Key Replacement

Convenient protection
against the cost of key
remote loss or damage

ASSURANT[®]

Protection for the road ahead

So you've just been handed the keys to your new car. And you're ready to hit the open road. But you know life can sometimes throw you a curveball. **You might lose or damage your key or key remote.** And replacing a key remote and programming can be costly.

Replacing a lost key remote can be inconvenient and expensive. Assurant Vehicle Care Key Replacement helps take the worry out of lost or damaged key remotes. It will repair or, if nonrepairable, reimburse you for the cost of damaged, lost, or stolen keys including any programming.

Cost-effective

Affordable protection helps you save money on out-of-pocket repair or replacement of your key remote

Flexible

Offers you a choice of deductible, so you'll get coverage that makes sense for your budget

Complementary

Includes substitute transportation reimbursement if you're ever without your vehicle during covered repairs

Coverages described above may be subject to a deductible and may vary by dealer, lender, and/or state.

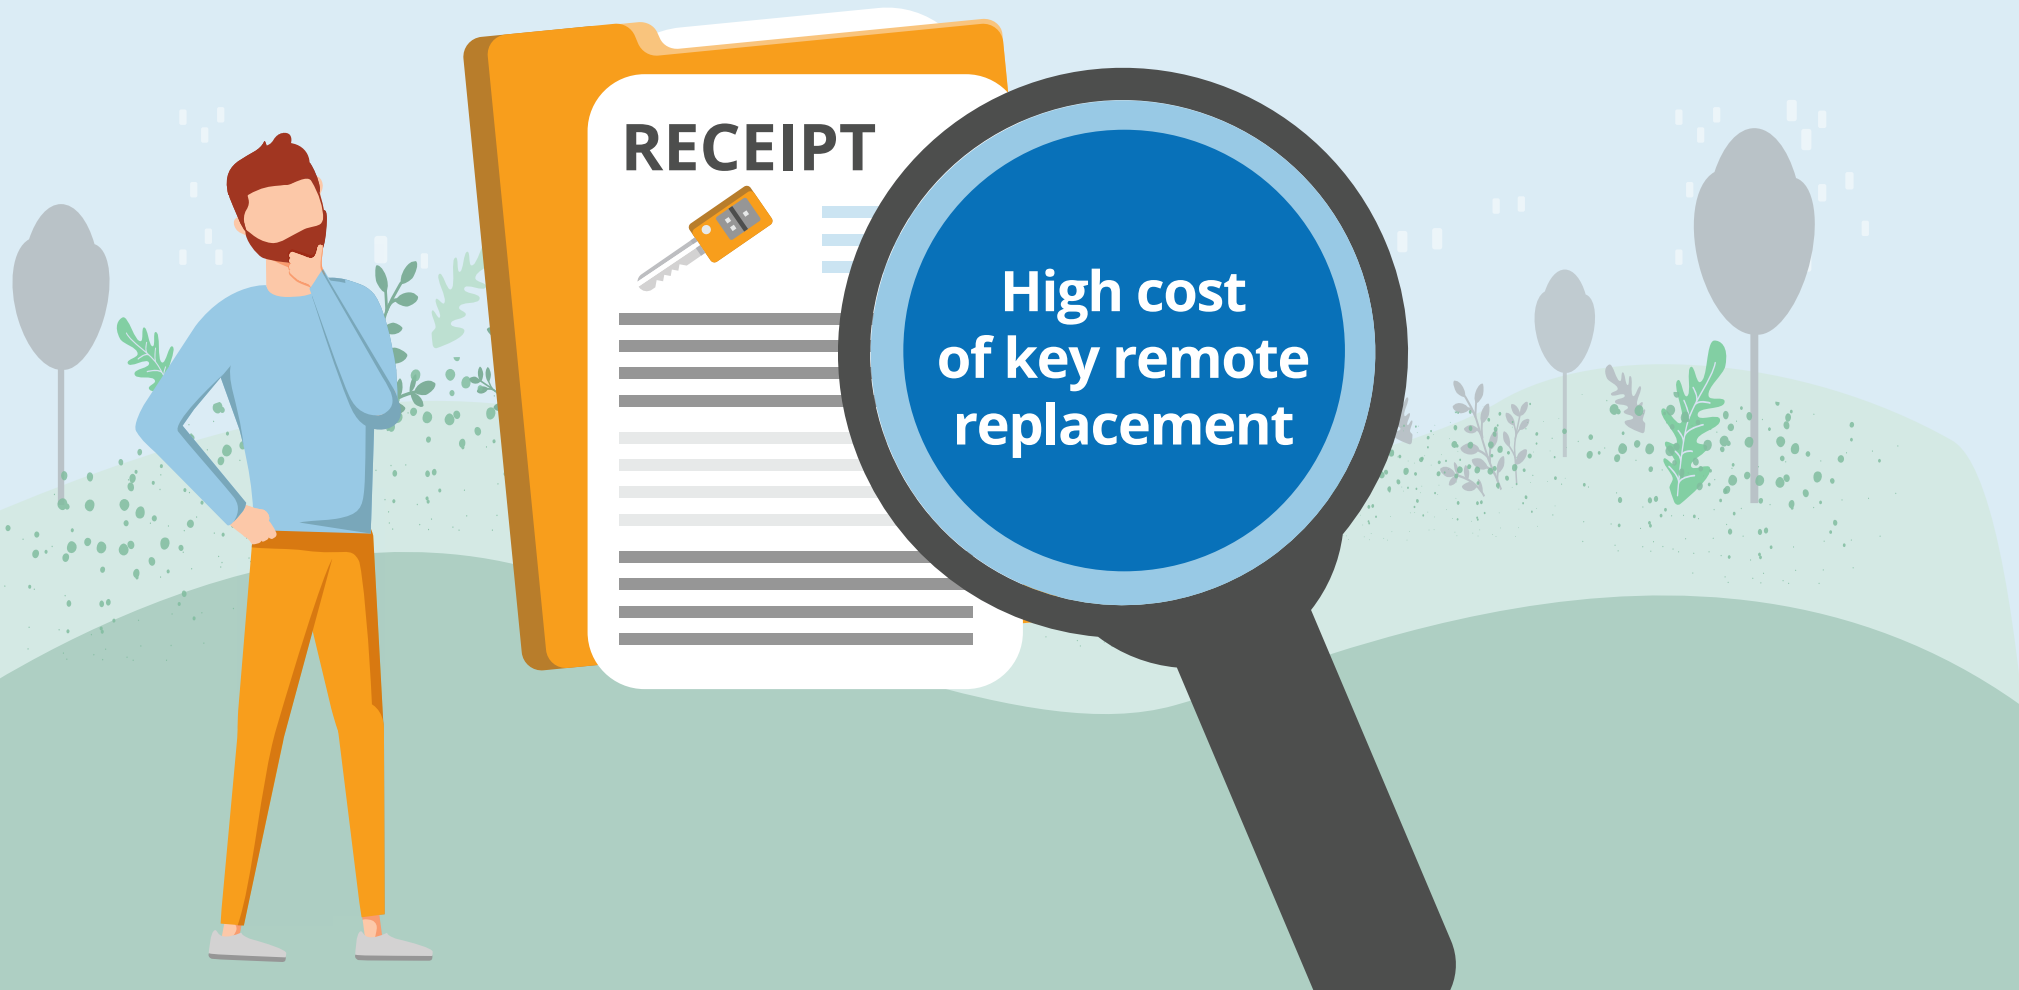

Keep your wallet protected against the cost of key and key remote loss.

Additional Benefit

Key Replacement also provides complementary protection if you're without your vehicle during covered repairs. And your additional benefit begins at signing.

- ✓ Includes substitute transportation reimbursement up to \$40 for a maximum of one day starting on the first day of covered repairs if the vehicle is held by a repair facility for a covered repair; transportation receipt required
 - Substitute transportation includes renting a car from a licensed rental facility, qualified ride-hailing service, taxi, or other public transportation service

Limitations of Coverage:

The purchase of this product is optional. The information in this brochure is for illustrative purposes and provides general information about the Key Replacement Vehicle Service Contract and should not be relied upon when purchasing coverage. Certain conditions and components are excluded, such as pre-existing conditions, manufacturer's defects, repairs covered by your primary insurance coverage, weather-related hazards, commercial vehicles, normal wear and tear, and vehicles used for racing. Additionally, if only one set of keys was delivered at the time of purchase, then only one key is covered. **Replacement parts may be new, used, non-OEM, or remanufactured.** All exclusions may not apply in every state, coverages may not be available in all states, and a deductible may apply.

Please review the Key Replacement Vehicle Service Contract for exact coverage, exclusions, and limitations.
