

# FIRST RESPONDERS PROGRAM

## APPRECIATION FOR THOSE WHO ANSWER THE CALL.

When emergencies arise, there are a select few who drop everything and run to our aid. Their very lives revolve around the safety and well-being of ours.

That's why, as part of the **Mitchell Community Connection** initiative, we thank and honor the police, firefighters, and emergency medical teams

and their spouses by making their first payment up to \$500 on any new or pre-owned vehicle they purchase from us.

Mitchell Subaru thanks you for your dedication to our community, and we are better and safer for your service.
