

Honda Ridgeline

2019

Beyond the force of nature.

The Ridgeline is stacked with power and agility to turn any trip into an adventure, whether you're forging a mountain byway or cruising down the open highway.

Ultimate Power

- Powerful 3.5-liter, i-VTEC® V-6 engine
- 6-speed automatic transmission
- 280 hp¹ and 262 lb-ft of torque¹
- 25-mpg highway rating*

Ridgeline AWD RTL-T shown in Lunar Silver Metallic with accessory roof rails and running boards.

Honda reminds you to properly secure cargo items.
*18 city/25 highway/21 combined mpg rating for AWD models. Based on 2019 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions and other factors.

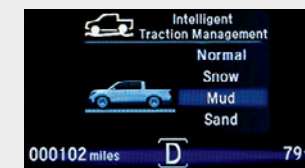

The superior pickup.

Ridgeline dominates the road with a smooth ride, incredibly sharp handling and a spacious cargo bed for all your gear.*

Ridgeline RTL-E shown in Modern Steel Metallic with accessory cargo net.
Opposite page: Ridgeline AWD RTL-T shown in Lunar Silver Metallic with accessory roof rails and running boards.

*Honda reminds you to properly secure cargo items.

Tackle virtually any terrain with the push of a button. Ascend a sandy hill. Drive up a snowy mountain pass. Navigate a rain-soaked dirt road! Nothing intimidates the Ridgeline driver's confidence.

- Intelligent Traction Management
- Fully independent multi-link rear suspension
- Rigid lightweight unibody design
- Available intelligent Variable Torque Management™ AWD System

*Snow mode only on 2WD models. Snow, Mud and Sand modes on AWD models.

Innovation for miles.

We didn't set out to build a typical pickup truck. Instead, we designed a capable pickup that could only come from Honda, the stylish yet smart Ridgeline. With a roomy five-passenger cabin and the most passenger volume in its class, it surpasses standard in every way.

Smart Features

- Dual-action tailgate
- Lockable In-Bed Trunk®
- Truck-bed power outlet*
- Truck-bed audio system*

*Available feature. Please refer to specs for actual trim application.

Ridgeline RTL-E shown in Modern Steel Metallic with Black Leather.

Honda reminds you to properly secure cargo items.

Ridgeline RTL-E shown with Gray Leather.

The Ridgeline is thoughtfully crafted to provide a unique, modern truck experience. Its spacious, comfortable cabin is complemented with upscale amenities and an array of available technologies at your fingertips.

