CHEVROLET

Tahoe Premier (left) and Suburban Premier (right) both shown in Iridescent Pearl Tricoat (extra-cost colour) with available RST Edition and other available features.

***TAHOE OR SUBURBAN.  
EITHER WAY, GET MORE  
OF EVERYTHING YOU NEED.***

When adventures await, the legendary Chevrolet Tahoe and Suburban offer more of everything you expect – uncommon spaciousness, commanding performance and ingenious safety technology.

The luxury is all-encompassing. The capability is exceptional. With available seating for up to nine, everything about Tahoe and Suburban makes these full-size SUVs ideal for the modern family that is always ready for what's ahead.

If that's not enough, exclusive Special Editions, including RST with an available 6.2L Performance Edition, make an especially bold impression.

Discover why, year after year, Tahoe and Suburban deliver the capability, sophistication and confidence Canadians look for in a full-size SUV.

***FIND NEW ROADS™***

**RST EDITION**

Tahoe Premier in Summit White with available RST Edition and other available features.

**RALLY SPORT TRUCK.** You can't help but notice: On the street, the RST Edition will be instantly recognized by its body-colour appearance with Gloss Black accents and exclusive 22-in. wheels.

**RST 6.2L PERFORMANCE EDITION.** For the ultimate in performance, this available package features a muscular 6.2L EcoTec3 V8 engine generating 420 horsepower and 460 lb.-ft. of torque. Plus, a 10-speed Hydra-Matic® automatic transmission is designed to maximize engine power for responsiveness under acceleration.

**MAGNETIC APPEAL.** Performance-calibrated Magnetic Ride Control®, included in the available RST 6.2L Performance Edition, is an adaptive suspension that "reads" the road every millisecond, delivering both improved body motion while cornering and exceptionally refined ride comfort while cruising.

### **1. EXCLUSIVE 22-IN. WHEELS.**

The RST Edition rolls on striking Gloss Black-painted aluminum wheels with custom Silver accents.

**2. BOLD FIRST IMPRESSION.** RST makes a commanding entrance with a unique Gloss Black sport grille featuring a body-colour surround and Black bowtie emblem.

**3. FINISHING TOUCHES.** A tuned low-restriction Borla® exhaust system is available as a dealer-installed accessory<sup>1</sup> with the optional RST 6.2L Performance Package. Available Borla® carbon-fibre performance exhaust tips are another custom touch that sets RST apart from every other SUV.

### **4. MASSIVE BREMBO® BRAKES.**

This available dealer-installed Chevrolet Accessory<sup>2</sup> brake system features front Red Brembo® 6-piston fixed aluminum calipers coupled with Duralife® rotors that are larger than standard rotors. An 84% increase in brake pad area helps provide quieter braking and less vibration.

<sup>1</sup> Equipment from independent suppliers: See An Important Note About Alterations And Warranties on the Complete Care page later in this brochure. <sup>2</sup> Chevrolet Accessories are dealer-installed and covered by the 3-year/60,000 kilometre (whichever comes first) Base Warranty Coverage of the New Vehicle Limited Warranty when ordered with your new Tahoe or Suburban. Conditions apply. See Warranty Booklet for details. Some vehicles are shown with equipment from an independent supplier. GM licensed and Associated Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.

A high-angle, wide shot of the interior of a Chevrolet Suburban Premier. The vehicle is parked on a paved surface with some greenery visible through the windows. The interior is finished in a light beige or cream color, with dark brown leather seats and door panels. The dashboard and center console are also in dark brown, with wood grain accents. The steering wheel is black with the Chevrolet logo. The overall impression is one of a spacious, well-appointed vehicle.

available features.

**LIFE-SIZE LUXURY.**

### **1. DUAL-LEVEL STORAGE.**

The configurable underfloor Cargo Management System in the rear cargo area (Suburban model shown) offers a convenient space to keep items hidden and organized.

### **2. ORGANIZATION MADE EASY.**

The cavernous front floor console provides enough room for a laptop or other large items.

