

YOU'VE GOT THE MOST PRECIOUS PASSENGERS.

The health and safety of an infant is a parent's highest concern. Here at Mitchell Subaru, your peace of mind as a new or expecting parent is just as important.

That's why, as part of the **Mitchell Community Connection** initiative, we happily congratulate new parents with a \$250 gift card to Babies R' Us when

they purchase any new or pre-owned vehicle from us. We'll also test any car seat you have for safety compliance and compatibility with the car you're buying.

This is our way at Mitchell Subaru of welcoming two new arrivals into your family – your baby, and your new Subaru.
