For the third time in five years, a specially donated Chevrolet Corvette sold for charity was the top result at the Barrett-Jackson January auction. In 2026, the **2026 Chevrolet Corvette ZR1X Stars & Steel Limited Edition** was the most expensive car sold at the 2026 Barrett-Jackson collector car auction when it achieved a magnificent \$2,600,000 to the Tunnel to Towers Foundation. This nonprofit organization honors fallen first responders and supports injured veterans and their families through mortgage-free homes and financial assistance.
