that excites

2014
XTERRA[®]

WELCOME TO THE 2014 NISSAN XTERRA[®] DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Xterra.[®]

WHAT IF_
HAPPINESS WAS MEASURED
IN VERTICAL FEET?

It's time to get up. With a potent 261 horsepower and serious off-road capabilities, Nissan Xterra® is well-equipped for the climb. Bring the essentials with a roof rack so radically versatile, it's often imitated, but never equalled. Got mud? You've got a ventilated gear box on the roof and an Easy Clean® cargo area in the back that just wipes down.¹ And, no matter how far you go, NissanConnect™ puts entertainment and navigation right at hand.² 2014 Nissan Xterra.® Look up and never look back.

¹Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. Roof gear box shown is not a Genuine Nissan Accessory. ²Late availability. Driving is serious business. Only use NissanConnect™ services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google™ services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month, trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check www.Nissan.ca/NissanConnect for details.

Nissan Xterra® PRO-4X® shown in Night Armour.

BIG POWER FOR DEEP POWDER.

Finding a little solitude is good for the soul. And Xterra® PRO-4X® equipped with 4-Wheel Drive is up for the challenge. Not only is it packed with advanced technologies ready to conquer the trail, it's also equipped with hard-core 4x4 components. From a fully boxed ladder frame to a locking rear differential, Xterra® PRO-4X® goes where few dare follow.

PRO-4X

4.0 LITRE V6 **261** HP **281** LB-FT OF TORQUE

No matter how you slice it, Xterra® is built to deliver. A potent 4.0-litre DOHC 24-valve V6 helps give you the power to climb faster and farther, while advanced friction-reducing technologies help keep it all moving smoothly. Continuously Variable Valve Timing helps deliver heightened efficiency and on-demand power, which is important when you're towing up to 5,000 lbs.¹ Mix it all with some serious attitude and you've got one tough machine. And more fun than a gondola will ever be.

Nissan Xterra® PRO-4X® shown in Brilliant Silver.

Locking Rear Differential.² When 4-Wheel Drive just isn't enough, activate the available electronic locking rear differential. This technology delivers equal power to both rear wheels to boost traction and help keep your PRO-4X® moving forward. Helping you reach your destination even in the gnarliest trail conditions.

Hill Start Assist.³ Works on the uphill swing to help prevent rolling backward when you're starting from a stop on an incline. This system applies the brakes for a few moments, allowing you time to switch from the brake pedal to the accelerator.

Hill Descent Control.³ What goes up must come down. PRO-4X®'s hill descent control automatically adjusts your speed and brake pressure to help keep you going at a controlled speed, freeing you up to concentrate on navigating difficult off-road situations.

Shift-on-the-Fly. Go where the wind – or whim – takes you, with a twist of a dial. Standard on all models, the highly capable Xterra® 4WD system features shift-on-the-fly 4-Wheel Drive with a 2-speed transfer case, so you can go from 2WD to 4H at speeds up to 100 km/h (62 mph).

¹See Nissan Towing Guide and Owner's Manual for proper use. ²PRO-4X® models only. ³PRO-4X models with automatic transmission only. Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

MAN-HANDLE THE BIG STUFF. SQUIRREL AWAY THE SMALL STUFF.

Bring what you will, Xterra® adapts. Latch it down with multiple hooks, or use the innovative Utili-track® Cargo Channel System to easily secure your gear. Clean up quick with the Easy Clean® cargo area. Stash more goods in the hidden storage space. This is the definition of versatility.¹

Nissan Xterra PRO-4X® shown in Graphite/Steel Cloth. U.S. model shown.

Radically versatile in every way. A roof rack starting with 6063-grade aluminum construction and up to 150-lb. capacity. The gear box is ventilated for wet, dirty stuff, and removable to make way for larger items. Aerodynamic crossbars open up all kinds of possibilities. On PRO-4X®, off-road lights mounted right on the rack¹ cast a mighty beam every step of the way.

Hidden under-floor storage

Bring what you need. Whatever it is, Xterra® is ready to make it fit. A 60/40 split rear seat and fold-flat front seat give you plenty of options, while a first aid kit (standard on Xterra® PRO-4X®) is nestled in its own nook in the back hatch, just in case. Be ready to accommodate anything, and never ditch a friend for a longboard again.¹

Secure your gear with ease. The Utili-track® Cargo Channel System slides and locks into any position, giving you the means to accommodate just about any activity you can think of. Load it, lock it, start your adventure. Oversize hooks in the ceiling make securing your gear a cinch. Strap it down and get out there!¹

¹Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle.

U.S. model shown.

RearView Monitor. Whether negotiating a tight parking space or lining up to attach a trailer, Xterra's RearView Monitor – included with the available Nissan Navigation System – is like having an extra pair of eyes where you need them most.^{1,2}

Nissan Xterra® PRO-4X® shown in Grey Leather. U.S. instrumentation shown.

Designed exclusively for the Xterra's interior, the available Rockford Fosgate® audio system features nine speakers and an enclosed subwoofer for massive sound.

Go far off the beaten path, but stay in touch just by pushing a button on the steering wheel. It's voice-activated, and lets you program in up to 40 numbers with easy access.³

NISSANCONNECT™⁴

INNOVATION YOU'LL FIND INCREDIBLY HANDY.

