Celebrating over 50 years of Miracles

Our mission is to provide youth, adults and families with an effective and comprehensive faith based solution to life controlling problems, enabling them to become productive members of society. By applying faith based principles, Teen Challenge endeavors to help people become mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive. Our Women's home was opened in 1994, and we are a full residential program. The student moves through four program phases working toward commencement and then transitions back into their community. Teen Challenge is one of the most successful faith-based recovery support programs in the world.

If you know someone that has been struggling with some type of addiction that has been controlling their quality of life and they want help... Please call us at 401-467-2970.

HOPE LIVES HERE...

For a half of century Teen Challenge has helped those trapped in addiction and despair rediscover their hope and life's purpose. Parents and children reunited. Marriages restored. Emotions healed. Yes, it's possible. Teen Challenge New England's 15 month residential recovery centers witnessed these life transforming miracles everyday because HOPE LIVES HERE!

FREEDOM IS FOUND HERE...

Some say once an addict always an addict. We don't, because our record demonstrates that addicts can be radically changed. They find freedom, become new creations, and begin new and meaningful lives. Once slaves to destructive habits, they discover a peace they'd never had thought possible. They're men and women who FOUND FREEDOM HERE!

CHANGED LIVES LEAVE HERE...

Every time a man or woman graduates from Teen Challenge, the drug culture loses and they win. Change does happen - lasting change - change that's making a difference in New England and around the world in nearly a 1,000 Teen Challenge Centers. Addicts once thought hopelessly lost, today are responsible husbands and wives, parents and children, and leaders in their churches, businesses, and communities. Celebrate with us the CHANGED LIVES THAT LEAVE HERE!

"Men and women who have lived wisely and well will shine brilliantly, like the cloudless, star strewn night skies. And those who put others on the right path to life will glow like stars forever."

Would You Consider
Sponsoring a Student?

\$1 a Day is All it Takes To
Change a Life

Teen Challenge New England has implemented a new program designed to provide assistance to underwrite the costs of care and mentoring our students. Many students come through our doors without any means of support.

By sponsoring one of the Teen Challenge New England students and providing the financial support of \$30 a month, just \$1 a day, you will help change the life of a student who is in need of freedom from life-controlling problems. Please contact us if you are interested in helping to change the life of a student. Thank You for your support of Teen Challenge New England and we look forward to partnering with you.

Please visit www.TCNEWENGLAND.ORG for our locations and more information.
