

Moss Bros. Community Car Wash Insurance Requirements

Moss Bros. Auto Group requires a certificate of insurance from each organization that participates in the Community Car Wash Program. The insurance must be for a minimum of \$1,000,000 Garage Liability OR \$1,000,000 General Liability + Non-Owned Auto Liability. Moss Bros. Toyota must be named as an additional insured.

Garage Liability Insurance is insurance covering the legal liability of franchised and non-franchised automobile, truck, truck-tractor, motorcycle, recreational vehicle, and trailer dealers for claims of bodily injury and property damage arising out of business operations.

Certificates can be easily obtained by contacting your organization's insurance provider. Many non-profits will have the availability of single event insurance, which will be accepted as long as it meets the above requirements. In most cases, this will not require an additional expenditure on your organization's part to obtain.

The certificate of insurance must be secured in advance of your event and on file with Moss Bros. Toyota. Please mail to 12630 Motor Way, Moreno Valley, CA 92555 or fax to (951) 485-4142. You may also email to communitycarwash@mosssavings.com.

If you have additional questions, please contact communitycarwash@mosssavings.com.
