

# EDUCATOR REWARDS PROGRAM

## BECAUSE OUR FUTURE IS IN YOUR HANDS.

We here at Mitchell Subaru value the importance of our children's safety, prosperity, and well-being. We also recognize the role that our educators take in achieving those goals. You invest your time, your heart, and very often, your own resources into the quality of learning that our kids receive.

That's why, as part of the **Mitchell Community Connection** initiative, we honor our teachers, tutors and paraprofessionals with a gift card for \$100 from select retailers when they purchase any new or pre-owned vehicle from us.

It's something we can give back, for all you give to our daughters and sons: the drivers of tomorrow.
