

**Stud Lunch – May 30, 2025 – ROC’s Firehouse Grille** - Without our fearless leader, Mike Nichols, present, the Studs were a bit lost as they gathered at one of the traditional spots for the Stud Lunch, the ROC’s Firehouse Grille. Mike couldn’t make it, but enough “Studs” made it to fill one long table. Garry Dean anchored Mike’s traditional head-of-the-table seat and held forth --- doesn’t he always?? New VP, Jack Carter, got lost driving over from the far reaches of the Coachella Valley and arrived late, but he did make it for one of the pictures. Great time was had by all, as one can see from the smiling faces.
