

February 15, 2025,
The Dinner Detective,
True Crime Murder
Mystery Dinner –

We were all Dinner
Detectives and had
aliases that was our
name for the entire
event.

It was a fun interactive
evening with fellow
Corvette detectives.
Several members were
interrogated, and the
killer turned out to be
masquerading as a
photographer for the
Desert Sun newspaper.

(Thank you, Michele, for arranging this fun event and for the pictures and summary.)
