Volt in Silver Ice Metallic
with available features.

**CHEVROLET VOLT:
THE FIRST EXTENDED-
RANGE ELECTRIC VEHICLE.**

Ready to test the limits of how far an electric vehicle can take you? With its ingenious propulsion system, Volt lets you drive on pure electricity for your everyday commute¹ and seamlessly switches to gasoline for longer trips. In just four years, Volt has earned more accolades and more “best buy” awards than any other electric vehicle on the planet. No wonder it’s Canada’s best-selling plug-in.²

FIND NEW ROADS™

¹ Even with a fully charged battery, the gas-powered electric generator may be required in cold ambient temperatures. ² Based on New Vehicle Registrations March 2011–May 2014.

**“CHEAT THE WIND WHILE
DELIGHTING THE EYES.”**

— KELLEY BLUE BOOK'S KBB.COM¹

Volt in Summit White
with available features.

TURN HEADS FOR THE RIGHT REASONS.

The exterior design of Volt transcends the usual quirky, unique-for-the-sake-of-uniqueness styling of most electric vehicles. Volt is designed to look like a car, and a good-looking one at that. Bold lines, complementing an aggressive posture, are sculpted with powerful purpose. This smooth exterior contributes to the wonderfully quick and agile performance.

AERODYNAMIC ATTRACTION. Chevrolet designers spent countless hours in the wind tunnel to shape everything from the unique closed front grille to the steeply raked windshield and aero-formed rear spoiler. This attention to detail gives Volt an extremely low drag coefficient. So as it slices through the air, Volt can travel up to 61 kilometres² without using a single drop of gas.

EXTRA DISTANCE. Volt isn't just a car for the commute. When the gas-powered generator kicks in, producing electricity to power the motor, it can extend the range of Volt hundreds of kilometres.

¹ From 2013 Chevrolet Volt Review on Kelley Blue Book's www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. ² Full charge required. Your actual range will vary based on conditions.

INTERIOR DESIGN

Volt interior with available Jet Black leather appointments with Ceramic White accents.

MISSION CONTROL. This unique cockpit-inspired design incorporates a full centre console and four bucket seats. Included are two 178 mm (7-in.) diagonal colour LCD screens – one in the

Driver Information Centre behind the steering wheel and another in the centre stack that provides efficiency feedback, available rear vision camera display and entertainment options.

PLEASANT SURPRISES THROUGHOUT. You'll find cupholders, storage bins, door panel storage, and even an umbrella pocket and a dedicated space for the standard 120-volt charging cord.

ENERGY-EFFICIENT BOSE AUDIO. Get incredible sound from an available 7-speaker Bose® sound system with subwoofer. This system is 30% smaller, 40% lighter and uses 50% less energy than comparable Bose systems.

INNOVATIVE SPACE WITH INTERIOR COMFORT AND CONVENIENCE.

1. The split rear seats can be folded to provide even more cargo room.
2. Take advantage of the interior acoustics with the available Bose speaker system.
3. Keep your phone close and fully charged with the centre console USB port!

¹ Not compatible with all devices.

“VOLT REMAINS THE STANDARD FOR CARS THAT COMBINE PLUG-IN BATTERY-ELECTRIC POWER WITH A GAS ENGINE.”

— SIERRA MAGAZINE

LITHIUM-ION BATTERY. The advanced, T-shaped 17.1-kWh lithium-ion battery was designed to be lightweight, powerful and efficient. It's backed with an 8-year/160,000-kilometre¹ Battery and Volttec[®] Component Limited Warranty.

CHARGE PORT. Whether you want to charge from your garage, a friend's home or a public charging station while you're on the go, it's completely possible by simply plugging in.

ELECTRIC DRIVE UNIT. Volt is always powered by electricity. Whether supplied by power from the battery or the gas-powered generator, the electric drive unit always propels the wheels.