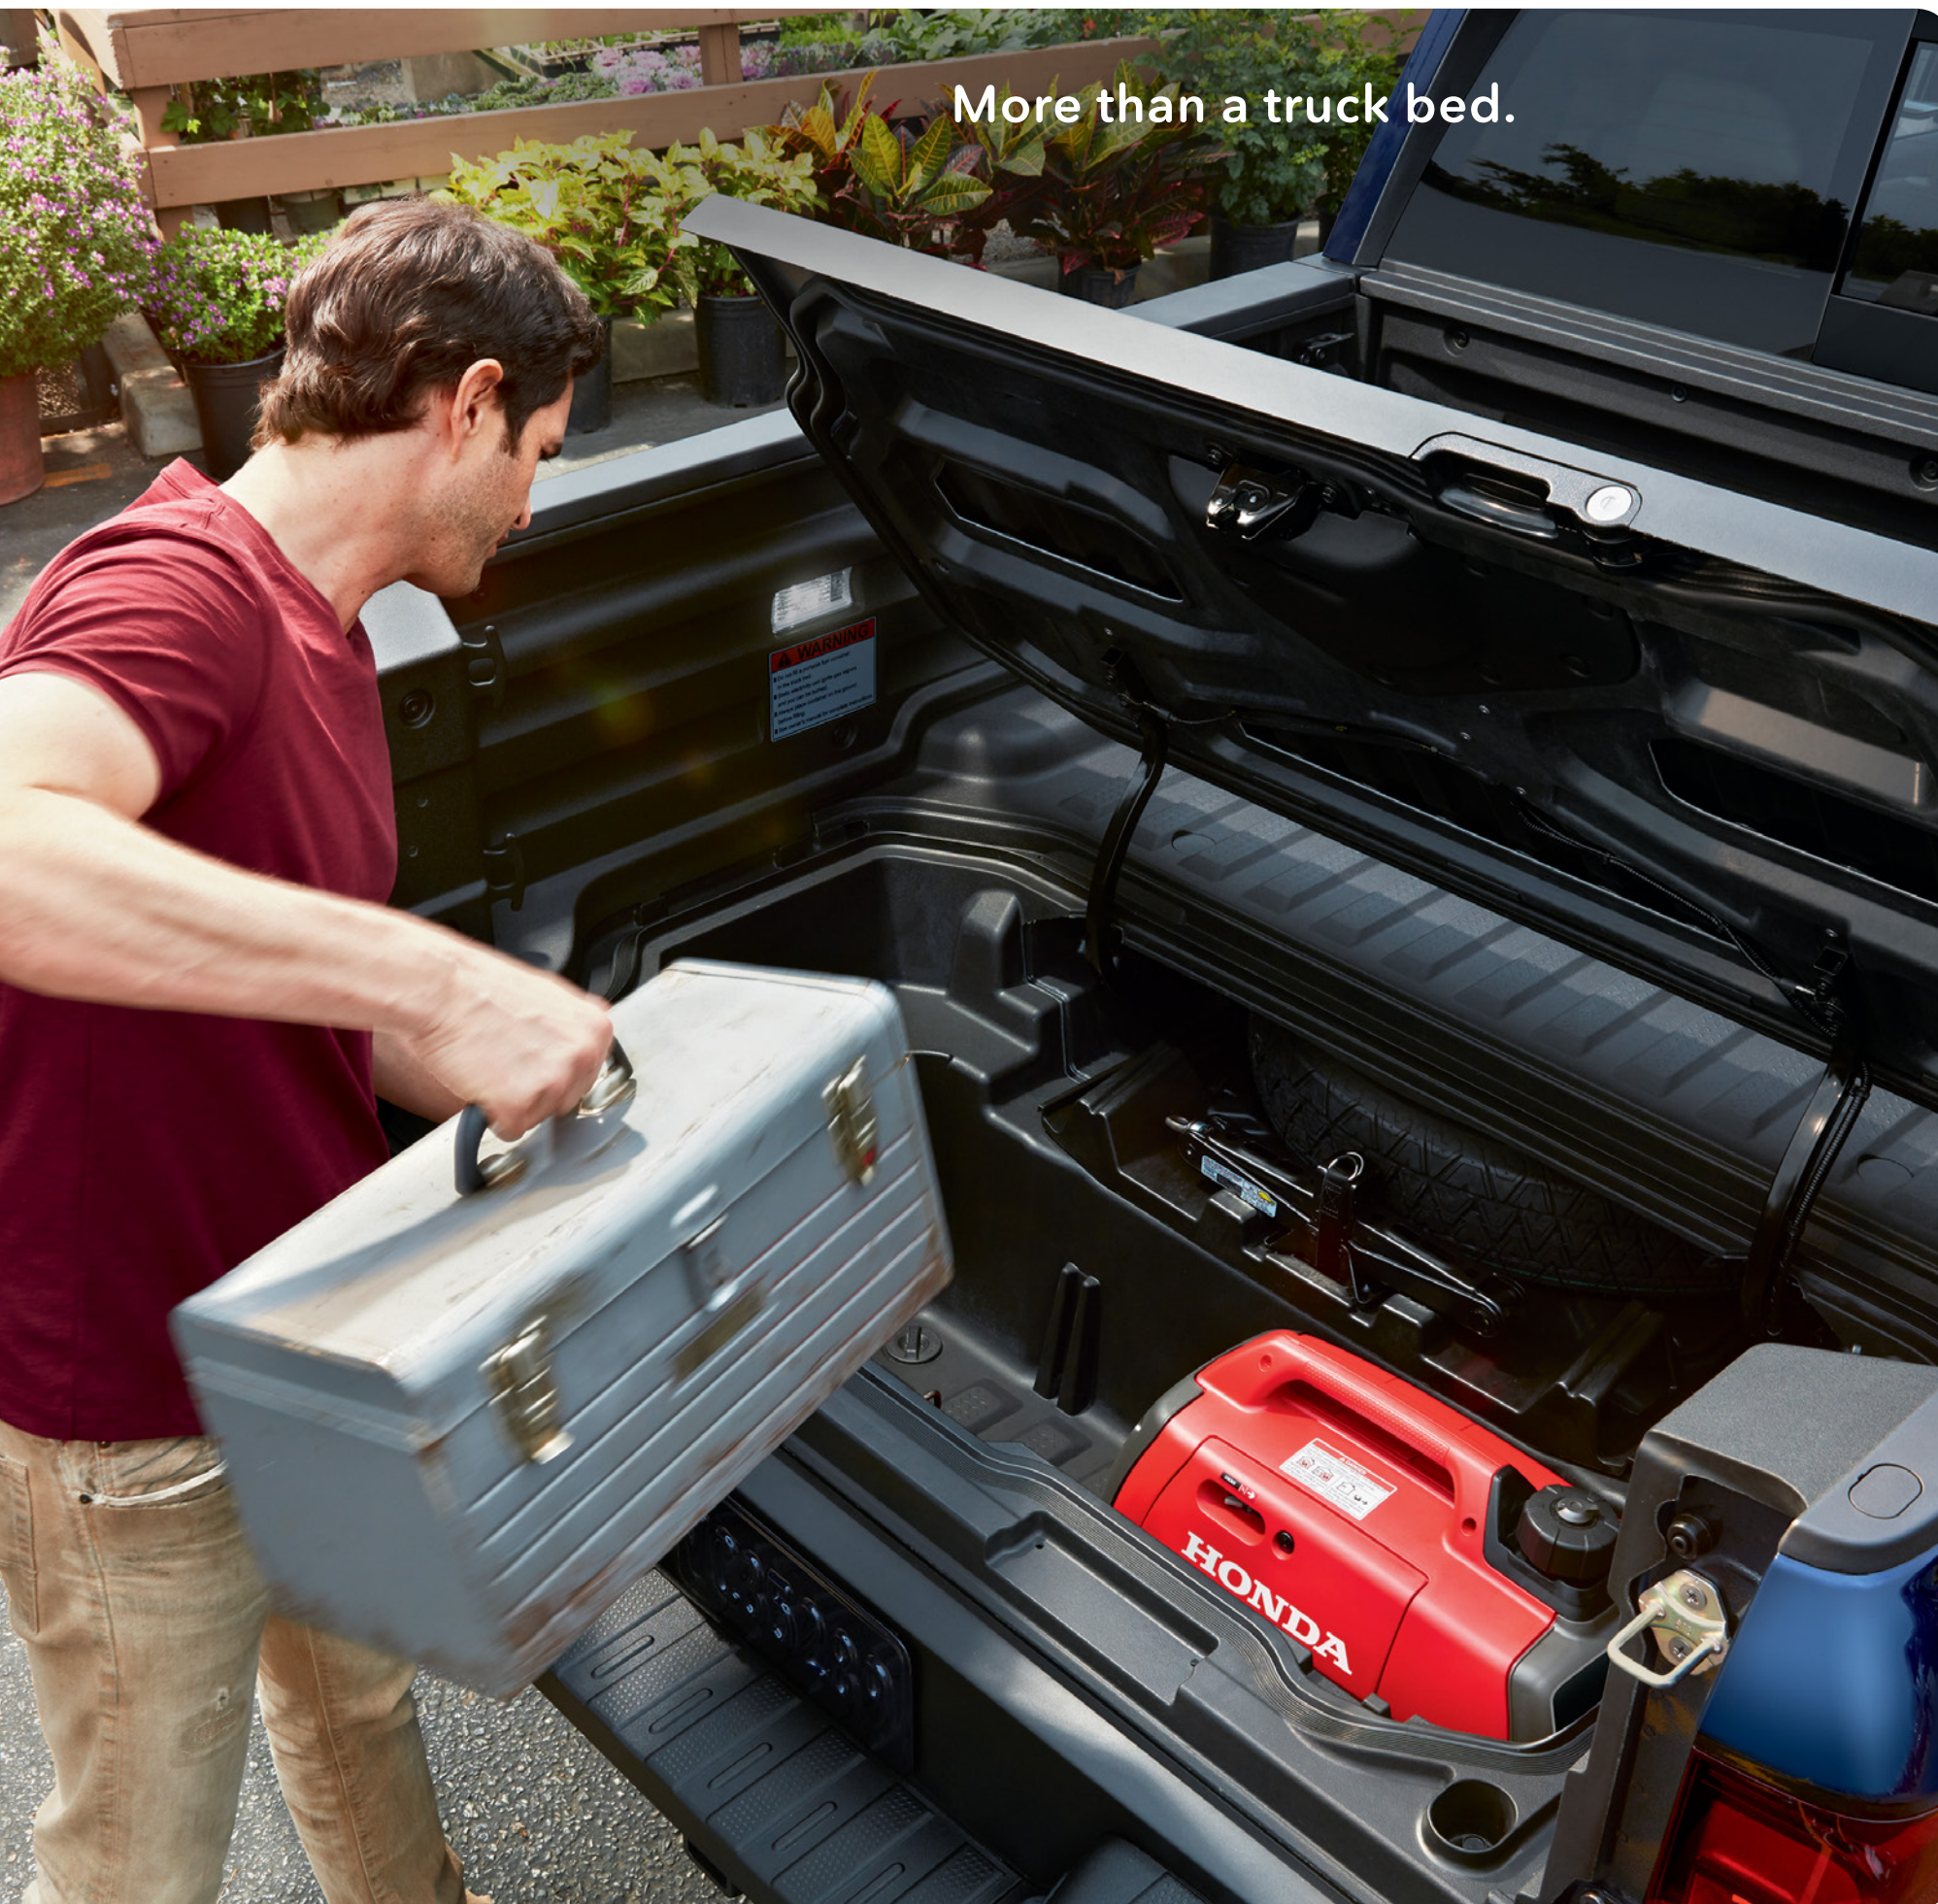

Intuitive Interior

- Remote engine start*
- Tri-zone automatic climate control system*
- Android Auto™² integration*
- Apple CarPlay™³ integration*
