Innovation that excites

2014 PATHFINDER®

NISSAN PATHFINDER®

What if your SUV could put a smile on your face, confidence in your hands and goose bumps all over? Here are just a few ways Pathfinder® gives you an unforgettable drive.

Ready for tough terrain. Pathfinder®'s intuitive 4WD gives you the capability you need with a class-exclusive choice of 2WD, Auto and 4WD Lock modes.¹

3 rows of flexibility. With the EZ Flex™ Seating System's LATCH AND GLIDE™ technology, the right side of the 2nd row glides and tilts forward for 3rd row access, even with a child seat safely strapped in.²

Efficiency expert. The all-new Pathfinder® Hybrid sips fuel while giving you the capability you expect. And thanks to its smaller and slimmer battery pack, there's virtually no loss of rear seat leg room or cargo space.

Looking for more? Visit Pathfinder® on Facebook® or Twitter® to see what owners have to say. Find walkarounds, product demos and more on YouTube.³

And follow Nissan Canada on:

WHAT IF_
YOUR SUV WAS MADE FOR
THE WAY YOU REALLY LIVE?

The world has changed. Shouldn't your SUV? From climbing hills to climbing in, Pathfinder® redefines it all. There's the all-new Hybrid, combining efficiency with all the capability you expect from a Pathfinder. Or choose the powerful V6, with the highest standard towing rating in its class.^{1,2} And on every Pathfinder,® you'll find a standard CVT transmission for seamless power and an available 4-Wheel Drive system with class-exclusive driver-selectable modes.¹ Stretch out in the largest interior in its class,¹ with a third row that's spacious and surprisingly easy to get into. And once the trail is behind you, an available class-exclusive Around View® Monitor helps you grab a parking space right out front.^{1,3} Welcome to the world as we know it. Welcome to the Next Gen SUV.

¹Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder® vs. 2013 Large Cross/Utility Class. ²See Nissan Towing Guide and Owner's Manual for proper use. ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

Nissan Pathfinder® Platinum shown in Mocha Stone with optional equipment.

Enjoy 5-star accommodations, before you even get to the lodge. Pathfinder® surrounds you with premium comforts, including standard Tri-Zone Automatic Temperature Control and available heated and cooled front seats, heated 2nd-row seats, even an available class-exclusive heated steering wheel.¹ With available navigation featuring Zagat Survey® restaurant recommendations and live traffic updates, plus an available dual memory seating system and a Bose® Premium Audio System, you've got luxury accommodations – without any reservations.^{2, 3, 4}

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment. U.S. instrumentation shown.

¹Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder vs. 2013 Large Cross/Utility Class. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³XM and SiriusXM Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic® is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. BECAUSE EVERYONE SHOULD COME ALONG.

In Pathfinder,[®] capability goes way beyond taking on rugged conditions, it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with best-in-class passenger room,¹ including a 2nd row that slides over five inches for stretch-out room and the only 3rd-row reclining seat in its class.^{1,2} And with premium features like an available Dual Panorama Moonroof and standard rear A/C, this is one time where one size fits all beautifully.

Nissan Pathfinder[®] Platinum shown in Almond Leather with optional equipment.

¹Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder vs. 2013 Large Cross/Utility Class. ²Seats should not be in the reclined position when the vehicle is in motion.

NISSAN EZ FLEX™ SEATING SYSTEM

INNOVATION THAT GIVES EVERYONE AN OPEN INVITATION.

What if getting to any seat was easy? With the innovative EZ Flex™ Seating System, the 2nd row glides and tilts forward for easy access to the spacious rear seat. And once you're in the 3rd row, you'll find it's exceptionally comfortable, thanks to class-exclusive reclining seats.^{1, 2, 3}

Pathfinder®'s family-friendly, too. With Pathfinder®'s LATCH AND GLIDE™ technology, you can even tilt and slide the right side of the 2nd row with a child seat securely strapped in.¹

Scan this with your QR code-reader app to see a short video on Pathfinder®'s EZ Flex™ Seating System. Or go to bit.ly/EZflex

Fold Flat Rear Seats. Cargo? Pathfinder® makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space.⁴

Under-floor Storage. There's also an under-floor storage area that keeps valuables out of sight. It's easily accessed even when the 3rd row is upright, for extra cargo space when you've got seven on board.