NissanConnect™ is smart technology that keeps your world within reach. And with NissanConnect™ Apps, your Xterra® becomes your smartphone's best friend. Music, information and the apps that keep you connected to your world all work seamlessly together through Xterra's audio system. And it keeps on getting better: the app alerts you with updates to the latest version, and the basic app package is free for the first three years.⁴

NissanConnect™ Apps: for the music you love.⁴ Imagine the choices you have with TuneIn™ Radio, Stitcher,[®] Slacker[®] and more. And it couldn't be easier – download the app, and depending on your smartphone, you can stream the music wirelessly via Bluetooth[®] or use Xterra's iPod[®]/USB input.^{3,5} You can find out how to download the app and about smartphone compatibility at www.Nissan.ca/NissanConnect.

NissanConnect™ Apps: everything that matters at your fingertips.⁴ You're wired to your world with NissanConnect™ Apps. Xterra® lets you safely keep track of Facebook[®] and more. And thanks to Xterra's available navigation system and NissanConnect™'s compatibility with location-based services including Online Search powered by Google[®] and Yelp,[®] getting around has never been easier.^{2,4} (Go to the Owners section of www.Nissan.ca/NissanConnect for details on downloading the app, smartphone compatibility and late availability of certain apps.)

More than just apps, NissanConnect™ keeps you in the loop with:

- **Nissan Navigation System – with voice recognition featuring one-shot destination entry and SiriusXM[®] Traffic^{2,6}**
- **iPod[®]/USB input – search for a tune with enhanced voice recognition⁵**
- **Streaming audio via Bluetooth^{®3}**
- **Hands-free text-messaging assistant^{7,8}**

¹Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ²Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ³Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. The Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use and accessory equipment of such marks by Nissan is under licence. ⁴Late availability. Driving is serious business. Only use NissanConnect™ services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google[®] services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply, 36-month, trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check www.Nissan.ca/NissanConnect for details. ⁵Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁶XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. SiriusXM[®] Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. NISSAN SAFETY SHIELD® PHILOSOPHY INNOVATION THAT LOOKS OUT FOR YOU.

PROTECT
RESPOND
MONITOR

MONITOR

Smart technologies help monitor conditions. Like an available rearview camera that helps you see something behind you, or a system that helps ensure you're travelling on properly inflated tires.

Tire Pressure Monitoring System¹

Available Automatic On/off Headlights

Available RearView Monitor²

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.³

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield® technologies are a comprehensive approach to safety that guide the engineering and development of every vehicle we make. By keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident, the Nissan Safety Shield® technologies are our way of looking out for you and yours.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.

Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat-belt and occupant-classification sensors⁴

Front seat-mounted side-impact supplemental airbags⁴

Roof-mounted curtain side-impact supplemental airbags⁴

LATCH System (Lower Anchors and Tethers for Children)

6 STANDARD
AIR BAGS⁴

snug-kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/owners/en.

Scan this with your QR code-reader app to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/snugkids-EN

CHOOSE YOUR TRIM LEVEL

S

- 261 HP 4.0-litre DOHC 24-valve V6
- 4-Wheel Drive System
- 16" 6-split spoke aluminum-alloy wheels
- Tubular step rails
- Tubular roof rack with covered gear box, crossbars and air dam
- AM/FM/CD audio system with 109 mm (4.3") colour display
- Bluetooth® Hands-Free Phone System
- SiriusXM® Satellite Radio⁵
- USB connection port for iPod® interface and other compatible devices
- Cruise control
- Power door locks and windows with remote keyless entry
- Easy Clean® cargo area with Utili-track® Cargo Channel System
- Four ceiling hooks and two cargo-area hooks
- Vehicle Dynamic Control (VDC)³
- Active Brake Limited Slip (ABLS)
- 4-wheel Anti-lock Braking System (ABS) with G-sensor
- Six standard airbags⁴

PRO-4X

INCLUDES S EQUIPMENT PLUS:⁶

- Automatic on/off headlights
- Roof rack-mounted off-road lights
- Fog lights
- Bilstein® off-road performance shocks
- Skid plates (oil pan, fuel tank and transfer case)
- 16" 6-spoke machine-finished aluminum-alloy wheels
- P265/75R16 BFGoodrich® Rugged Trail T/A® OWL tires
- Electronic locking rear differential
- Hill descent control and hill start assist⁷
- Clutch start/cancel⁸
- NissanConnect™ with Navigation
- Rockford Fosgate®-powered audio system
- RearView Monitor²
- Nine high-performance speakers, including 8" subwoofer
- Illuminated steering wheel-mounted audio controls
- White-faced gauges
- Leather-appointed seating with heated front seats

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁴Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ⁵XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. SiriusXM® Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. - Carpeted Cargo Mat
- Cargo Organizer
- Retractable Cargo Cover
- Auto-dimming Rearview Mirror with Compass
- PRO-4X® Carpeted Floor Mats
- Side-window Deflectors
- And More

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2014 Nissan is covered by a 3 year/60,000 km⁴ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁴ Powertrain Warranty, an 8 year/130,000 km⁴ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

²See your Nissan Dealership and read the actual limited warranty. ³Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. ⁴Whichever occurs first.

All illustrations, photographs and specifications in this brochure are based on the latest product information. See actual vehicle for complete accuracy. Nissan Canada Inc. reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment.
