It's the Holiday Season...

We are in full holiday swing here at Ourisman Chantilly KIA. Our show rooms have Christmas tunes playing, garland is hung and trees are up and decorated! You can't help but be in the holiday spirit!

We have held two company parties, one for our managers held in the Maryland area and one for all of our employees held in Virginia. Last Saturday our employees enjoyed drinks, dinner, dancing and some even won door prizes! The DJ had everyone on the dance floor. You couldn't help but have a good time!

We are open through the Holidays, except for Christmas Day. Come celebrate with us and get in the Christmas spirit!

Tip of the Day to Keep Your Car Running Smoothly

As we all know, the holidays are upon us. This, of course, means that traveling for many. For those who may be traveling by car, we consulted with our certified technicians and here are some tips they provided: make sure your tires are inflated to spec. This is very important. What spec is will vary per car. Additionally, make sure your windshield wipers are working up to code. You don't know if you'll get caught in rain, snow, or sleet. We hope everyone travels safely this holiday season!

Employee Sneak Peak

Tyler Bratcher, Sales Consultant

Tyler has been a sales consultant with Ourisman KIA since September of 2013. He started as a delivery coordinator who also worked in the wash bay as well as cleaned and parked cars. Tyler began as a sales consultant in July of 2017.

Our general manager, Billy Brown, was the one who brought Tyler into the business by offering him a job at age 15!

Tyler's favorite part about being a sales consultant is working with the customers. He loves the interaction and helping customers find the car that is right for them. In his day to day, Tyler goes through leads, contacts customers and helps to train new salesmen.

During his free time Tyler enjoys spending time with his friends and seeing his family. He also enjoys playing soccer.

Come see Tyler in action for yourself!

KIA's and more!

Community Shout Out

This year, as in years past, Ourisman Automotive is delighted to contribute to Toys For Tots. Toys For Tots is an organization run by the US Marine Corps Reserves. The Marine Corps distributes toys to families and children who cannot afford to buy gifts for Christmas. We are happy to put a smile on children's faces! <https://www.toysfortots.org/>
