Corvette Facts...Did You Know....

The “GM Mark of Excellence” sticker appeared, placed on the inside driver’s door jamb, appeared in 1967 “only”!

Federal Law mandated the removal of spinners from wheels in 1967, so. the knock pff wheel of 1963-1966 was replaced with a bolt on wheel.

1967 was the first year “vinyl” was offered as an optional exterior covering for the hardtop

The '67 model was the first to have the “tank sticker, or build sheet, attached to the gas tank.

Collecting for Ronald MacDonald House...

Reminder that we ask PSCC Members to collect toiletries from motels, soaps, shampoos and can pull tabs for the Ronald McDonald House in Loma Linda. This is a great cause and saves you throwing them in the recycle or garbage. Just put them in a bag and bring them to each meeting for Vicki and Mike Nichols. The kids will thank you so much, and Ronald will too!

Check the National Corvette Museum emails/website for activities and offerings near you!

Club Meeting Important?

Importance of Club Meetings and the Apparel Report: Garry might've gotten these new Club hats a little bit too big.

He said; "Well I didn't realize that you ladies didn't have fat heads!" If he didn't have glasses to hold that hat up, he'd be in the same position as the lady beside him! Good he/she has a nose!
