Born to lead

It doesn't take many words to sum up the position of the S-Class – this is a car at the forefront of automotive development. Whatever you dream of in a Mercedes-Benz, you will find it in its ultimate form in the S-Class.

It's hard to believe that this brochure could help top that. But it's true: the broad range of Mercedes-Benz genuine accessories allows you to add a new dimension to the S-Class's legendary perfection: individuality.

The **incenio** designer wheels featured on these pages, for example, help create unmistakably individual star-branded vehicles.

incenio designer wheels

Behes | 5-Y-spoke wheel

incenio designer wheel

Finish: black/high-sheen

Wheel: 8.5 J x 20 ET 43

Tire: 255/35 R20

B6 647 4529

Option for rear axle:

Wheel: 9.5 J x 20 ET 43

Tire: 275/35 R20

B6 647 4530

Kiyali | 5-spoke wheel

incenio designer wheel

Finish: titanium silver/high-sheen

Wheel: 8.5 J x 20 ET 43 | Tire: 255/35 R20

B6 647 4554

Option for rear axle:

Wheel: 9.5 J x 20 ET 43 | Tire: 275/35 R20

B6 647 4555

On all 17" light-alloy wheels use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155. For all 18" wheels please use wheel bolt B6 647 0161 and rim lock B6 647 0156.

Light-alloy wheels are supplied without tires, wheel bolts or hub caps

EXTERIOR

Nuklida | 5-Y-spoke wheel

incenio designer wheel

Finish: titanium silver/high-sheen

Wheel: 8.5 J x 19 ET 43 | Tire: 255/40 R19 XL
B6 647 4556

Option for rear axle:

Wheel: 9.5 J x 19 ET 43 | Tire: 275/40 R19
B6 647 4557

Almizar | 5-spoke wheel

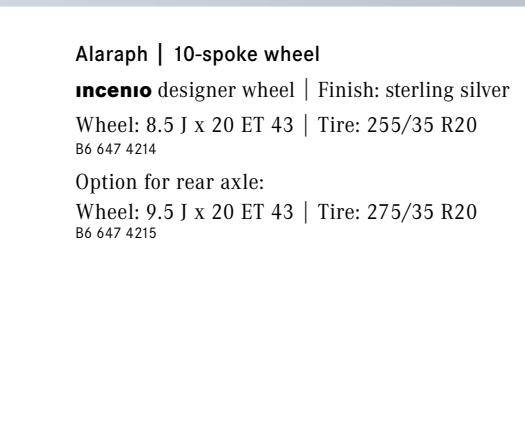

incenio designer wheel

Finish: titanium silver/high-sheen

Wheel: 8.5 J x 19 ET 43 | Tire: 255/40 R19 XL
B6 647 4538

Option for rear axle:

Wheel: 9.5 J x 19 ET 43 | Tire: 275/40 R19
B6 647 4539

Alaraph | 10-spoke wheel

incenio designer wheel | Finish: sterling silver

Wheel: 8.5 J x 20 ET 43 | Tire: 255/35 R20
B6 647 4214

Option for rear axle:

Wheel: 9.5 J x 20 ET 43 | Tire: 275/35 R20
B6 647 4215

On all 17" light-alloy wheels use wheel bolt B6 647 0159 and the corresponding rim lock B6 647 0155.

For all 18" wheels please use wheel bolt B6 647 0161 and rim lock B6 647 0156.

Light-alloy wheels are supplied without tires, wheel bolts or hub caps

incenio designer wheels

EXTERIOR

Maedis | 12-spoke wheel

incenio designer wheel

Finish: titanium silver/high-sheen

Wheel: 8.5 J x 18 ET 43 | Tire: 255/45 R18
B6 647 4558

Option for rear axle:

Hub caps

Protect the hub from dirt.

Available in the following versions:

- 1 | Classic Roadster design in blue
- 2 | Classic Roadster design in black
- 3 | sterling silver with chrome star
- 4 | titanium silver with chrome star

High-shine chromed door handle recesses

Round off your S-Class's chrome finish and protect the paintwork from scratches. Available as a 4-piece set

Mud flaps

Protect the underbody and the sides of the car from loose chippings and dirt. For front and rear axles. Can be painted in body colour by dealer

Tire pressure gauge

Compact design. Saves readings.
Suitable for all tire valves
(including bicycle tires). Keeping
tires at the optimum pressure
saves fuel and reduces tire wear.
Supplied with leather pouch

Interior appointments

INTERIOR

Tangible exclusivity

There are some products you just have to touch to feel the exclusivity and masterly craftsmanship – among them the new wood/leather steering wheel for the S-Class.

Manufactured in an elaborate, multi-stage process, it blends seamlessly with the fine wood interior of your Mercedes-Benz Saloon. For a look that touches the emotions.

Wood/leather steering wheel
burr walnut | black

The wood/leather steering wheels are also available in other colours to match the interior

A close-up photograph of a Mercedes-Benz illuminated door sill panel. The panel is made of brushed stainless steel and features the 'Mercedes-Benz' logo in blue, illuminated lettering. The panel is mounted on a dark, textured surface, likely the interior of a car door. The lighting is soft, highlighting the metallic texture and the glowing blue text.