GENERATOR. When the battery runs low,² the gas-powered generator kicks in, which can extend the range of Volt hundreds of kilometres with a full tank of gas.

WE DIDN'T DISCOVER ELECTRICITY — BUT IT'S LIKE WE DID.

1. Plug in between trips to help achieve maximum energy efficiency.
2. The standard 120-volt charger plugs into a conventional electrical outlet.
3. Here's an uncovered look at the 288-cell lithium-ion battery pack.

¹ Whichever comes first. Conditions and limitations apply. See your dealer for details. ² Even with a fully charged battery, the gas-powered electric generator may be required in cold ambient temperatures.

NORMAL

SPORT

MOUNTAIN

HOLD

NORMAL. The default mode. Volt uses the energy stored in the battery before seamlessly transitioning to the gas-powered generator.¹

SPORT. Sport mode delivers heightened responsiveness and feedback, for when you desire more aggressive acceleration. Efficiency may be reduced slightly compared to Normal mode.

MOUNTAIN. Switch to Mountain mode before long, steep grades, and Volt will maintain a power reserve for the climb.

HOLD. Put the battery on Hold for highway commutes. This mode powers Volt with the gas-powered generator instead of the battery, saving your electric range for the pace of stop-and-go city traffic.

¹ Even with a fully charged battery, the gas-powered electric generator may be required in cold ambient temperatures.

DRIVE INTUITIVELY. Instead of turning a key, you push a blue button. Rather than looking at dials and needles, you check two LCD screens for feedback based on four driving modes you can switch between to best suit your driving style.

REGENERATIVE BRAKING. Even the simple act of braking has been taken to the next level with regenerative braking, which captures some of the energy usually lost during braking and converts it to electricity that's stored in the battery.

GET THE MOST OUT OF VOLT. The efficiency gauge and two energy feedback screens provide a quick glance at how adeptly you're driving. In the centre stack, the touch-screen displays energy usage and source of power, and located lower is the button for selecting your preferred driving mode.

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit MyLink.Chevrolet.ca for more details. ² Data plan rates apply. ³ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ⁴ Requires a compatible smartphone with Bluetooth profile (M.A.P.) and applicable text messaging features. ⁵ Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ⁶ Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. ⁷ Requires Apple or Android platform. ⁸ Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca/mobile for vehicle availability, system limitations and further details. ⁹ OnStar acts as a link to existing emergency service providers. Not all vehicles can transmit all crash data. ¹⁰ U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ¹¹ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ¹² Included with available Enhanced Safety Package 2, which requires available Enhanced Safety Package 1.

SAFETY

LIFE AT YOUR FINGERTIPS. The 178 mm (7-in.) diagonal LCD touch-screen of Chevrolet MyLink® Radio¹ is your direct source to Stitcher SmartRadio^{®2} and a 3-month trial of SiriusXM Satellite Radio.^{™3} Organize your music library

with Gracenote.[®] Receive Text Message Alerts.⁴ Avoid delays with a 3-month trial of available SiriusXM NavTraffic^{™5} or use OnStar^{®6} Turn-by-Turn Navigation, standard for three years with the Directions & Connections Plan.

SIRI[®] EYES FREE.⁵ Keep your hands on the steering wheel and your eyes on the road while you access your compatible iPhone.[®] Just connect your iPhone to your Chevrolet MyLink Radio using Bluetooth[®] wireless technology.

MYCHEVROLET MOBILE APP.⁷ Easily find your Volt in the parking lot by creating a reminder with a photo and mark on a map. Get roadside assistance when you need it while completing other convenient tasks.

ONSTAR REMOTELINK[®] MOBILE APP.³ Check the battery level and charge mode of your Volt. This app also lets you contact an OnStar Advisor, lock or unlock your doors, and precondition your Volt from almost anywhere you have cell phone service.

IMMEDIATE RESPONSE. OnStar is standard for three years. If you've been in a crash, Volt can automatically alert a specially trained Advisor and send crash data and a prediction of injury severity via OnStar Automatic Crash Response.⁹ The Advisor is immediately connected into your vehicle to help.

