## President's Message....

As we roll into March, it's hard to believe that we will soon be bidding farewell to our snowbird members. We wish them safe travels and all the best on their journey home and we look forward to their return when the valley cools off later this year and early 2027.

I'm pleased to report that our events remain as vibrant as ever! At our recent dinner night out, we had an impressive turnout of 59 participants. While the weather wasn't ideal, it certainly didn't dampen our spirits. It's great to see such strong participation in our gatherings, including our popular Stud and Diva lunches. Thanks to everyone who worked so hard to organize these monthly events!

A special thank you goes out to Michele Langley for organizing the fantastic Dolly Sinatra lounge and dinner show. It was a special evening, and the club was well represented, enjoying a great time together.

I would also like to extend my congratulations to Lee and Linda Egan for being recognized as our Car of the Month with their Stunning 2022 Red Mist C8 Corvette Convertible 3LT. Well Done guys!

As we move forward, I encourage everyone to actively participate in our upcoming events and club runs. Do not forget to check out our website ([palmspringscorvetteclub.com](http://palmspringscorvetteclub.com)) for a complete calendar of activities. Your involvement makes our club stronger and more enjoyable for everyone.

Looking forward to seeing you all at our next event!

In the meantime, enjoy the ride!

## Corvette of the Month...

**Lee & Linda Egan**

### **2022 Red Mist C8 Corvette Convertible 3LT**

We are snowbirds, now having migrated out of Canada every year to a warmer winter in Palm Springs for the last 13 years. We currently live in Victoria, BC, but have also resided in Vancouver, Edmonton, and Ft. McMurray, AB, with career moves. Being able to enjoy the best of the Canadian west coast in the summer, and the very appealing desert weather in the winter, has us believing that we live in the best of both worlds.

Having met in grade school and after dating in high school, we have been together for 50+ years. Linda worked in mortgage law while I sold Caterpillar mining machinery and managed regional operations for Finning International (Caterpillar dealer). We have two daughters, and two grandsons (hence the move to Victoria).

We acquired our first Corvette (a used '96 C4) in 2010 and joined the Edmonton Corvette Club. Two years later we purchased a new 2011 C5 GS, which we found in a small dealership in Colorado (numerous Corvettes parked on car lots during the financial crisis). Couldn't resist the new 2017 C7 and factory ordered one of the first 2017 Grand Sports which we just recently traded off on the 2022 Red Mist C8 3LT Convertible above.

I retired early at 55 trying to live the "dream." Golfing is a big part of our lives these days (as we each play approximately 120 rounds per year). We both ride road bikes and spend time in the gym. In addition, I often play billiards four days of the week. Spare time seems to be at a premium.

We like to travel and have been to all the major continents except Antarctica (not going there as we see enough snow in Canada – LOL). Our latest favourite is river cruising and, apart from a brief break due to Covid, we have travelled many rivers throughout Europe. We're planning to travel the Nile or the Mekong next, with a side trip to Australia.

## Corvette CX Concept...

The real reason to attend the 2025 show is I knew Chevrolet would bring its new **Corvette CX Concept**. If one reads the X as a Roman numeral, it translates to C10. Little did I know what awaited me at the inside of the show.

The Chevy display was huge and expertly curated, easily the best of the 2025 show. As I walked into this Bow Tie boutique, I saw the Corvette CX Concept. The silver starlet was winking at me as she twirled on a turntable under the sparkling lights. The clatter of the hall suddenly dimmed and time and space stood still, the car was that beautiful. It is a home run styling exercise, shapely and voluptuous, yet serious and brutal.

## Ronald McDonald House...

Reminder that we ask PSCC Members to collect toiletries from motels, soaps, shampoos and can pull tabs for the Ronald McDonald House in Loma Linda. This is a great cause and saves you throwing them in the recycle or garbage. Just put them in a bag and bring them to each meeting for Vicki and Mike Nichols. The kids will thank you so much, and Ronald will too!