Mercedes-Benz

Illuminated door sill panels

The blue illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further “highlight” of the S-Class

*Door sill panels
Wood/leather steering wheel*

INTERIOR

Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

Vario bag

Plenty of extra space for the really important things in life. Available in three designs: "DaimlerSquare" fabric, "Angel & Driver" fabric and Alcantara, java fabric (pictured)

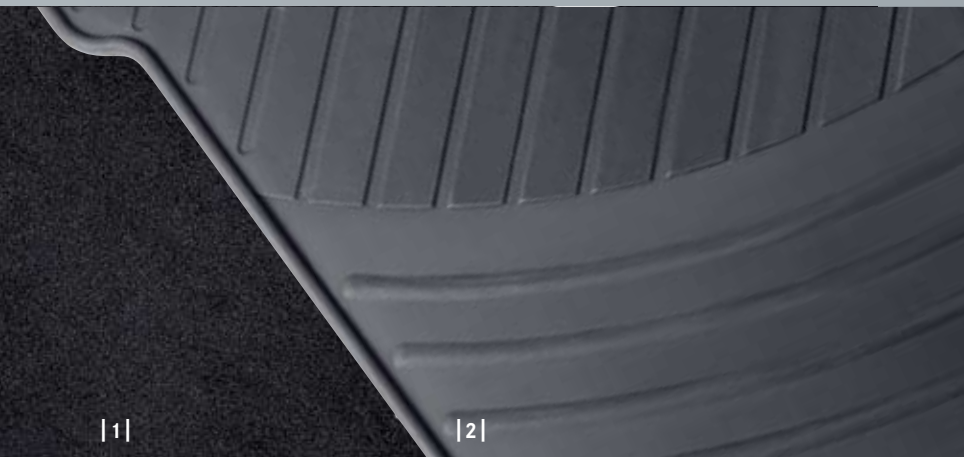

Coat hanger

Robust coat hanger made from chromed metal. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

Cleanbag

The ideal way to keep the interior clean when you're on the move: the "Cleanbag" is simply attached to the net in the front passenger footwell or to the ruffled pockets on the back of the front seats

- 1 | Vvelour floor mats
- 2 | All-season floor mats

Durable, hardwearing materials. Available in various colours to match the interior. Can be clip-fastened to the floor of the vehicle to prevent slipping

*Carrier systems
Accessories*

CARGO & CARE

Safety advice

The S-Class is the definitive business car. But it can also benefit your recreational life if you choose: the carrier systems from the range of genuine accessories offer a convenient and safe way to transport everything you need for your leisure activities.

After all, convenience and safety are nothing less than “business as usual” in the S-Class.

New Alustyle basic carrier bars

The New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the New Alustyle basic carrier bars with a variety of different roof-mounted carriers which you can see here and on the following pages. The basic carrier bars are precisely tailored to the body of your S-Class, ensuring the highest degree of safety and optimum aerodynamics

New Alustyle ski and snowboard rack “Standard”

For up to 4 pairs of skis or 2 snowboards. Lockable

Transport and stowage bag

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

*Basic carrier bars
Ski and snowboard rack
Transport bag*

CARGO & CARE

**New Alustyle ski and snowboard
rack "Comfort"**

For up to 6 pairs of skis or 4 snowboards.
Lockable. Practical pull-out function
makes loading and unloading easier

Mercedes-Benz Bikes

These sporty and elegant bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring.

The convenient design of the Mercedes-Benz bicycle rack allows the cycle to be attached at ground level. The bicycle is simply mounted on the rail alongside the vehicle and both are then fitted to the basic carrier bars

New Alustyle bicycle rack

Depending on the maximum roof load, up to four bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without bicycles. Bicycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | also pictured right |

Coil lock

Designed to prevent theft. Available as an option for the New Alustyle bicycle rack

CARGO & CARE

Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the trunk. Attaches securely around the object in question thanks to Velcro fastening

Non-slip mat

black | Non-slip mat made from oil and acid-resistant polyester. Designed to fit the contours of the trunk

Shopping crate

anthracite | Collapsible

1 | Coolbox

black/grey | Hard case with fabric cover featuring pockets for extra items. Cold/hot switch. Capacity: 24 litres. 12V connection. Adjustable carrying strap

2 | Coolbag

black | Fabric outside, plastic liner inside. Outside pockets offer plenty of room for extra items. Capacity: 12 litres. 12V connection. Adjustable carrying strap

Luggage net

Available for the floor of the trunk. Prevents lightweight objects from sliding around during your journey. The net is in pocket format

Ski bag for interior

For up to four pairs of skis. With carrying strap and straps for attaching to load-securing rings in trunk

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colours, materials, equipment, specifications and models. Any variations in colours shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-Canadian equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories.

Call 1-800-387-0100 to obtain the Collection personal accessories catalogue or visit the www.thecollection.ca to shop online.