TOP SAFETY RATING. The 2015 Volt received a 5-Star Overall Vehicle Score for safety from the U.S. National Highway Traffic Safety Administration¹⁰ – the highest score offered.

STANDARD OF PROTECTION. Volt has eight standard airbags.¹¹ StabiliTrak[®] Electronic Stability Control System with

Traction Control is also standard, there to help during adverse driving conditions.

PREVENTATIVE MEASURES. A rear vision camera, Forward Collision Alert,¹² Lane Departure Warning,¹² and front and rear park assist are all available options designed to help make your drive safer.

STAY CONNECTED WHILE YOU'RE AWAY FROM YOUR CONNECTION.

¹ Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ² Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for more information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

INTERNET IN YOUR VOLT. Chevrolet is the first and only car company to bring built-in OnStar 4G LTE¹ with Wi-Fi[®] to cars, trucks and crossovers, allowing drivers the ability to seamlessly connect their smart devices and vehicles to the Internet.²

THE ULTIMATE MOBILE WI-FI HOTSPOT. Whenever your Volt is on, available OnStar 4G LTE Wi-Fi is on too. It offers great signal quality and bandwidth for up to seven devices.³

FAST, EASY, RELIABLE. The strong signal means you have a reliable connection. It's automatically on after initial setup and ready to connect to your mobile devices.⁴

CHEVROLET COMPLETE CARE We're with you all the way. Chevrolet Complete Care reflects our commitment to you and your new Volt. Please visit chevrolet.ca or see your dealer for full details.

- 2-year/40,000 km¹ Complimentary Oil Changes²
- 3-year/60,000 km¹ New Vehicle Limited Warranty
- 5-year/160,000 km¹ Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge
- 5-year/160,000 km¹ Courtesy Transportation
- 5-year/160,000 km¹ 24/7 Roadside Assistance
- 6-year/160,000 km¹ rust-through perforation coverage
- 8-year/130,000 km¹ coverage on catalytic converters and Powertrain Control Modules (PCMs)
- 8-year/160,000 km¹ Volt battery and Voltex Component Limited Warranty³
- OnStar with the Directions & Connections Plan for 3 years⁴
- OnStar Basic Plan⁵ for 5 years on most Chevrolet vehicles – includes RemoteLink Key Fob Services to remotely start and lock/unlock your vehicle and activate your horn and lights from anywhere. Plus, get OnStar Vehicle Diagnostics⁶ and Dealer Maintenance Notification to make service scheduling simple. For Emergency and Advisor-based services, check out our additional available plans.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁷

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at chevroletowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details.⁸
- GM Student Bonus Program – students or recent graduates of high school, college or university⁹ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁷ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- The GM Card – GM cardholders may redeem up to \$3500 GM Card[®] Earnings (subject to Vehicle Redemption Allowances) towards the Total Purchase Price on eligible new GM vehicles.⁹ For full program details, please visit thegmcard.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model

¹ Whichever comes first. Additional conditions and limitations apply. See your dealer for details. ² Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. ³ The Volt battery warranty covers 161 battery components in addition to the thermal management system, charging system and electric drive components. ⁴ Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ⁵ The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 Model Year vehicle and is transferable. It includes OnStar Vehicle Diagnostics (capabilities vary by model), Dealer Maintenance Notification and access to RemoteLink Key Fob Services (available on select Apple, Android, BlackBerry and Windows devices). Please visit onstar.ca/mobile for more details. The OnStar Basic Plan does not include any Emergency Services, Automatic Crash Response, Stolen Vehicle Assistance, Live Advisor service, or Hands-Free Calling. These and other services are available under a paid plan. See OnStar User Terms and Privacy Statement (including software terms) for more details. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1.888.4.ONSTAR. ⁶ Capabilities vary by model. Visit onstar.ca for details and system limitations. ⁷ Conditions and limitations apply. ⁸ Subject to eligibility. ⁹ Program subject to change.

