assembly – Other internal parts • Manual transmission assembly – Countershaft bearing and/or countershaft – Countershaft gear – Engine mounting rear insulator and/or support – Extension housing gasket – Extension housing subassembly – Input shaft – Output shaft assembly – Synchronizer ring – Transmission case – Transmission case cover – Transmission solenoid – Type T oil seal (extension housing) – Type T oil seal (front bearing retainer) – Other internal parts • Hybrid Vehicle System (transaxle/motor/generator) – Transaxle mounts – Seals and gaskets – Other internal parts • Speedometer drive gear subassembly • Speedometer shaft and sleeve – O-ring and gasket • Transfer assembly – Front drive shaft oil seal – Output shaft bearing retainer and/or seal – Transfer case cover No. 2 – Transfer power take-off cover and/or gasket – Other internal parts

**PROPELLER SHAFT** • Center support bearing • Drive shaft assembly • Drive shaft assembly with intermediate shaft with center support bearing • Drive shaft intermediate assembly • Equipment drive shaft assembly • Hexagon bolt • Universal joint spider • Universal joint yoke subassembly with sleeve

**REAR WHEEL DRIVE** • Differential carrier assembly – Bearing (for drive pinion) – Differential carrier gasket – Differential carrier subassembly or rear axle housing – Differential case subassembly – Differential pinion and/or differential side gear – Differential ring gear and drive pinion kit – Differential side gear shaft subassembly – Oil seal (for differential carrier) – Rear axle shaft – Rear axle shaft bearing – Tapered roller bearing (for side bearing) – Type T oil seal – Universal joint flange – Other internal parts • Independent rear suspension type – Rear axle shaft – Drive shaft boot – Rear axle flange subassembly – Rear drive shaft assembly – Tapered roller bearing – Type T oil seal – Other internal parts • Rigid suspension type – Differential carrier cover – Differential carrier cover gasket – Rear axle housing assembly • Differential carrier assembly – Carrier oil seal – Differential carrier cover gasket – Differential carrier subassembly – Differential case – Differential pinion and/or side gear – Differential pinion bearing (front and/or rear) – Differential side bearing – Drive pinion and ring gear kit – Type T oil seal (for side gear shaft) – Universal joint yoke – Other internal parts and gaskets

**FRONT WHEEL DRIVE** • Front axle housing assembly and all internal parts • Front drive free wheel hub assembly • Front drive shaft assembly – Drive shaft boot – Front axle inner shaft • Front wheel bearings
