

**Palm Springs Corvette Club**  
September 9, 2014  
Meeting Minutes

The meeting was called to order at 6:55 pm by President Sam Baldwin and began with the Pledge of Allegiance to the Flag. There were 27 members with one guest present at the meeting.

The president thanked MasterShield for hosting the meeting with a pre-meeting dinner and then members were given a brief presentation of MasterShield's car protection products and services and staff members were introduced.

At this time Dan Jessup was invited to speak about Jessup's Anniversary Party scheduled for Sunday, November 9, who asked for our help at the event. He said he would donate the entrance fees collected at the event to our club and needed people who could direct cars, collect money, and assist in several ways during the day. Dan also introduced Jessup's new service manager, Jeff Bachart.

A guest, Dan Kelly, was welcomed and invited to introduce himself. Dan has a red '61 Corvette.

With the changing of our website not yet able to accommodate the posting of the the minutes for the meeting of June 10, they were emailed to the membership prior to this meeting. As there were no corrections or additions, the president asked for a motion to accept them. Shawn Hyman moved and Rick Marseilles seconded the motion to accept the minutes. The motion passed.

Treasurer Carolee Witzel was not available for the meeting nor the report she had submitted. Therefore, the president informed us that we have approximately \$4,500 in the club account.

Editor Deanna Baldwin gave an update on the club's new website and indicated that the calendar and more information have been posted. She is currently following up through the challenges and explained the reasons for the delays.

There was no report from the Vice President, Governor, nor the Marketing Director who was not present.

**Old Business:**

The president announced that letters of thanks were received for the donations to ALS and The Boys and Girls Club of Cathedral City.
