

The Power to Surprise

---

2017  
SORENTO

**SORENTO**

**MADE FOR  
[ LIFE'S ADVENTURES ]**

---

The look is so much more adventurous than anything you'd imagine for a vehicle this functional. It's the look of confidence, opening previously uncharted territory for you and your family. The performance further heightens your command, with three engines to choose from, including the sporty 290-horsepower 3.3L V6 GDI. Equally as important is the way it enables a wide range of your favourite pursuits, with available seven-passenger seating and a host of built-in convenience features, such as the available Smart Power Liftgate. The technology also blazes a trail of its own, with such innovative available driver awareness systems as Smart Cruise Control<sup>1</sup> and Blind-Spot Detection.<sup>1</sup> This is a bolder take on the utility vehicle – this is the 2017 Sorento.

---

IT MAKES ITSELF  
RIGHT AT HOME,  
WHEREVER  
YOU TAKE IT.

//////////

The 2017 Sorento fits beautifully into any landscape – anywhere from city streets to national parks. Different settings clearly bring out other aspects of its accommodating personality. And its flexible seating helps you make the most of any trip and any destination. No matter where it's headed, Sorento is sure to draw attention, with its wide stance and sculpted contours. A range of premium amenities complete the picture, with available features like Android Auto smartphone integration,<sup>5</sup> giving you access to Google Play Music, Google Maps and Google Hangouts messaging. Getting the idea of how Sorento represents a destination all its own?

//////////

# YOU'LL FEEL VERY WELCOME.

As soon as you enter the cabin of Sorento, you'll recognize that it's a very welcoming space. It offers genuine comfort for up to seven with the available seating package. It also makes room for a substantial amount of cargo, thanks to split-folding second-row seats, in addition to the available fold-flat third-row seat. Once you're on the road, you'll appreciate another defining trait – a truly quiet ride that's the product of features like an available sound-absorbing laminated windshield and front windows. Enjoy the ride. In the 2017 Sorento.

## SEATING FOR SEVEN.

The available third-row of seating increases the passenger capacity to seven. It combines with available quick-fold second-row seats for increased flexibility and easier loading and unloading.

## PANORAMIC SUNROOF WITH POWER SUNSHADE.

There's nothing quite like the feeling of spaciousness and breath of fresh air with the available panoramic sunroof. A power sunshade is included for quick and convenient operation.

## HEATED AND AIR-COOLED SEATS.

Heated first and available heated second-row seats allow adjustable comfort for driver and passengers. On warm days, the driver and front passenger can enjoy a cooling airflow through the front seat cushions and seat backs (available on SX models).

## UNDERFLOOR STORAGE COMPARTMENT.

You can store an emergency kit and valuables in the spill-proof tray under the cargo space floor (5-passenger models only).

## SMART POWER LIFTGATE.

The available hands-free Smart Power Liftgate opens when it senses your smart key – no hands or feet are required.

IT SOUNDS  
AS GOOD AS  
IT LOOKS.

There's a new world of style and technology inside Sorento. The tone is highly refined, with such upscale details as soft-touch surfaces and available premium amenities, such as the Nappa leather seats on the SX+ model. The latest in entertainment and information technology further enhances the driving experience. You can stream audio from your compatible Bluetooth<sup>®</sup>-enabled<sup>3,4</sup> device. You can also choose to add available premium technology features, such as the Infinity<sup>®</sup> by Harman surround-sound audio system with 10 speakers, a 178 mm (7-in.) Supervision instrument cluster with high-contrast graphics, and a voice-activated navigation system.<sup>4</sup> Sounds like your kind of vehicle.

**ELECTRONIC PARKING BRAKE.**  
For your convenience, the available electronic parking brake automatically releases when you shift out of Park.

**HEATED STEERING WHEEL.**  
Luxurious touches, such as a heated steering wheel are standard on Sorento EX models.

**MULTIMEDIA INTERFACE.<sup>4</sup>**  
Sorento SX models are equipped with Kia's sophisticated multimedia interface. It combines a dynamic display and brilliant graphics with touch-screen capabilities and speech recognition technology for precise control of multiple systems and functions. You can use your voice or the 203 mm (8-in.) LCD touch-screen to control the onboard navigation<sup>4</sup> and entertainment systems.

**115V POWER INVERTER.**  
With Sorento's available 115V power inverter, you can plug electronic devices, such as a laptop or a portable gaming console, right into the electrical power outlet.

**ANDROID AUTO<sup>5</sup>**  
Google and Sorento are made for each other, with a Google-themed environment in the available Android Auto smartphone integration system.<sup>5</sup> That's on top of other Google favourites like access to Google Play Music, Google Maps and Google Hangouts messaging. Want more? Visit the Google Play Store to download other great apps and tools to use with your Sorento.

GET FAR AWAY  
FROM THE  
EVERYDAY.

