## **President's Message....**

July went by with the blink of an eye! Brenda & I got out of the heat for a good portion of the month with a trip to beautiful Victoria, Canada to attend Duece Days. What an amazing car show. We also spent some time in Washington soaking up some of that wonderfully cool summer weather. I even got in an amazing day of Salmon fishing. Hope you are enjoying your summer.

On The fourth of July we had 14 cars at the Idyllwild parade. Thanks to Bud, Millie, Kyman, Michelle and Brenda for helping host lunch at our club house in the Idyllwild.

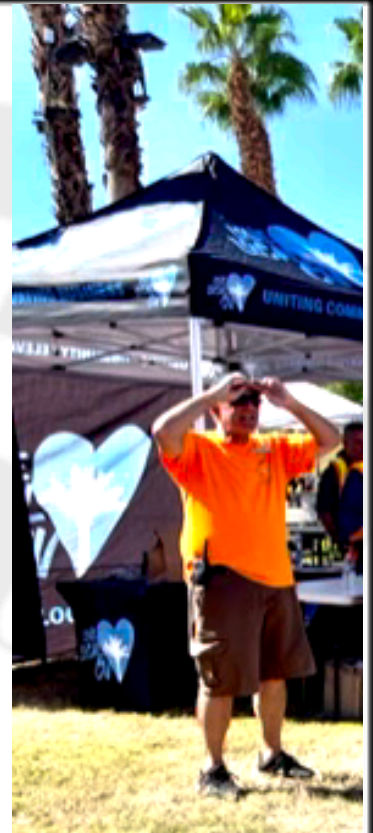

With the help of Mike Smith, Tom Pinard, Garry Dean, Floyd Marcoe and Ron Singer we sold our autocross timing equipment. We were able to get \$2,500 for the equipment, which was given to The Boys & Girls Club. Our donation was very timely because the club had a water main issue which cost them \$8,500 last week. Scott Robinson from B&G Club was very grateful for our donation. The equipment was purchased by the NCCC regional event group for the west, They will be hosting regional autocross events in the future.

Corvette of the Month goes to Jorge & Laura Sandez's 2023 Riptide Blue C8. Please see the nice article on Jorge & Laura. Congrats!!

It won't be long before our snowbirds will return to the valley for another season of Corvette fun. Also remember it's just a little over four months to our Christmas Party where my interim term as president will end.

Hope to see you this month at our meeting on Aug 12<sup>th</sup>!

Stan

## Boys & Girls Club Gets PSCC Donation....

The donation timing was perfect as their facilities recently sustained some damage, and Scott was seeking public support for the repairs. Although our annual Autocross is no more, our Club will continue to support the wonderful work being done by Scott and the BGCCC.

## Just In!!! C10 Corvette???

General Motors has unveiled its second Corvette concept of the year. Designed by GM's Advanced Design Studio in Pasadena, California, the California Corvette Concept is another radically styled, **all-electric vision** that pushes the boundaries of design, material use, and driver experience.

Like the first concept, GM says there's no production intent for this vehicle as is, but it clearly maps out a destination for the Corvette's long-term legacy—just look at the rocker sill, it's branded C10.

## Corvette of the Month...

Corvettes cost money, of that there's no doubt.  
And then you need friends, to tell your fun about.

We want to know you, put a name to your face.  
What's your background? We know you're an Ace!

What is your name? Are you short or tall?  
How will we know you? Blonde, brunette or bald?

Where do you hail from? Why did you come here?  
Or you're a longtime resident, who got a Vette this year?

Do you like short events? Or do you prefer long runs?  
Do you play tennis or golf? Bike, deal cards or other fun?

Send in your info, a story or two,  
a picture of your car, and one of you.

Your photos we'll size, your info we'll take.  
We'll type it, arrange it, and your page we'll make.

Before your story is put online,  
you must tell us, "That's just fine."

Review it you will, change it you can.  
Your bio will shine, 'cause that's the plan!

Great picture of Michele (taken by Tom Pinard) from July 17<sup>th</sup> DNO but decided to include it here 😊

Eleven Studs cruised up Hwy 74 for lunch at the Paradise Valley Café on July 25, 2025. The skies were a beautiful blue and the temperature was comfortably cool. Cafe owner, Neal, photographed all our cars for a framed picture to hang inside his establishment.