- Heated steering wheel*

*Available feature. Please refer to specs for actual trim application.

Ridgeline RTL-E shown with Gray Leather.

More than a truck bed.

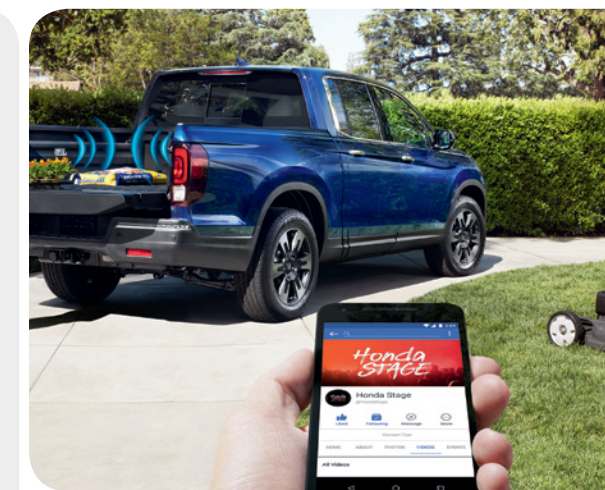

Innovation in the Ridgeline goes way beyond the cabin. Each element pushes the limit of what a truck can do to advance its function and expand your possibilities.

