St. Patty's Day Party

@ the Burton Date Farm

The hard-working set-up and tear-down crew

Frank Brebac (former Club member) and Ralph Emsland (guest) enjoyed assisting magician Dana Daniels in “escaping” from his handcuffs.

Magician Dana peeled an orange and found the \$20, which he returned to Dan Kelly.

Karen Latragna enjoyed being part of the show.

Michele Williamson was an awesome and beautiful magician's assistant! Amazing how the black "X" magically appeared on her hand.

Yep the 'x' was on her hand!! Wow . . . what a great trick!

Abby Rons had fun being a magician's assistant