### **3. EVERYTHING CLOSE AT HAND.**

Important items are never out of reach with door storage for water bottles, umbrellas, maps and more.

**4. HIDE WHAT OTHERS SEEK.** The 8-in. diagonal colour touch-screen slides up to reveal a password-protected area behind the display with space for cell phones, wallets or other valuables. Additionally, a USB port<sup>1</sup> gives you one more place to charge your devices.

<sup>1</sup> Not compatible with all devices.

**FAST FLAT-FOLDING SEATS.**

Available power-release second-row and power-folding third-row seats fold flat fast. The conveniently placed buttons allow you to go from passenger space to cargo space in no time at all.

**BE READY FOR ANYTHING.** With the folding second- and third-row seats, you'll have up to 2682 L (94.7 cu. ft.)<sup>1</sup> of maximum cargo space in Tahoe and up to 3447 L (121.7 cu. ft.)<sup>1</sup> in Suburban. That's more than enough room for everyday use or a week-long road trip.

**VERSATILE AT EVERY TURN.**

There's space available for up to eight passengers (nine in LS with the available split-bench front seat), with the option for second-row bench or bucket seats, and second and third rows that fold down, so you're ready for anything your day might hold.

**OPENING IS EFFORTLESS.** Standard on Premier and available on LT, the hands-free programmable power liftgate ensures you'll worry less about the liftgate being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

<sup>1</sup> Cargo and load capacity limited by weight and distribution.

### **Apple CarPlay® COMPATIBILITY.<sup>1</sup>**

With Apple CarPlay®, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

**MAINTAIN YOUR CONNECTIONS.** Chevrolet offers an available built-in 4G LTE Wi-Fi® hotspot<sup>2</sup> (data plan required) providing a fast Internet connection for up to seven compatible devices.

**SIRIUSXM® RADIO.<sup>3</sup>** Enjoy your 3-month trial subscription to SiriusXM® All Access Package with over 140 channels including commercial-free music, plus sports, exclusive talk, entertainment and news. Your trial also includes the SiriusXM® app, so you can start streaming SiriusXM® on the go and at

home. Hear 200+ amazing channels and access 5000+ hours of On Demand shows, performances and interviews.

**GLOVES ARE OPTIONAL.** A heated steering wheel is standard on Premier and available on LT, offering warm comfort on a cold day.

<sup>1</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>2</sup> Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi hotspot. Accessory Power must be active to use the Wi-Fi hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. <sup>3</sup> Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. **YOUR PERSONAL PROGRAM DIRECTOR.**

The Chevrolet Infotainment System<sup>1</sup> lets you program dozens of favourites, including radio stations, contacts, destinations (requires available Navigation<sup>2</sup>), music and other media.

**YOU'RE IN CHARGE.** With as many as 14 charging locations, including an available wireless charging pad<sup>3</sup> and up to seven USB ports<sup>4</sup> to connect phones, tablets and other portable devices, you'll always be able to stay in touch with your world.

<sup>1</sup> Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. <sup>2</sup> At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>3</sup> The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit [mychevrolet.ca](http://mychevrolet.ca) for details. <sup>4</sup> Not compatible with all devices.

### 1. ANDROID AUTO™ COMPATIBILITY!

You can quickly and intuitively interact with select smartphone apps with support for Android Auto™. This system takes some of your compatible Android™ phone's features and puts them on the touch-screen display. You can access your navigation, phone, text messages, music and more.

**2. myChevrolet® MOBILE APP<sup>2</sup>** Simply download the app to your compatible smartphone and with an eligible active service plan<sup>3</sup> and a properly equipped vehicle, you can start or turn off your engine<sup>4</sup>; lock or unlock your doors<sup>4</sup>; send destinations to your available navigation<sup>5</sup> system; view key vehicle diagnostic information<sup>6</sup>; set parking reminders and more.

**3. THAT'S ENTERTAINMENT.** The available Rear-Seat Blu-ray® Entertainment System lets rear-seat passengers enjoy every drive with their favourite movies. With an HDMI connection and available Wi-Fi<sup>7</sup>, it's possible to project to the screen from your mobile devices.

