How can GAP help protect you?

If your vehicle is declared a total loss due to an accident, theft, or natural disaster, your primary insurance company may only pay you for the amount equal to their assessment of the market value of your vehicle at the time of the total loss, less your deductible amount. Unfortunately, there may be a significant “gap” between what your primary insurer pays and the balance you owe on your vehicle finance agreement.

The Guaranteed Asset Protection (GAP) product may help protect you by waiving some or all of the difference.¹

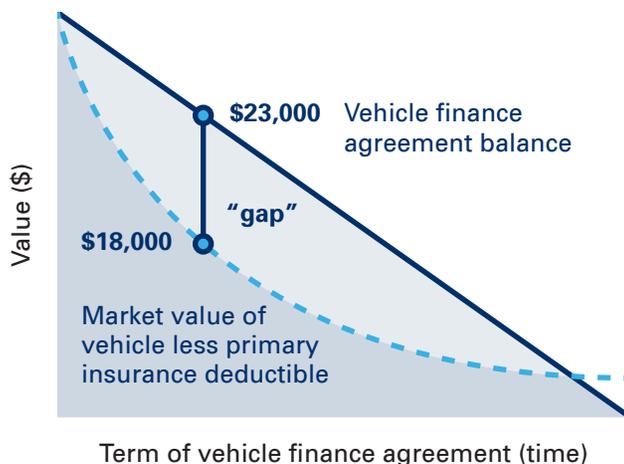

GAP BENEFITS¹

- Waives some or all of the “gap” due to a covered total loss
- No maximum dollar amount on covered losses waived
- Includes coverage for your primary insurance deductible up to \$1,000²

HOW GAP HELPS PROTECT YOUR INVESTMENT

Here’s an example of how a GAP product may help cover a vehicle declared a total loss:¹

Primary insurance assessment of vehicle market value at time of total loss	\$19,000
Primary insurance deductible	– \$1,000
Market value of vehicle less primary insurance deductible	\$18,000
Outstanding finance agreement balance at time of total loss, assuming all payments were made on time	\$23,000
Potential amount you owe	= \$5,000
Waived by GAP	– \$5,000
Out-of-pocket expenses with GAP	\$0

The example above is for illustrative purposes only. Actual GAP waiver benefit calculations will vary based on your specific circumstances and may not result in a GAP waiver benefit. Primary insurance deductible coverage is available up to \$1,000, and may not be available in all states.

COVERAGE EXCLUSIONS MAY APPLY³

- Any amounts owed on your vehicle finance agreement resulting from late charges, or from missed or late payments
- Total losses resulting from dishonest, fraudulent or illegal acts (such as DUI) by customer, customer’s family member, or other person acting under customer’s authority
- Vehicles used for competitive racing or for a prohibited commercial purpose
- If the customer has refinanced the original vehicle finance agreement or the original covered vehicle
- The following deductions taken by the primary insurer: prior damage, salvage, missing items, excess towing, custom equipment, and storage

1. Please refer to your Addendum for details. GAP programs vary by dealer/lender/state of purchase. Maximum eligibility limits, coverage limits, and exclusions apply. Note that you remain responsible for past due payments, late fees, other charges on your vehicle finance agreement, and any other amounts that are not covered by the GAP product.

2. Primary insurance deductible coverage is not available in all states. See state-specific provisions in your Addendum for complete details.

3. Additional exclusions may apply. Please see your Addendum for specific coverage details, including limitations and exclusions.
