

Our **very creative** member, Michele Langley, gave the Divas a fabulous opportunity to make our own blinged-out corvette t-shirts. She supplied her home, the templates and the gorgeous rhinestones to create our own customized shirt (the ladies supplied their own shirt and made a donation to Michele for the rhinestones and templates she supplied – wow so many amazing color choices!). A few from the club who expressed an interest but for one reason or another weren't able to make it themselves, Michele made it for them!! What a fun time!! Here are a few of the beautiful creations. Thank you, Michele, you're a great addition to our fabulous club!!