years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

SPECIFICATIONS

SAFETY AND SECURITY

Airbags	
– driver and front passenger, dual-stage, frontal with Passenger Sensing System and airbag suppression	●
– driver and front passenger, seat-mounted side-impact	●
– driver and front passenger, knee protection	●
– front-to-rear, outboard seating positions, head curtain side-impact	●
Door locks – rear doors, child-security, electronic	●
Forward Collision Alert	○ ¹
Lane Departure Warning	○ ¹
OnStar ² In-Vehicle Communications and Assistance Service – includes 3 years of the Directions & Connections Plan with Turn-by-Turn Navigation and OnStar RemoteLink ³	●
Safety restraints	
– 3-point belts for all seating positions, front safety belt pre-tensioners, dual-mode retractors and shoulder belt height adjusters	●
– LATCH (Lower Anchors and Top tethers for CHildren), rear seats	●
Security system	
– content theft alarm, audible/visible, programmable	●
– portable charge cord theft alarm; alarm will sound if charge cord is removed prior to unlocking vehicle doors	●
StabiliTrak – Electronic Stability Control System	●
Theft-deterrent system – electronic immobilizer	●
Traction control – electronic, full-function, all-speed	●

MECHANICAL

Battery	
– 120-volt charge cord with 8-amp/12-amp switch (5.5 m in length)	●
– accessories, 12-volt with run-down protection	●
– propulsion, 17.1-kWh lithium-ion rechargeable Energy Storage System; includes liquid thermal management system with active control	●
Brakes	
– electro-hydraulic 4-wheel disc with regenerative braking system on front brakes	●
– 4-wheel Anti-lock Braking System (ABS)	●
Drive – front-wheel	●
Drive mode control switch – Normal, Sport, Mountain and Hold modes	●
Electric drive unit – Voltec with 149 horsepower (111 kW) motoring power, 273 lb.-ft. of motoring torque, 74 horsepower (55 kW) generator motor	●
Range extender – ECOTEC [™] 1.4L DOHC I-4 VVT with 83 horsepower (62 kW), requires premium fuel	●
Exhaust system – aluminized stainless steel with hidden outlet	●
Steering – power, electric, rack-and-pinion, variable-assist	●
Suspension – front MacPherson strut/rear compound crank	●
Transmission – electric drive unit, continuously variable	●
Vehicle starter system – remote	●

● STANDARD ○ AVAILABLE

EXTERIOR

Glass – solar-absorbing, tinted	●
Lighting	
– daytime running lamps, LED with exterior automatic lamp control	●
– halogen headlamps, projector-beam	●
– tail lamps, LED	●
Mirrors – power remote control, heated with integrated turn signal indicators	●
Pedestrian friendly alert – driver-activated horn chirp via turn signal lever	●
Park assist	
– front, obstacle detection with audible warning	○ ¹
– rear, obstacle detection with audible warning	○ ⁴
Rear vision camera	○ ⁴
Spoiler – rear deck-lid	●
Tires	
– P215/55R17 all-season ¹ Goodyear [®] Assurance [®] Fuel Max [®] low rolling resistance tires	●
– tire sealant and inflator kit	●
Wheels	
– 17" x 7" painted-aluminum	●
– 17" x 7" polished-aluminum	○
Windshield wipers – 2-speed with variable delay (intermittent)	●

INTERIOR

Assist handles – rear outboard	●
Cargo area – cover	●
Climate control	
– automatic, single-zone climate control with cabin preconditioning	●
– rear floor heating and cooling ducts	●
Console	
– front floor with covered storage and dual cupholders	●
– rear floor with open storage and dual cupholders	●
Cruise control – electronic, steering wheel-mounted controls	●
Defogger – electric rear-window	●
Floor mats – front and rear, carpeted	●

