BMW GUARANTEED AUTO PROTECTION (GAP).

NO MATTER HOW CAREFULLY YOU DRIVE, THE UNEXPECTED CAN HAPPEN.

What is GAP?

BMW Guaranteed Auto Protection (GAP) helps to eliminate the worry of being caught “upside down” in the event an accident or theft renders your vehicle a total loss. If that happens, your insurance company may only reimburse you for the assessed market value of your vehicle. Along with your insurance policy’s deductible can create a significant gap between the amount your insurer will pay you and the amount you owe on your loan.

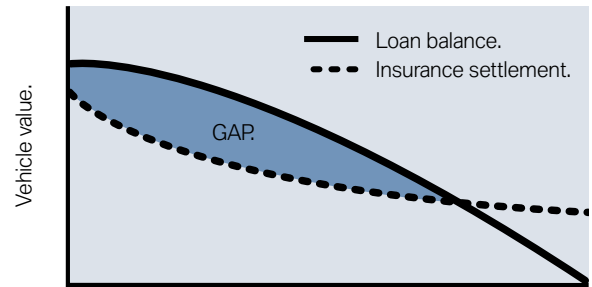

Trust the evidence.

The evidence is clear. Common risks associated with theft, collision and natural disaster make the chances your vehicle will become a total loss greater than you think. With BMW GAP, you can leave loan deficiencies and insurance deductibles behind you¹.

Coverage information:

- Waives the amount equal to the unpaid net balance of your loan less the actual cash value of your vehicle as determined by the primary insurance company.
- Includes coverage for up to \$1,000 of your primary insurance deductible².
- Available on all loan amounts or any finance agreement term. Loans over 150% of NADA value or MSRP will be re-amortized to 150% in the event of a claim. Terms over 84 months will be re-amortized to 84 months in the event of a claim¹.
- Can be financed with 3rd party finance source.
- Cancelable within 30 days for a full refund; after 30 days, refund will be calculated pro-rated less processing fees³.
- Waives covered losses up to \$50,000.
- Available on new and used vehicles.

Guaranteed Auto Protection Protects you from the Gap.

	Time.	
Loan balance		\$29,000
Actual cash value ⁴	-	\$25,500