While Sorento very capably handles your everyday demands, it also raises the bar with a go-anywhere disposition and spirited performance that makes the journey a real joy. You have a choice between a 185-hp 2.4L Gasoline Direct Injection (GDI) engine and available 240-hp turbocharged 2.0L GDI or 290-hp 3.3L GDI V6. To go even further off the beaten track, Sorento offers the available Dynamax™ advanced all-wheel-drive (AWD) system that continuously monitors driving conditions and makes adjustments automatically to optimize grip. Go where you want the way you want – in the 2017 Sorento.

## DYNAMAX

### DYNAMAX™ ALL-WHEEL DRIVE.

The available Dynamax™ AWD system uses sensors to monitor road conditions and driving scenarios. When enhanced traction and control are required, the system helps distribute power to the appropriate wheels and also distributes torque during acceleration and cornering.

### SPORTMATIC® TRANSMISSION

A six-speed automatic transmission provides smooth, seamless shifting. Its Sportmatic® function allows you to choose the automatic mode or clutch-free manual shifting for a more controlled driving experience.

### EFFICIENT PERFORMANCE

The available 240-hp turbocharged 2.0L GDI engine and the 290-hp 3.3L GDI V6 deliver truly outstanding performance. They are also engineered for impressive fuel efficiency.

### SUBSTANTIAL TOWING CAPACITY

The available 3.3L Gasoline Direct Injection (GDI) V6 engine produces 290-horsepower and 252 lb.-ft. of torque, giving Sorento an impressive maximum towing capacity of 2,268 kg (5,000 lb.).<sup>12</sup>

### SMOOTH, PRECISE HANDLING

A four-wheel independent suspension features dual-flow dampers and a rear multilink design for smooth performance and precise handling.

# ENHANCED DRIVER AWARENESS. ADVANCED OCCUPANT PROTECTION.

Sorento offers advanced technologies that help the driver become more aware of potential hazards around the vehicle—such as available Blind Spot Detection.<sup>1</sup> Should an accident prove unavoidable, you can take comfort in the fact Kia has given the unthinkable a tremendous amount of thought. A series of passive safety systems are designed to help protect the passenger compartment – from a safety cage design that’s fortified with ultra-high-tension steel to a six-airbag SRS system. Clearly, the more thought Kia puts into Sorento’s safety, the greater your peace of mind.

Available SX+ interior

## ULTRA-HIGH STRENGTH

Sorento features a uniquely engineered body that combines various high-tensile strength steel alloys. The body structure not only helps provide excellent crash protection – it also contributes to better driving dynamics and to the remarkably quiet ride.

## 1. SMART CRUISE CONTROL.<sup>1</sup>

This available system uses a radar sensor at the front of the vehicle to monitor the distance to the vehicle ahead. To preserve a predetermined safe distance, the system will apply the brakes, reducing Sorento’s speed, until the vehicle ahead proceeds.

## 2. 360° CAMERA MONITORING SYSTEM.<sup>1</sup>

The available 360° camera monitoring system utilizes four cameras, located at the front, rear, and sides, to provide visibility all around the vehicle. This helps enhance the driver’s view when maneuvering into parking spaces.

## 3. BLIND SPOT DETECTION (BSD).<sup>1</sup>

This available system uses radar sensors to monitor approaching vehicles from the rear in the lanes flanking the driver. If a vehicle is detected, a visual alert appears on the sideview mirrors.

## 4. REAR PARKING SONARS.<sup>1</sup>

A sonar system is concealed in the rear bumper. When you back up, an audible warning is given if the system detects objects behind your vehicle.

# Delivering world-class quality.

Kia is committed to producing exceptional vehicles with superb quality and reliability to suit your driving needs. From compact to crossover, every Kia delivers an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems.

## TAKING ON THE COMPETITION

The Kia Racing team is dedicated to competing against world-class competition — and winning. That dedication is part of Kia's belief that the knowledge gained in competition can be applied to the entire Kia lineup to provide you with vehicles that perform beyond your expectations. The Kia Racing team includes championship-winning drivers with proven track records. Be sure to look for Kia in the winner's circle at racetracks across North America in the future.

## STUNNING DESIGN

Under the direction of renowned **President and Chief Design Officer Peter Schreyer** — Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia recognizable at first sight. Today, the lineup consists of vehicles that fill owners, as well as Kia's designers, with pride.

## EXTENSIVE RESEARCH AND DEVELOPMENT

Kia's R&D procedures are rigorous and exhaustive. At proving grounds around the world, vehicles undergo unrelenting tests. A world-class wind tunnel provides testing in winds up to 200 km/h. Utilizing heavy-rain- and-snowfall testing chambers and a road simulator, Kia puts its vehicles through punishing tests as part of a commitment to develop exceptionally durable and safe vehicles.