Truck-Bed Audio System*

- Six exciters in the truck bed walls allow for maximum sound
- Bluetooth® compatible
- Control from your smartphone†

*Available feature. Please refer to specs for actual trim application.

In-Bed Trunk

- Only pickup with a lockable trunk
- 7.3 cubic feet of secure storage⁵
- Use as a cooler or to stow your dirty gear
- Drain plug for quick water removal and easy cleaning

Dual-Action Tailgate

- Easy access to the In-Bed Trunk
- Open tailgate to the side or straight down
- No protruding wheelwells
- Haul large, flat items like sheets of plywood**

Maximum Versatility

- 60/40 split lift-up rear seat with underseat storage
- 8 heavy-duty truck bed tie-down cleats rated up to 350 lbs
- Multi-functional center console storage
- 12-volt power outlets in the front and center consoles

Ridgeline RTL-E shown in Obsidian Blue Pearl.

Nexus 5X is not included. †Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked. **Honda reminds you to properly secure cargo items.

Expand your view.

Open your eyes. The Ridgeline is equipped to take you places you've never seen. Head out for an adventurous mountain trek or a cross-country escape. Along the way, the modern Ridgeline is always looking out for you, with innovations to improve stability, handling and visibility.

Technology Inside and Out

- Multi-angle rearview camera⁶
- Honda LaneWatch™^{7*}
- LED low-beam headlights*
- Blind Spot Information System (BSI)⁸ with Cross Traffic Monitor^{8*}

*Available feature. Please refer to specs for actual trim application.

Opposite page: Ridgeline AWD RTL-T shown in Lunar Silver Metallic with accessory roof rails.

