

Frontier Crew Cab SL shown in Super Black.

2011 NISSAN FRONTIER[®]

REFUSES TO COMPROMISE. Forge your way with an efficient mid-size body hugging a fully boxed ladder frame. 261 hp and 281 lb-ft of grunt as your guide. Single-minded ruggedness married to advanced technology. A spray-on bedliner when the catch of the day is a 400-lb. boulder – tied down with Utili-track[™] to make sure the rock doesn't roll. 6,500-lb. towing capacity to handle the toys.¹ Bluetooth[®] to handle the calls.² Just load up the Rockford Fosgate with 1,000 songs and aim for the horizon. You'll get there.

¹ See Nissan Towing Guide and Owner's Manual for proper use. ² Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone owner's manual for details. Cell phone not included. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under license.
