What This Report Means to You - The Customer

Your purchase of a Mercedes-Benz vehicle demonstrates that you possess sound judgment and impeccable taste. This report shows that your newly acquired pre-owned Mercedes-Benz vehicle has been inspected and when required reconditioned to our exacting standards. Further, it is your assurance that you will receive the same considerate customer service that we provide to our new vehicle owners. You have selected one of the premier vehicles in the world you deserve nothing less. As part of the reconditioning process, body repairs may have been performed on your vehicle. Repairs of a cumulative value in excess of 10% of the vehicle's current market value are described in the Notes section of this form.

Instructions for Dealer

After completing the inspection and reconditioning secure all necessary signatures and maintain a copy in the service file. After you obtain customer signature, provide customer the original signed ICR and maintain a copy of the signed original in the sales file.
