

The Power to Surprise

2017  
RONDO

# MADE FOR [ URBAN VERSATILITY ]

//////////

Big on space and even bigger on style and personality. That's Rondo for 2017. The same versatility Rondo's famous for – and the same impressive capacity. Only now, Rondo has an even more dynamic presence, with redesigned exterior and interior features, like new available 18-inch alloy wheels, new front and rear lighting and bumper designs – as well as new carbon patterned interior trim. Ready to make an even bigger impression? Then you're ready for the 2017 Rondo.

### BLIND SPOT DETECTION SYSTEM<sup>3</sup>

Sensors monitor the side and rear for vehicles approaching your blind spots. Visual alerts are provided on the outside mirrors and instrument cluster; an audio alert is sounded when necessary. Standard on EX Premium and EX Luxury models.

### MULTIMEDIA INTERFACE

Rondo EX Premium and EX Luxury models are equipped with Kia's sophisticated multimedia interface. It combines a dynamic display and brilliant graphics with touch-screen capabilities and speech recognition technology for precise control of multiple systems and functions. You can use your voice or the touch-screen to control the onboard navigation<sup>2</sup> and entertainment systems.

### HEATED AND AIR-COOLED SEATS

Every 2017 Rondo comes with standard heated front seats and available heated rear seats. For added comfort in warm weather, Rondo EX Luxury is equipped with an air-cooled driver's seat that circulates refreshing air through the perforated leather seating surfaces.
