

Ourisman Ford Lincoln

It's the Holiday Season...

We are in full holiday swing here at Ourisman Ford and Lincoln. Our show rooms have Christmas tunes playing, garland is hung and trees are up and decorated! You can't help but be in the holiday spirit!

We have held two company parties, one for our managers held in the Maryland area and one for all of our employees held in Virginia. Last Saturday our employees enjoyed drinks, dinner, dancing and some even won door prizes! The DJ had everyone on the dance floor. You couldn't help but have a good time!

We are open through the Holidays, except for Christmas Day. Come celebrate with us and get in the Christmas spirit!

Tip of the Day to Keep Your Vehicle Running Smoothly

As we all know, the holidays are upon us. This, of course, means that traveling for many. For those who may be traveling by car, we consulted with our certified technicians and here are some tips they provided: make sure your tires are inflated to spec. This is very important. What spec is will vary per car. Additionally, make sure your windshield wipers are working up to code. You don't know if you'll get caught in rain, snow, or sleet. We hope everyone travels safely this holiday season!

Employee Sneak Peak

Mike Powers, Sales Manager

Mike has been with us at our Ford & Lincoln store since 2010. He has mostly focused on our internet sales and has recently moved towards used cars.

Mike now does a little bit of used car buying but mostly now appraises trade ins, contacts customers and works with customers when they come in.

Mike originally got into the business because he had to leave the sales position, he was in. He saw the ad for one of our sales positions and thought, "why not, I love cars!"

Mike's favorite part about coming to work is that every day is different. He loves that there is something new for him to learn.

During Mike's free time, he enjoys going camping as well as participating in jeep contests.

Come see Mike in action!

Fords, Lincolns and more!

Community Shout Out

This year, as in years past, Ourisman Automotive is delighted to contribute to Toys For Tots. Toys For Tots is an organization run by the US Marine Corps Reserves. The Marine Corps distributes toys to families and children who cannot afford to buy gifts for Christmas. We are happy to put a smile on children's faces! <https://www.toysfortots.org/>
