This is a service contract provided by **Mastria Automotive Group** (hereinafter referred to as **Mastria Automotive Group**), with stores located at 1255 New State Highway (**Mastria Subaru**), 1305 New State Highway (**Mastria Nissan**), 1525 New State State Highway (**Mastria Buick Cadillac GMC**), 1545 New State Highway (**Mastria Suzuki**) all in Raynham, Massachusetts.

Mastria Automotive Group is proud to stand behind its product. For every new or pre-owned vehicle sold for personal, household or family use (excluding commercial use or commercial vehicles) Mastria Automotive Group will provide you with replacement tires for your vehicle as long as your motor vehicle is brought to Mastria Automotive Group for all required maintenance. The motor vehicle must be serviced in accordance with the **Manufacturer's Maintenance Schedule**. The manufacturer scheduled maintenance must be done at any of the Mastria Automotive Group dealers. You must bring your motor vehicle to Mastria Automotive Group within 1,000 miles of the scheduled service requirements listed in the **Manufacturer's Maintenance Schedule** and have these services performed and documented. Tires must be rotated every 5,000 - 6,000 miles and alignments must be performed at least once per year or every 15,000 miles, whichever occurs first.

CONDITIONS: Your tires will be replaced when all four tires are at the wear bar or below the tread depth of 3/32nd. Your vehicle must have 100% of the maintenance performed by Mastria Automotive Group.

EXCLUSIONS: **Repair or replacement due to road hazard is not covered for OEM or replacement tires.** Any wear due to improper inflation or premature tire wear will not be covered. Warranty is excluded for all commercial vehicles and only applies to non-commercial. Tires not to exceed \$175 per tire. The tire pressure is recommended to be checked monthly.

TRANSFERABILITY: For NO FEE this service contract follows the motor vehicle described in it. Just have the new owners notify Mastria Automotive Group of the transfer.
