Gear Carriers

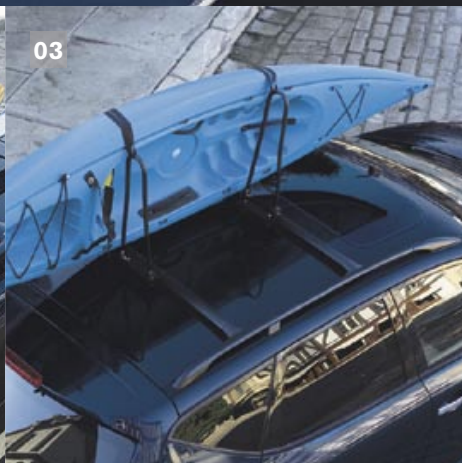

01 Roof Rail Crossbars

These steel crossbars allow you to add any other Nissan roof rail attachments you need. They integrate into Murano's existing side bars and feature easy, no-drill installation. Offered in black or metallic finish.

02 Ski/snowboard Carrier by Yakima

Take up to four pairs of skis or two snowboards, and keep everyone happy. Custom-designed by the experts at Yakima, the carrier is black-satin powder-coated for durability and features a security lock. The optional Ski Carrier Lift Kit helps keep the ski/snowboard bindings from touching the roof. (Required Vertical MightyMount Kit is sold separately.)

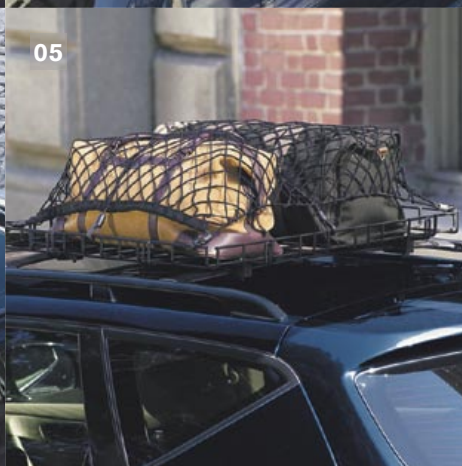

03 Kayak Carrier by Yakima

Yakima to the rescue again, with a carrier that holds up to two kayaks. It's made of corrosion-resistant steel tubing and powder-coated for durability. (Includes straps for securing kayaks. Required Attachment Kit is sold separately.)

04 Anklebiter® Bike Carrier by Yakima

This carrier lets you attach your bike by the pedal crank (no need to remove the front wheel), and you can add another Anklebiter for a second bike. The carrier locks for security and is black-satin powder-coated for durability. (Required Attachment Kit is sold separately.)

05 Safari Basket by Yakima

Add some flat storage to your roof rack. The Safari Basket features durable rubber-coated steel rods. The optional Basket Net with hooks lets you secure loose items. (Required Attachment Kit and Basket Net are sold separately.)

®Anklebiter is a registered trademark of Yakima Products, Inc. Cargo and load capacity limited by weight and distribution.

Protective Gear

01 Splash Guards

These Splash Guards will help protect Murano's lower body panels. They're contoured to match the wheel openings, and feature easy, no-drill installation.

02 Carpeted Floor Mats

Help keep your Murano's original carpeting looking like new. These premium, high-density mats come in complementary colors and feature a raised-edge design. A non-slip backing with "teeth" helps hold them in place; the driver's mat adds a grommet/hook system.

03 All-season Rubber Floor Mats

Help protect your carpeting with these durable rubber mats. Deep-ribbed channels help trap dirt, mud, snow, and water. A grommet/hook system helps keep the driver's mat in place.

04 Sunroof Wind Deflector

Get more enjoyment out of your sunroof with an aerodynamic deflector that helps reduce wind turbulence and noise. It's made of tough, UV-resistant acrylic to help ensure a long life.

Did you know?

You can make accessories part of your financing plan. If you purchase them at the same time you buy your Murano, you can include them in the vehicle financing and add only a nominal fee to your monthly payment. Ask your dealer for details.

05 Cargo Area Protector (Foldable)

Help reduce wear and tear to the cargo area with this foldable Cargo Area Protector. Made of heavy-duty vinyl, it's water-resistant, plus easy to remove and clean. It also features cutouts for access to tie-down rings in the cargo floor.

06 Cargo Area Protector

Another item to help protect Murano's cargo area. This protector is also made of heavy-duty, water-resistant material and features cutouts for the cargo floor tie-down rings. Plus, it's color-matched to your Murano's interior.

07 Cargo Organizer

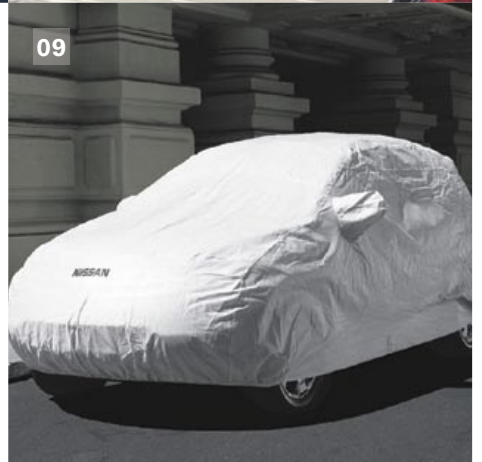

Three movable dividers let you customize the storage space, making the most of Murano's generous cargo area. Made of sturdy, black plastic, the organizer is water-resistant and easy to remove and clean. The center folds flat when not in use for easy access to the cargo area.

08 Pet Guard Divider

This will help keep Rover and friends securely in the cargo area.

09 Vehicle Cover

Help protect Murano's shiny new finish from UV rays, acid rain, and other enemies of paint. The cover is made of material that resists mold and mildew, and features an elasticized hem for a snug fit. (Security Cable with lock is available separately.)

A Few Last Details
