2. With 17-in. Dark Argent Metallic-painted cast-aluminum wheels and all-terrain tires, Z71 4x4 is trail-ready.
3. It’s an easy step up to Colorado with the ingenious CornerStep rear bumper.
4. Corner hand grips are standard and cargo tie-down rings are available from Chevrolet Accessories.
Colorado LT interior in Jet Black with available features.

A PERFECT FIT. ANYWHERE YOU TAKE IT.
1. Ingenious child safety seat extension in Extended Cab models accommodates most child seats.

2. Two USB ports and two charge-only USB ports are standard on LT and Z71.

3. Crew Cab models feature a fold-down rear seat with hidden under-seat storage (shown at left).

*Not compatible with all devices.*
Available Chevrolet MyLink® lets you arrange icons and features on the 203 mm (8-in.) diagonal colour touchscreen. Touch and swipe on the screen just like you do on your smartphone. Charge on. With two available USB ports¹ and two charge-only USB ports to connect compatible phones, tablets and other portable devices, you can stay in touch with your world.

Connect your smartphone. Pair up to 10 compatible Bluetooth® enabled devices with Chevrolet MyLink and access your contacts list, take phone calls and play your favourite music — all by using enhanced voice recognition or the 203 mm (8-in.) diagonal colour touch-screen display.

Store 60 favourites. Available Chevrolet MyLink® allows you to store up to 60 favourites, including radio stations, contacts and destinations (requires available Chevrolet MyLink® with navigation).

Intuitive Technology Always Close at Hand.

1. Siri Eyes Free and steering wheel-mounted controls let you access your compatible iPhone® using Bluetooth wireless technology.
2. Download the OnStar RemoteLink™ and myChevrolet mobile apps to your smartphone to remotely start your Colorado (requires available factory-installed and enabled remote vehicle starter system), lock and unlock your doors, locate your vehicle and more.
3. Customize settings on the available Chevrolet MyLink® 203 mm (8-in.) diagonal colour touch-screen.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Colorado does not include CD player. Visit MyLink.Chevrolet.ca for more details.
²Not compatible with all devices.
³Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. Available on select Apple, Android, BlackBerry and Windows phones. Available on certain 2015 model years and above by vehicle; please visit myChevrolet.ca/phoneapp for details and precise vehicle availability.
⁴Available on select Apple, Android, BlackBerry and Windows phones. Requires Apple or Android platform. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca/mobile for vehicle availability, system limitations and further details.
⁵Requires Apple or Android platform.
Colorado LT Crew Cab in Cyber Grey Metallic with available features and dealer-installed Chevrolet Accessories.

2 Requires available 3.6L V6 engine.

3 Based on WardsAuto.com 2014 Small Pickup segment and latest competitive information at the time of printing. Excludes other GM models.

4 Requires available 3.6L V6 engine and available Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce how much you can tow.

200-HP 4-CYLINDER ENGINE. This engine features a dual overhead cam design working with continuously Variable Valve Timing and Direct Injection, enhancing performance in the city and on the highway. The 2.5L engine highway fuel consumption rating is 8.8 L/100 km.

305-HP 3.6L V6 ENGINE. This available engine delivers best-in-class horsepower. Direct Injection provides a more complete combustion of fuel, which helps improve efficiency and power. Variable Valve Timing consistently boosts power by providing near-peak torque over a wider rpm range. It also contributes to Colorado having a city fuel consumption rating of 13.0 L/100 km and a highway fuel consumption rating of 9.2 L/100 km.

6-SPEED AUTOMATIC TRANSMISSION. An electronically controlled 6-speed automatic transmission with Tow/haul mode and auto grade braking is standard on Crew Cab, Z71 and LT models.

BEST-IN-CLASS TOWING? A properly equipped Colorado with the available 3.6L V6 engine can tow up to 3175 kg (7000 lb). That’s full-size capability in a more manoeuvrable package.

FULLY BOXED FRAME. This rugged foundation provides maximum hauling capability while isolating noise and vibration. Strategic use of advanced high-strength steel reduces mass.

STRONG AND SMOOTH-RIDING. With a coil-over-shock front suspension, rear leaf springs, asymmetric rear shock placements and a wide track, Colorado is solid, smooth and capable—loaded and unloaded.

TRUCK-PROVEN TECHNOLOGIES. Electric power steering, 4-wheel disc brakes and long-lasting DuraLife™ brake rotors deliver a confident drive. A class-exclusive™ automatic locking rear differential is available.

UNRIVALED CAPABILITY IN A MID-SIZE TRUCK.
**SAFETY**

**THE MOST ADVANCED SAFETY PACKAGE OF ANY MID-SIZE TRUCK.**

**HIGH-STRENGTH STEEL FRAME.** The all-new ladder-type frame is made from 93% high-strength steel and ultra high-strength steel for enhanced occupant protection and reduced mass.

**ROLL-FORMED STEEL PICKUP BOX.** A roll-formed steel pickup box with advanced high-strength steel is stronger and lighter than traditional stamped-steel designs.

**SIX AIRBAGS.** Every 2015 Colorado offers six standard airbags. Sensors determine how many airbags deploy — including side airbags for the driver and front passenger.

**THE SECURITY OF ACTIVE SAFETY.**

Available Forward Collision Alert and Lane Departure Warning. A rear vision camera is standard on all models. This is class-leading safety technology.

**STANDARD STABILITRAK.** The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and traction control.

**SAFETY STARTS WITH YOU.** Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Colorado Owner’s Manual for more important safety information.

**TRAVEL WITH CONFIDENCE.** A host of available innovative driver assist technologies use strategically located cameras and radar sensors to help warn you of potential risks on the road — or even in a parking lot.

**AVAILABLE SAFETY PACKAGE.** This package, available on LT models, includes Forward Collision Alert and Lane Departure Warning. A rear vision camera is standard on all models. This is class-leading safety technology.

**AVAILABLE SAFETY PACKAGE.**

1 Based on WardsAuto.com 2014 Small Pickup segment and latest competitive information at the time of printing. Excludes other GM vehicles.

2 A rolling inflation can cause severe injury or death. Become too close in the vehicle when it deploys. Do not allow any occupant to properly wear a seat belt if they are in the vehicle when the inflation occurs. See the Owner’s Manual and the child safety seat instructions for more safety information.
