Option Code	Accessory	Description
XLDBAR	Load Bars	Aerodynamically shaped aluminum wing profile load carriers feature T-tracks for installing Volvo roof-mounted accessories.
XMDFLP	Mud Flaps: Front & Rear	Designed as a natural part of the car's wheel arch, the Mud Flaps protect the body and Side Scuff Plates from mud and flying stones. Set of four. Cannot be combined with Running Boards
XPROT1	Protection Package Premier*	Comprised of five popular accessories including: All-Weather Floor Mats, All-Weather Luggage Cargo Tray, Bumper Protective Cover (Rear), Locking Wheel Bolts, and First Aid Kit. *Cannot be combined with XPRPKG and XBMPKV
XPRPKG	Protection Package*	Includes All-Weather Floor Mats that protect passenger area floors and an All-Weather Luggage Cargo Tray that protects the cargo area and prevents loads from sliding. *Cannot be combined with XPROT1.
XHITCH	Trailer Hitch (Excluding Ball and Ball holder)	A hitch especially introduced for the North American market. With the electrically folding towbar, you do not have to stretch beneath the car to detach or remove the towbar. Pressing a button in the luggage compartment folds the towbar out. A simple hand movement positions the towbar in a locked position.
XSHADE	Panoramic Roof Sunshade	A practical sunshade that reduces glaring light through the panoramic roof. In addition to the panoramic roof itself having heat- and glare-protection properties, this sunshade can further enhance comfort on hot and sunny days.
XBMPKV	Bumper Cover	A bumper cover with design pattern, which is easily installed on top of the rear bumper. A practical and attractive accessory to avoid paint scratches when loading and unloading the cargo compartment
