The Extended Limited Warranty plan may be prepaid upfront or paid in monthly installments with 0% financing, available through Service Payment Plan (SPP).

Additional benefits of the Mercedes-Benz Prepaid Maintenance plans when you bring your vehicle to us for service include:

- Measurable savings versus purchasing as you go*
- Potential increase in residual or resale value
- Greater convenience having paid for maintenance in advance
- Mercedes-Benz trained technicians using Genuine Mercedes-Benz Parts

Additional benefits of the Mercedes-Benz Extended Limited Warranty plan include²:

- Saves money and time on unexpected repairs; no deductibles, cumbersome paperwork or prior approvals required
- Protects vehicle value by preserving vehicle integrity
- Superior service from Mercedes-Benz trained technicians using Genuine Mercedes-Benz Parts
- Preferred appointment scheduling
- Complimentary car wash
- Shuttle service
- Complimentary alternate transportation if your vehicle needs to be kept overnight

*Savings may vary by dealer and model.

¹ Price effective on contracts purchased on 9/3/14 and forward on eligible vehicles and are subject to change at any time. Hybrids fall under their respective model tier. 15% percent surcharge applies after 30 days of original in-warranty service date.

² Does not include wear and tear replacement parts such as brake pads/rotors, unplanned repair expenses, or extra Service Advisor recommended services. Additional benefits listed are offered at the voluntary discretion of the selling dealer and may not be performed at another Mercedes-Benz dealership.
