

Innovation
that excites

2014
ARMADA[®]

WELCOME TO THE 2014 NISSAN ARMADA[®] DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Armada.[®]

All 2014 Armada's feature standard splash guards (not shown in photography).

WHAT IF_
EVERY DAY WAS A BIG ADVENTURE?

Looking for a vehicle that can live up to your lifestyle? Nissan Armada® has what it takes: a whole lot of muscle and finesse where it counts. Let your passengers stretch out in style with available second-row captain's chairs, or go huge with bench seating and room for eight. Can't decide which toys to bring? Why not bring them all with a 317 HP V8 and up to 9000 lb (4082 kg) towing capacity.¹ And to make sure the good times keep rolling, avoid gridlock with updates from available NavTraffic.² No matter where your life takes you, Armada® will be there for you in a big way.

¹See Nissan Towing Guide and Owner's Manual for proper use. ²NavTraffic® is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. Subscriptions subject to customer agreement at siriusxm.ca. Fees and programming subject to change. ©2013 Sirius XM Canada Inc. Sirius, XM, SiriusXM, and NavTraffic are registered trademarks of Sirius XM Radio Inc. All other trademarks are property of their respective owners.

Full-size yes, but Nissan Armada® is designed for individual comfort. The Memory System allows you and another driver to save your preferred positions. Which means the class-exclusive Nissan Intelligent Key® recognizes who is who, then moves the driver's seat, the power adjustable pedals and outside mirrors accordingly. Add in heated front and 2nd-row seats and steering wheel, and you'll find yourself in surroundings that feel as personal as they do grand.¹

Nissan Armada® Platinum with Platinum Reserve Package shown in Chocolate/Almond Leather. U.S. instrumentation shown.

MAKING HAPPY CAMPERS, ALL AROUND.

The same screen that displays the Nissan Navigation System – including the 3-D Birdview™ feature that gives you a three-dimensional image of major buildings – also lets you see and control all your audio options. With clear roads ahead and highly accessible playlists at the ready, it's easy to remember that the journey really is half the fun.²

Nissan Mobile Entertainment System. In addition to watching movies, you can play your camcorder through the DVD system's USB inputs or plug in your video game system on the large 178 mm (7") dual head restraint monitors.⁴

BOSE

Keep everyone entertained for hours. Maybe even days. Follow your hometown team on SiriusXM Satellite Radio or plug in your iPod® through the USB input and listen to your own tunes.^{3,4} You can even let the kids play DJ from the back seat with Bluetooth® streaming audio.⁵ And whatever you're listening to, the 12-speaker Bose® audio system – custom-tuned for this interior – will make it sound superb.

Avoid traffic and get there smoothly. The Nissan Navigation System not only helps you find the best family-style Italian restaurant in town with ratings and reviews from Zagat Survey®, it also points out the best way to get there with NavTraffic. This feature displays colour-coded real-time traffic advisories to help keep you away from the gridlock.^{2,3}

Smart parking. Armada®'s standard Front and Rear Sonar System beeps when it senses an object up to two metres away, and increases in frequency the closer you get to help you manoeuvre into tight spaces. You can also choose the RearView Monitor, which helps you see objects directly behind you when parking. It automatically activates whenever you're in Reverse and is also ideal for lining up your approach to a boat trailer.^{6,7}

¹Ward's Large Sport/Utility Market Segmentation. MY14 Armada® vs. 2013 Large Sport/Utility Class. ²Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³XM and SiriusXM Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic® is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. © 2013 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ⁴Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁵Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁶The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. ⁷Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of backing objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. Bose® is a registered trademark of The Bose Corporation. Zagat Survey® is a registered trademark of Zagat Survey LLC Ltd.

THE FEELING OF ENOUGH ROOM FOR EVERYONE. PLUS A FRIEND, OR SEVEN.

Nissan Armada Platinum shown in Chocolate/Almond Leather with Platinum Reserve Package.

8
seating for

With a standard second-row bench, Armada offers seating for up to eight, while the available second-row captain's chairs let seven passengers stretch out in style. Either way, the third row can seat three adults comfortably, and the second row is roomy enough to cross your legs. Even with all three rows up, there are still 566 litres (20 cu ft) of space for all your gear.¹

Standard power-folding third-row bench seat

Flexibility is second nature to Armada. The power third row gives you options at the touch of a button.² When folded, you've got 1605 litres (56.7 cu ft) of storage, and you can still seat five lucky travelers. The folding second-row bench splits into three sections to add even more versatility. When the second and third rows are folded flat, Armada lets you and your favourite co-pilot store a massive 2749 litres (97.1 cu ft) of gear.

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. ²When operating the rear power-seatback return, make sure that the vehicle is stopped and the transmission is in the P (Park) position.

