

## YOU KEEP US HEALTHY, WE'LL KEEP YOU HAPPY.

As members of the health care profession, we at Mitchell Subaru know your value as people who work tirelessly to maintain our health and well-being. From doctors, to nurses, to hospital technicians and staff, our lives are in your hands.

That's why, as part of the **Mitchell Community Connection** initiative, we honor those hard-

working doctors, nurses, and other medical professionals with a \$250 Visa gift card when they purchase any new or pre-owned vehicle from us.

Subaru means love, and this is just one way we at Mitchell Subaru can love you back.