### 4. AN EYE FOR INFORMATION.

The available colour Head-Up Display projects information, such as speed and Turn-by-Turn Navigation<sup>8</sup> (if equipped), onto the windshield while you're driving so you can keep your eyes on the road. The Driver Information Centre also provides critical data at a glance.

<sup>1</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. # PUTTING SAFETY FIRST. THE SAME AS YOU DO.

## **ADAPTIVE CRUISE CONTROL – ADVANCED.**

This available feature enhances cruise control by allowing the vehicle to automatically follow a detected vehicle at the driver-selected following gap while the driver steers, reducing the need to frequently brake and accelerate.

**FORWARD AUTOMATIC BRAKING.** Using the same radar sensors as Adaptive Cruise Control – Advanced, Forward Automatic Braking is engineered to help mitigate collisions or prevent them at very low speeds. If the system detects an imminent front-end collision with a detected vehicle, it is designed to alert the driver and can automatically apply the brakes if you have not already done so. Available on Premier.

## **LOW SPEED FORWARD AUTOMATIC BRAKING.**

If the vehicle is travelling at a low speed and the available system detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, the system can automatically apply the brakes to help reduce the collision's severity. The system may even help avoid a collision at very low speeds.

**FORWARD COLLISION ALERT.** This available feature is designed to monitor how close your vehicle is to a detected vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it is designed to alert the driver to a potential crash. It can also warn the driver if your vehicle is following a detected vehicle much too closely.

**LANE KEEP ASSIST WITH LANE DEPARTURE WARNING.** This camera-based system monitors road lines and can provide gentle steering wheel turns (and Lane Departure Warning alerts if necessary) to help drivers avoid unintentionally drifting out of their detected lane when they are not actively steering and their turn signal is not activated. Standard on LT and Premier, available on LS.

**AVAILABLE LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT.** Radar sensors in the rear corners of the vehicle are designed to help detect fast-approaching moving vehicles in the adjacent lanes as well as vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

**REAR CROSS TRAFFIC ALERT.** Using radar sensors, this available feature is designed to alert the driver to crossing traffic behind your vehicle when in Reverse. Visual alerts on the touch-screen display, as well as Safety Alert Seat pulses (if selected), are triggered if approaching vehicles are detected from either side. Standard on Premier, available on LT.

**REAR VISION CAMERA.** When the transmission is in Reverse, the Rear Vision Camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the centre stack. So it's easier to back up or park.

**FRONT AND REAR PARK ASSIST.** Ideal when parking at low speeds, this available system is designed to sense stationary objects and can alert you if an object is too close during low-speed manoeuvring. Standard on Premier, available on LT.

**INTELLIBEAM HEADLAMPS.** When oncoming headlamps are sensed or when tail lamps are detected in front of the vehicle, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

**SAFETY ALERT SEAT.** This available seat uses directional vibration pulses from the driver-seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into certain other available onboard crash avoidance systems.

*Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.*

## PERFORMANCE

Suburban Premier in Black with available features.

**LEGENDARY TOWING POWER.** You can pull boats, trailers, ATVs or whatever else you want to bring along. With the available Max Trailering Package, Tahoe 2WD offers a maximum trailering capability of up to 8600 lb. (3901 kg) and Suburban 2WD delivers up to 8300 lb. (3765 kg) of maximum trailering capability!<sup>1</sup>

**MAGNETIC RIDE CONTROL.** Premier models feature Corvette-inspired Magnetic Ride Control, a real-time damping system that delivers a smooth, precise ride by “reading” the road a thousand times per second and changing damping in just 10–15 milliseconds.

**5.3L ECOTEC3 V8 ENGINE.** A trio of innovative technologies drives the standard 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency. Active Fuel Management®

deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Tahoe and Suburban perform at optimum power and efficiency.

<sup>1</sup> Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

**A WORD ABOUT THIS BROCHURE** Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

**ENGINES** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**FLEET ORDERS** Some standard content may be deleted on fleet orders. See dealer for details.

### AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