Power Liftgate. Easy loading comes at the touch of a finger. Pathfinder®'s available power liftgate can be opened from a button located on the liftgate, on the dashboard near the driver, or on your Intelligent Key.

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment.

¹Slide forward function should not be performed with the CRS occupied. ²Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder vs. 2013 Large Cross/Utility Class. ³Seats should not be in the reclined position when the vehicle is in motion. ⁴Cargo and load capacity limited by weight and distribution. Always secure all cargo.

GETTING A GREAT VIEW WHEREVER YOU LOOK.

Tri-Zone Entertainment. If you've ever taken a trip with kids, you probably know it's hard to please everyone. But with Pathfinder®'s available Tri-Zone Entertainment System, you actually can.¹ The rear monitors can play individually, giving a choice of DVDs, video games, photos and more that you can control from the audio system's 203 mm (8") VGA screen. And with those in back wearing wireless headphones, you can adjust the 13-speaker Bose® audio system to play only in front, letting you enjoy your own choice of entertainment in perfect harmony.

Advanced Navigation. So much more than just maps, Pathfinder®'s available touch-screen Nissan Navigation System gives you live traffic updates to steer you clear of jams. Hungry? There's even Zagat Survey® restaurant recommendations.^{2,3}

iPod® Integration. Your music at your fingertips. Just plug in to Pathfinder®'s available USB input and control your iPod® through the audio system, including the remote controls mounted on the steering wheel. Rock on!⁴

Advanced Drive-Assist™ Display. From trip computer to 4WD torque distribution, the Advanced Drive-Assist™ Display serves up info right in front of you – helping to minimize time looking away. Its intuitive 3-D depth and tilt design help you take it all in quicker.

Nissan Pathfinder® Platinum shown in Almond Leather with optional equipment. U.S. instrumentation shown.

¹Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ²Factory-installed option. Never program while driving. OUTSTANDING FUEL ECONOMY WITH BEST-IN-CLASS TOWING – THAT’S ONE GREAT CATCH.^{1, 2}

Efficiency, brought to you by the Next-Generation Xtronic CVT.[®] With Pathfinder[®]'s class-exclusive Xtronic CVT[®] transmission, you have a virtually gearless wonder.¹ It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don't. Proof? Best-in-class combined fuel economy 9.5 L/100 km (30 mpg).^{1, 3}

Power, courtesy of a 3.5-L V6 engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder[®] takes it on with 260 HP of 3.5-L V6 muscle and a CVT that knows the engine's sweet spot for the power you need, giving a standard 5000 lbs. towing rating² – the highest in its class.¹ And if you tow frequently, consider the available tow hitch receiver with 7-pin wiring harness (see Specifications).

Intuitive 4WD. With Pathfinder[®]'s All-Mode 4x4-i, you've got a system that's capable on-road and off. Designed to work with both V6 and Hybrid models, it's the only vehicle in its class with selectable driving modes.¹ You can choose full-time 2WD for maximum efficiency.

Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice.

3.5-L V6 260 HP 240 LB-FT TORQUE 5000 LBS. MAXIMUM TOWING²

Nissan Pathfinder[®] Platinum shown in Cayenne Red with optional equipment.

NISSAN HYBRID TECHNOLOGY INNOVATION THAT LOVES TO TRAVEL OFF THE BEATEN PATH

250 TOTAL HORSEPOWER
243 LB-FT TORQUE
1 SMART SOLUTION

The road to most hybrids is paved with compromise. Sure, you get better fuel economy, but it often comes with compromises on capability and comfort – and costs a lot more, too. How about a smarter solution? Pathfinder[®] Hybrid is thrifty from the word go, with auto-stop/start technology that can shut the engine down when you're at a stoplight, and starts instantaneously as you pull away. It's also efficient at higher speeds where it can "coast", reducing engine to idle and disconnecting from the transmission when power isn't needed.