317 HP
385 LB-FT
9000 (4082 kg)
LBS. MAX TOWING¹

GIVING NEW MEANING TO BOATLOAD.

Wherever you're headed, Nissan Armada[®] has the power and capability to help get you there. Its potent V8 engine is constructed of lightweight aluminum components to help provide an immediate response. Pair that with All-Mode 4WD, and you'll have maximum control in varying weather and road conditions. And with an independent rear suspension and full-length fully boxed frame, all three rows can count on a smooth ride every time.

NISSAN ALL-MODE 4WD[®]
INNOVATION THAT HAS
A GRIP ON REALITY.

2WD

For normal conditions on dry, paved roads.

AUTO

Automatically switches between 2WD and 4WD, depending on conditions.

4H

Greater traction for rocky, snowy and muddy roads.

4LO

For maximum torque on rocky and steep grades.

If the only thing constant in this world is change, you need a 4WD system that can keep up. Nissan's All-Mode 4WD[®] is so advanced, it responds instantly to changing road conditions and continuously adjusts the amount of power distributed to each axle to help maintain control. Keeping an eye on the situation as well as the bottom line, All-Mode automatically switches to 4WD to improve traction on lower friction surfaces, and switches back to 2WD for optimal fuel economy when more traction is available.

¹See your Owner's Manual or Nissan Towing Guide for specific towing information. U.S. model shown.

U.S. model shown.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on the vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

MONITOR

Smart technologies are designed to help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're rolling on properly inflated tires.

- Tire Pressure Monitoring System¹
- Automatic On/off Headlights
- Front and Rear Sonar System²
- RearView Monitor³

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.⁴

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect everyone on board.

Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat belt and occupant-classification sensors⁵

Front seat-mounted side-impact supplemental airbags⁵

Roof-mounted curtain side-impact supplemental airbags⁵

LATCH System (Lower Anchors and Tethers for Children)

6 STANDARD AIRBAGS⁵

snug-kids® Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/owners/en.

Scan this with your QR code-reader app to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/snugkids-EN

CHOOSE YOUR TRIM LEVEL

Platinum

317 HP Endurance 5.6-litre V8 engine, standard All-Mode 4WD, up to 9000 lbs (4082 kg) of towing with tow hitch receiver, trailer brake pre-wiring and lower final gear ratio, Vehicle Dynamic Control (VDC),⁴ Active Brake Limited Slip (ABLS), 20" chrome-clad aluminum-alloy wheels, fog lights, chrome grille, side moulding inserts, power folding outside mirrors with puddle lights and turn signals, chrome roof rack with crossbars, power sliding glass moonroof, Front and Rear Sonar System² power liftgate, RearView Monitor,³ Nissan Intelligent Key® keyless entry and ignition system, Bluetooth® Hands-Free Phone System, Nissan Hard Drive Navigation System with NavTraffic, Bluetooth® streaming audio, Bose® audio system with AM/FM/CD, Nissan Mobile Entertainment System with dual head restraint 178 mm (7") monitors, USB connection port for iPod® and other compatible devices, Dual Zone Automatic Temperature Control (ATC), 8-passenger seating capacity, fold-down second- and third-row seats, power third-row 60/40 split fold-down bench seat, heated front and second-row seats, leather-appointed seating (front and second rows), wood-tone trim, heated leather-wrapped steering wheel, Memory System – driver's seat, outside mirrors, pedals, six standard airbags⁵, including front side-impact supplemental airbags⁵ and roof-mounted curtain supplemental airbags⁵

Platinum Captain's Chairs Package

INCLUDES PLATINUM EQUIPMENT PLUS:

7-passenger seating capacity (replaces second-row bench seating with second-row fold-flat captain's chairs with padded armrests and easy entry for third row), second-row padded center console (removable)

Platinum Reserve 2-tone leather shown.

Platinum Reserve

INCLUDES PLATINUM EQUIPMENT PLUS:

20" 6-spoke dark chrome-clad alloy wheels, dark chrome grille, outside mirrors and side moulding inserts, body-colour door handles, painted roof rack with crossbars, Platinum Reserve exterior and interior badging, 2-tone Chocolate/Almond leather seating surfaces with Almond contrast stitching, 7-passenger seating capacity, second-row fold-flat captain's chairs with padded armrests and easy entry for third row, second-row padded center console (removable), Chocolate-trimmed instrument panel with dark satin chrome interior accents, Chocolate-colour leather-wrapped heated steering wheel, Chocolate-colour carpeting and Platinum Reserve embroidered floor mats, Light Anigre genuine wood trim and cup holder lid for centre console

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²The Front and Rear Sonar System is a convenience, but not a substitute for proper parking procedures and/or backing procedures. Always check that it is safe to do so before moving forward or backing up. May not detect every object in front of or behind you. ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁵Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details.
