On our way to Laughlin, most of our group stopped in Havasu and had a delicious home-made lunch at Lance and Michelle Lenhert's stunning home. Amazingly, all of our cars fit in their spacious driveway and multiple garages!

What a great, fun-filled weekend we had at Corvettes of Bakersfield's 25th Annual Gambler's Classic All-Corvette Car Show in Laughlin, NV.

Once again, PSCC won the participation award with an amazing 25 cars and 45 individuals registered for the event. Vice President Jack Carter accepted the award, which is a \$500 donation to the charity of our choice. So many pictures that these are just highlights. So great to have many of our fabulous new members join us. Thanks to everyone who participated!

Only award our club received was an Award of Excellence to Duane Rons for his stunning 2025 E-Ray LZ3 HTC Riptide Blue Metallic.

Some of our ladies rocked our PROUD AMERICAN jackets and event and hotel guests loved the sparkle.

Liz & Ron

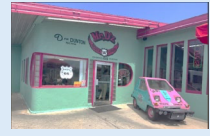

The first night was a 50's themed Ice Cream social. Even though there was no contest, our own Mary Wharton was definitely the 1st place winner!

What a great way to celebrate birthdays for two of our beautiful Divas, Carolyn Kelly and Joyce Sosebee.

Some of us even caught a great tribute show to Tina Turner and Rod Stewart at the Riverside Resort.

Many went to Kingman, AZ where 100 years of Route 66 was being celebrated and, of course, we had to get our picture taken with this famous landmark and eat at Mr. D'z Route 66 Diner.