A supercharged 4-cylinder engine combined with an electric motor provides strong acceleration, while available All-Mode 4x4-i 4WD gives the go-anywhere capability you expect from a Pathfinder[®]. And with a rear-mounted battery pack that's smaller and slimmer than those in other hybrids, there's virtually no loss of rear leg room or cargo space. Pathfinder[®] Hybrid's even designed to be affordable – another road that most other hybrids don't like to travel.

For the big-screen experience, you can view Hybrid information on the available Nissan Navigation System's 203 mm (8") VGA display.

Nissan Pathfinder[®] Hybrid Platinum shown in Moonlight White with optional equipment.

Scan this with your QR code-reader app to see a short video on Pathfinder's available Around View® Monitor.¹ Or go to bit.ly/AVMonitor

NISSAN AROUND
**FOUR
CAMERAS**

What if parallel parking was easier? A rearview monitor is great when backing up – but when it comes to parking, it's nice to see more than just what's behind you. That's why Pathfinder® offers the class-exclusive available Around View® Monitor.^{1,3} Four cameras give you a virtual 360° bird's-eye view of your vehicle,² with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. Now that's smart.

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ²Virtual composite 360° view. ³Ward's Large Cross/Utility Market Segmentation. MY14 Pathfinder vs. 2013 Large Cross/Utility Class.

VIEW® MONITOR¹
**ONE
360° VIEW²**

Forget the tennis ball. In Drive, the display gives you both a front and overhead view, so you can pull all the way into your spot (or garage) – but not too far.

Complete the picture. Located under your driver's side mirror, this camera helps round out your virtual 360° birds-eye view whether you're in Drive or Reverse.²

Don't scratch your wheels. In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

Get yourself hitched. In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window. Perfect when hooking Pathfinder® up to a trailer.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield technologies are our way of looking out for you and yours.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're travelling on properly inflated tires.

Standard Tire Pressure Monitoring System with Easy-Fill Tire Alert^{1, 2}

Lets you know when a tire is low. And Easy-fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you've reached the correct pressure.

Available Smart Auto Headlights

Available Around View® Monitor³

Available RearView Monitor⁴

Available Rear Sonar System⁵

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path⁶

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.

6 STANDARD AIRBAGS⁷

Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat-belt and occupant-classification sensors⁷

Front seat-mounted side-impact supplemental airbags⁷

Roof-mounted curtain side-impact supplemental airbags with rollover sensor⁷

LATCH System (Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/owners/en.

Scan this with your QR code-reader app to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/snugkids-EN

¹Vehicle must be on for the Easy-Fill Tire Alert to operate. ²Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁵The Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ⁶VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁷Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details.

GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/60,000 km Accessories limited warranty; and can be financed when installed by dealer at time of purchase.²

A. Hood Protector

Give your hood a fighting chance against bugs and road grime.

B. Tow Package, Class III³

Hook up with secure towing from Nissan's custom frame-mounted design.

C. Remote Engine Start System⁴

Heat or cool your Pathfinder[®] before you get in.

D. Roof Rail Crossbars⁵

Great for bringing along your skis or bike.

Additional Accessories:

- Carpeted Floor Mats
- All-season Floor Mats
- Fog Lights
- Stainless Steel Rear Bumper Protector
- Cargo Area Protector
- Cargo Net
- Rear Cargo Cover
- Illuminated Kick Plates
- Interior Accent Lighting
- Side-window Deflectors
- Hatch Tent
- And More

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2014 Nissan is covered by a 3-year/60,000 km⁶ Comprehensive New Vehicle Warranty, a 5-year/100,000 km⁶ Powertrain Warranty, an 8 year/130,000 km⁶ Emission Control Warranty on selected components, and a

5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see your local Nissan Dealership for actual colours and pricing information.

² See your Nissan Dealership and read the actual limited warranty. ³ See Nissan Towing Guide and Owner's Manual for proper use. ⁴ Provincial laws may apply; review local laws before using. ⁵ Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. ⁶ Whichever occurs first.

Advertisement for Nissan's Green Program. Text: Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.™ Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. Includes NISSAN GREEN PROGRAM logo.