Honda
SENSING

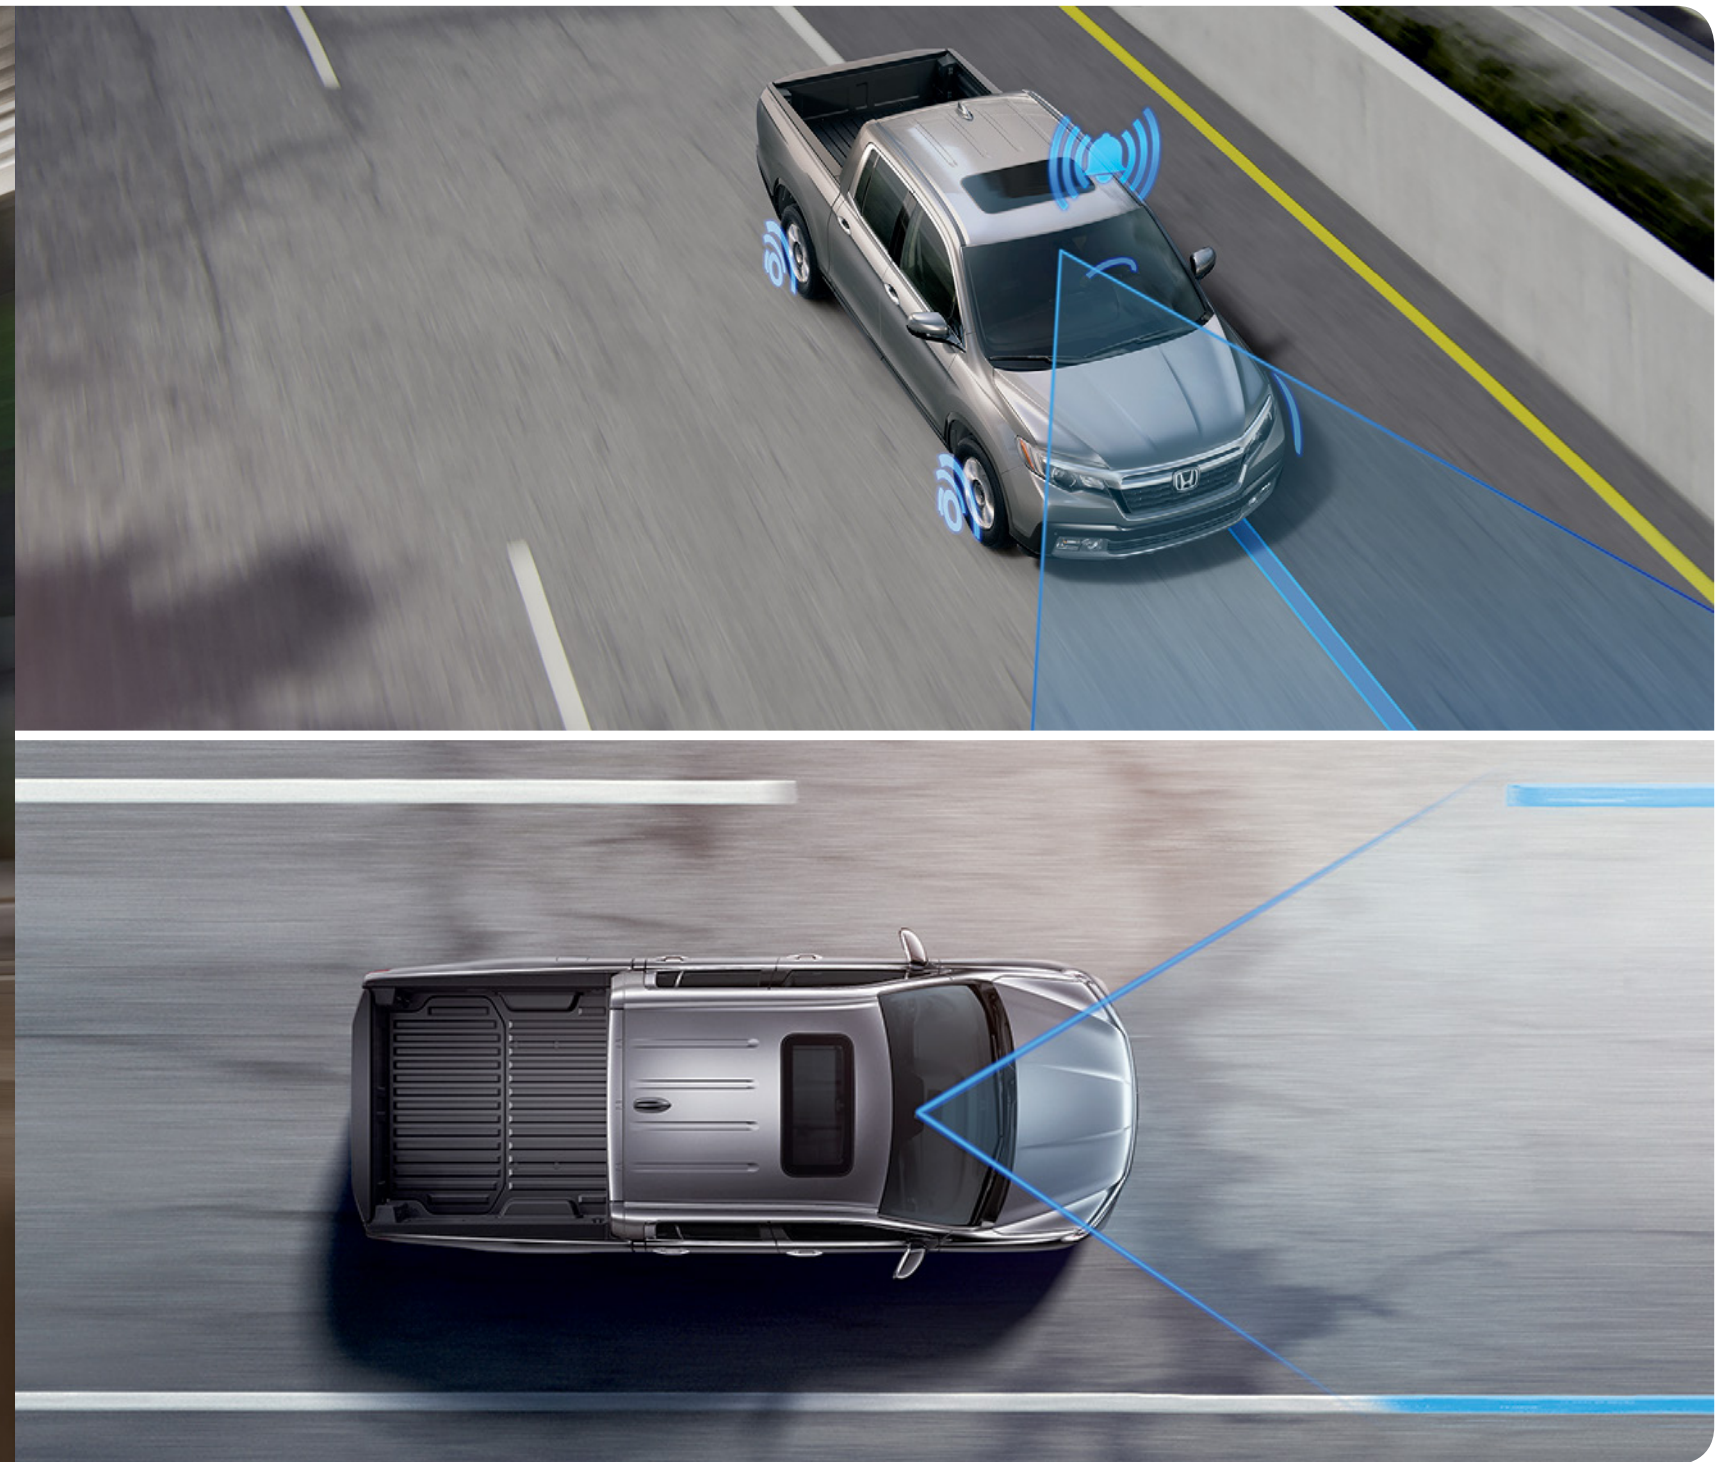

Built for what-if.

Even the most attentive of drivers can miss things. That's why the Ridgeline is equipped with available Honda Sensing,[®] a full suite of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

Ridgeline RTL-E shown in Deep Scarlet Pearl.
Opposite page: Ridgeline RTL-E shown in Lunar Silver Metallic.

*RTL-E, Black Edition.

Collision Mitigation Braking System™ (CMBS™)*

CMBS can help bring your Ridgeline to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.*

Road Departure Mitigation System (RDM)¹⁰ (upper image)

RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane or provide braking to help keep from leaving the roadway entirely.*

Lane Keeping Assist System (LKAS)¹¹ (lower image)

With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Ridgeline centered in a detected lane.*

Adaptive Cruise Control (ACC)¹²

ACC helps you maintain a set following interval behind detected vehicles for highway driving.*

Premium Black Edition

What happens when you take a sophisticated pickup and give it special features and finishing touches? You get the super-sleek Ridgeline Black Edition. It just might be the most refined pickup ever.

Exclusive black and red highlights.

Sharp, glossy details and unique lighting distinguish this already impressive truck.

- Perforated black leather-trimmed seats with red under-fabric and red stitching
- Red backlighting on the Display Audio touch-screen
- Gloss black finish on wheels, window trim and grille
- Red interior ambient LED lighting in footwells, door pulls and center front beverage holder

Ridgeline Black Edition shown in Crystal Black Pearl with Black Edition Leather-trimmed seats with Red Accent.

Accessorize your Honda.

Follow applicable load limits and loading guidelines. ⁶ Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ⁷ Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. ⁸ The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁹ CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁰ Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹¹ LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹² ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function; driver remains responsible for slowing or stopping the vehicle to avoid a collision. ¹³ 3-Year/36,000-Mile Limited Warranty, 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ¹⁴ The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details. ¹⁵ HomeLink[®] is a registered trademark of Genetec Corporation. ¹⁶ Check the HondaLink[®] website for smartphone compatibility. ¹⁷ Compatible with select phones with Bluetooth[®]. Your wireless carrier's rate plans apply. State or local laws may limit use of texting feature. Only use texting feature when conditions allow you to do so safely. ¹⁸ SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel.
