

MOTORCYCLE COMPETITION OF EXCELLENCE

Sponsored by New Orleans Harley-Davidson

Ernest N. Morial Convention Center - Jan. 27-29, 2012

OVERALL BEST OF SHOW = \$1000 Cash Award* & Trophy PEOPLE CHOICE – Awarded through attendee votes – Trophy

This show is organized like no other motorcycle competition you have ever been in. There are 34 judged classes in eleven groups. Entries first are judged in their class and best in class then moves to group judging. The winners of the classes within a group are judged against each other and the winner of the group gets the cash award. There is no second place at the group level. The winners of the eleven groups then compete for Best in Show and the \$1000* cash prize and trophy.

Awards are: at class level framed certificates for winner of class and second place, at group level a plaque and cash award and Best in Show gets a trophy and cash award.

There are also Special plaques for categories presented by the show promoters and New Orleans Harley-Davidson. In addition all bikes entered in all classes regardless of any other achievements are eligible for the People Choice Award, a Trophy based on the number of votes each bike receives. There is no cash award for People Choice.