INTERIOR (CONTINUED)

Instrumentation	
– digital cluster, reconfigurable (includes speedometer, trip odometer, battery efficiency display and engine generator tachometer and fuel gauges)	●
– centre console-mounted 178 mm (7-in), reconfigurable colour touch-screen with efficiency display	●
– Driver Information Centre (includes compass, oil life monitoring system, tire pressure monitoring system, engine generator fuel efficiency, vehicle programmable features and message centre)	●
Lighting – dome, delayed entry/exit, theatre dimming, roof courtesy, dual map lights and rear cargo area	●
Locks	
– power, programmable with lock-out protection	●
– Passive Entry System includes door unlock/lock entry, rear hatch passive opening, keyless Push-Button Start and panic feature	●
Mirror	
– rear-view, manual day/night	●
– rear-view, auto-dimming	○ ⁴
Power outlets – three, 12-volt auxiliary located in front console, rear of centre console and upper instrument panel storage bin	●
Retained accessory power	●
Steering column – tilt and telescopic adjustable	●
Steering wheel – 3-spoke leather-wrapped with Bluetooth [®] cruise and audio system controls	●
Sunshades – LH and RH padded, illuminated vanity mirrors with extensions	●
Universal home remote – 3-channel transmitter	●
Windows – power, driver express-up/-down, express-down all other windows and rear-window lock-out features	●
SEATS	
Reclining front bucket seats with adjustable head restraints	
– with premium cloth seating surfaces	●
– with leather-appointed seating surfaces	○ ⁵
Manual 6-way driver-seat adjuster	●
Manual 6-way front passenger-seat adjuster	●
Heated front bucket seats	●
Seatback – rear, 40/40 split-folding	●

ENTERTAINMENT

Chevrolet MyLink [®] Radio infotainment system – includes 178 mm (7-in.) diagonal colour touch-screen display, AM/FM stereo with CD player, MP3 playback, seek up/down, auxiliary audio input jack, TheftLock [®] digital clock, personal media connectivity by Bluetooth to vehicle audio system; voice-activated technology for audio, phone, phone book and music selection; Gracenote [®] music database and Stitcher SmartRadio ^{®7} compatibility	●
Chevrolet MyLink Radio with Navigation ⁸ and SiriusXM NavTraffic ⁹	○ ¹⁰
OnStar 4G LTE ² with Wi-Fi [®] hotspot capability ¹¹	●
6-speaker audio system	●
7-speaker premium Bose [®] Energy Efficient Series audio system with subwoofer	○ ¹²
Bluetooth	
– hands-free phone connectivity	●
– wireless audio streaming	●
SiriusXM Satellite Radio ^{9,8}	●
USB port ¹³	●

AVAILABLE PACKAGES

Enhanced Safety Package 1 – includes interior auto-dimming rear-view mirror, rear park assist and rear vision camera	○
Enhanced Safety Package 2 – includes Forward Collision Alert, front park assist and Lane Departure Warning	○ ¹⁴
Premium Trim Package – includes leather-appointed seating surfaces or leather-appointed trim with sueded inserts, premium door trim and rear-seat centre storage armrest	○

¹ Included with available Enhanced Safety Package 2. ² Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). OnStar acts as a link to existing emergency service providers. After the trial period (if applicable), an active OnStar service plan is required. ³ Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca/mobile for vehicle availability, system limitations and further details. ⁴ Included with available Enhanced Safety Package 1. ⁵ Requires available Premium Trim Package. ⁶ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit MyLink.Chevrolet.ca for more details. ⁷ Data plan rates apply. ⁸ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁹ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ¹⁰ Requires available 7-speaker Bose audio system and available Premium Trim Package. ¹¹ Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. ¹² Requires available Chevrolet MyLink Radio with Navigation. ¹³ Not compatible with all devices. ¹⁴ Requires available Enhanced Safety Package 1 and available Premium Trim Package.

† All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.
